

ARE READY TO GO TO THE RACE

Young Corbett and Dick Hyland Are in Fine Fettle.

Mr. McDonald, manager of the Agricultural park race track, yesterday gave his consent to the athletes of the L. D. S. U. to let them do their track training at the fair grounds from now until the State meet.

The L. D. S. boys have been having all sorts of trouble this season over training quarters. They have been working for about two weeks on the U. of U. campus, but this was stopped by the University athletic board, as other schools might suspect some team work between the two schools.

The grounds at the Saints' schools are not in even fair condition, so Coach Milne negotiated with Mr. McDonald for the fair grounds track. The race track will furnish a better place for the training than any other in the city. The half-mile course is in excellent condition and will be used for the training events. The weights and field events will be held in the space inside the track. The Saints will make their first trip to the new grounds this afternoon. Mr. Milne says that from now on the workouts at the park will come daily, and he hopes to accomplish more than he could have either at the University or on his own campus.

Hyland Easing Up. The heavy "stunts" will be cut by Hyland's trainers, commencing today, and the little Cal will be taken over by the easy fashion from now on to that of the exhibition. Corbett will keep up "life on wheels" and byways of the mill tomorrow, when he will win in his hard work. This will be his last day of training at the fair grounds, as the amateur at the fire station, wrestle with Patsy Corrigan with his rope-skipping feat.

Both in Fine Shape. The principals are in the finest position and the public may rest assured of witnessing the greatest exhibition of the many art that has been this country for years.

WHAT WILL PROVO SAY? On the Voters Hinges Admittance of Christians to League.

Whether the Y. M. C. A. basketball team get in on the University league next season is the question that has been the subject of the meeting of the Y. M. C. A. Provo. The meeting was held on Saturday afternoon, and the proposition of admitting the Y. M. C. A. was brought up, and finally left to the decision of the athletic board of the several schools.

Last night all of the schools had been heard from with the exception of the B. Y. U. of Provo, and the vote now stands three in favor of admitting the Christians and three against. The vote of Provo will settle the matter.

NO DUAL TRACK MEET. Challenge of L. D. S. U. Not Accepted by Provo.

The L. D. S. U. track team gave up all hopes of having a dual track meet before the Provo. The meeting was held on Saturday afternoon, and the proposition of admitting the Y. M. C. A. was brought up, and finally left to the decision of the athletic board of the several schools.

BASEBALL GAMES. National League. At Boston, April 22. R. H. E. Philadelphia 10 11 4 2. Boston 10 11 4 2. At Chicago, April 22. R. H. E. Chicago 3 5 1. Cleveland 4 3 1.

American League. At Washington, April 22—Washington-Boston game postponed; cold weather.

College Games. Lafayette Going Solo. The Lafayette defeated the Webster by the score of 27 to 10 Monday at the Eighteenth Ward arena.

Grants Are Victorious. At Cadzaby's field Monday the Grants defeated the Hamiltons by a score of 13 to 11.

Franklin Juniors Win. The Franklin Juniors trimmed the Little Fremonts Monday by a score of 3 to 2.

Murray Basket-Ball Girls Win. The girls from the eighth grade Mill Creek beat the fourth grade Whitey's over to Murray Monday, where they played a game with the team from the eighth grade Arlington school, known as the "Whitey's."

NO CLASS TRACK MEET. Preps and Collegians, However, May Get Together.

The probability is that there will be no class track meet at the University this year, as has been heretofore. The class relay meet held over a week ago in a was supplanted by the usual class track meet and proved equally as interesting. In that contest the preps came away victorious and out with a challenge for all the college students. They propose to bar all "U" men, and then have a meet between the preps and collegians. In such a meet it seems as though the preps must be defeated by both Capt. Neil Judd and Manager Ferguson of the preps and Coach Whitey of the collegians.

Coach Maddock Likes Ogden. Coach Maddock yesterday returned from a short visit to Ogden, where he was royally entertained by Michigan alumni. Coaches in the Junction City took him for a drive up to the Junction City, where they will entertain the Bachelors' club. Maddock says that he had a great time and wants to go to Ogden again.

Mountain Gun Shoot. Some loss for the coming inter-trap shooting tournament. The Gun club's range, May 2 and 3, will be held at the fair grounds, and reflects on the committee who had it.

PLUMBING ORDINANCE PASSED OVER THE VETO

Signboard Veto Is Allowed to Stand, to Be Taken Up Later.

The City Council wrestled with affairs of grave import Monday night till the hands of the clock had crept past 11, and President Davis and Councilman Crabtree began to fidget in their seats and ask themselves if they would reach the Oregon Short Line depot in time to depart for San Francisco at 11:45 o'clock. Aside from the Mayor's veto of the \$10,000 appropriation for the San Francisco suffrage little of importance was transacted.

The invitation of the Merchants and Manufacturers' association that the Council accompany it on its getting acquainted excursion to Mantl April 26, was accepted.

Passed Over the Veto. Mayor Thompson's veto of the plumbing ordinance to allow two houses fronting on the same lot to connect with the sewer by a single pipe was read, and after much discussion the ordinance was passed over the veto. The veto was a single pipe.

Black was the first speaker, and said he differed from the Mayor. He thought the passage of the ordinance would result in the connection of the sewer with the sewer, thereby inducing many to make connections at once, and thus help make the city sanitary.

Mr. Martin agreed with the Mayor. He thought the ordinance would result in the connection of the sewer with the sewer, thereby inducing many to make connections at once, and thus help make the city sanitary.

Mr. Black pointed out that two houses on the same lot, one of which was a single pipe, and asked why the same could not be proper for two houses adjoining each other, and that the ordinance would result in the connection of the sewer with the sewer, thereby inducing many to make connections at once, and thus help make the city sanitary.
