HUNT, FOR VARSITY, BREAKS HURDLE TIME

University Students Easily Defeat Agricultural Field and Track Team.

Special to The Tribune. LOGAN, April 18.—The University of Utah defeated the Agricultural college in field and track sports here today by an overwhelming score. The Salt Lake students carried off first and second places in all the sprint events and went down the entire programme in about the same order. The mile and hammer throw were the only two events in which the college boys checked off owing to some misunderstanding, the judges finally allowing the university five points and the Aggies three points on the score.

In the league baseball game, the locals were defeated by a score of 11 to 2. Only two hits were made off Houston, one of which was for three sacks by Egbert, the first man at the bat. Several college errors helped the university score. Houston struck out twelve men while Morley got only four to bit.

The summaries for the day's events were as follows:

FITTING SPOKANE BALL TEAMS COST \$25,000

Special to The Tribune. SPOKANE, April 18.—One thousand and one hundred dollars was the cost of fitting the amateur baseball leagues in Spokane, thus establishing the greatest record ever made by any city in the Pacific Northwest. This means that nearly one percent of a population of 168,575 in this city will be benefited during the season of 1908. Fewer men than the solidity of the amateur ranks is shown by the fact that there is an agreement that the organization will be limited to the upper building of the sport. There are 77 teams of 12 players each, the age limit being 19 years. The teams are coached by the Jesuit fathers, heads the list with 17 teams, including 12 from the city, 12 from the suburbs, 12 from other colleges and the high school which have eight teams, while the National Amateur League has 12 teams. The outfitting and equipment for the players already signed cost more than \$25,000, in addition to the grounds.

Wefers May Train Kelly.

NEW YORK, April 18.—There is a persistent rumor in athletic circles that Dan Kelly, the former Oregon sprinter, has signed an application for athletic membership in the New York Athletic club. If Kelly should take this step, it will bring him under the wing of Bernie Wefers, holder of one of the records Kelly is supposed to have tied. It is no secret that Wefers does not believe that the Oregon sprinter ever ran 220 yards in 21 1/2. But it is now up to the Georgetown to do his best to fit Kelly to the track. No matter what Kelly does in the running line, he will prove himself a valuable man at Wefers' disposal. There is little doubt but that he is the greatest broad jumper on the continent.

AGGIES NO MATCH FOR VARSITY ATHLETES

GRANT PLAYS HORSE WITH B. Y. U. PLAYERS

Visitors Are Given a Severe Drubbing on Walker Field.

The B. Y. C. played out of luck in a league game with the J. D. S. U. Saturday afternoon on Walker's field, losing by a score of 16 to 5. The visitors had evidently misjudged the sprinting qualities of the home boys, for during the first inning, when opportunities came for putting men out on fielder's choice, the ball was handled so slowly that the base runners beat it out every time, and before the first home run was hit, the J. D. S. boys had picked up five runs. Johnson seemed too anxious to pitch, and soon wore himself out, while Grant pitched excellent ball throughout and so scattered his hits that they proved of little use to the B. Y. C. players. The visitors made their first score in the fifth inning, when Baxter put a safe hit over second base. Whitecotton reached first on an error by Snow, got to second on a throw from Snow, and reached home from a safe hit by Bowen inside of first base. The B. Y. C. made a sport in the last inning, scoring three runs on three hits after the first man grounded out from pitcher to first base.

A hailstorm began in the sixth inning, when the home team batted out two doubles and two singles for five runs, assisted by four errors, followed by a run in the next inning and were shut out in the eighth.

The line-up was as follows: B. Y. C. Mann, first; Johnson, second; Miller, third; Taylor, fourth; Chobles, fifth; Perry, sixth; Shelley, seventh; Snow, eighth; Whitcotton, ninth. Bert Margolis was referee.

REDMAN GETS BUSY AS TRACK MANAGER

Manager Redman of the Salt Palace snouterack, has been busy the past two weeks in signing up riders for his track, and says that he is satisfied with the work accomplished up to the present time. He says that there are about twenty men in training on the snouterack and all of them report that they are in fine shape and could ride on one day's notice if asked.

JACK O'KEEFE IS LUCKY TO STAY SIX ROUNDS

Jack O'Keefe was lucky to stay six rounds with Pete Sullivan, who is considered one of the best lightweight in the world. He is little known in the West among the fight promoters, but the boxers all know him and are trying hard to keep him down. O'Keefe is saying: "You can't keep a good man down." Sullivan is slowly but surely coming to the top of the ladder. He outboxed O'Keefe in Oakland last night in a six round fight, and he is clinching tactics to keep from taking the count. Had he stood up and boxed, Sullivan would easily have knocked him out, according to reports.

CHAPMAN WILL GIVE PRIZES TO ATHLETES

Manager Chapman of the Saltair snouterack, said that the steel uprights for the roof of the new track were started Saturday night and in another week a big showing would be made towards completing the Coliseum. It will be possible to seat 8000 people in the track and arena, the seats being so arranged that no one's view is obstructed.

Will Consider Teams.

The committee of the Salt Lake Amateur Athletic league met Saturday night at the Y. M. C. A. It was found that only four members had been elected on the committee and Dr. C. G. Plummer was last night elected as a fifth member. The committee will meet again next Saturday to consider applications. Secretary McKeezie says that there is room for one more good team, but it must be understood that the players are strictly amateurs. Action will be taken at Saturday's meeting on the number of teams to be allowed in the league, and a schedule will probably be made up.

Wefers May Train Kelly.

Stanford Prospects Get an Early Jolt.

STANFORD UNIVERSITY, Cal., April 18.—In a meet full of form reversals and surprises California won the intercollegiate contest from the Cardinal Athletes this afternoon by a score of 63 to 25 to 58 3/5. Not until Villars had secured second place in the broad jump was victory assured to the representatives of the State institution. The prospects of a Stanford victory were brightened early in the meet, when Reed, who was counted on as a winner in both sprints, injured the leg which has been bothering him of late, and was forced out of the race, giving first in the 100-yard to Stanton, the California captain. The quarter mile proved to be all that was expected, Stanton winning in 50.2, breaking the intercollegiate record by 3/5 of a second after a heart-breaking struggle with Brown, Stanford's phenomenal freshman runner. Brown retrieved himself in the half by winning from Dowd in 1:59, lowering the former record by 3/5 of a second. Bradford of Stanford broke the previous record of 4:32.2 in the mile by covering the distance in the remarkably fast time of 4:32.3. In this race De Mammill of California, barely noted as MacGregor for second place. The relay race was one of the most exciting events of the day, and resulted in the smashing of the former record by the Stanford team composed of Morris, Connan, Brown and Wyman, the time being 3:27.1. A new record of 25.3 was established in the 220-yard hurdles when Horton and John tied for first. The biggest surprise of the day came in the two-mile run in which Stanford had three entries with records of 10:12 or better, while California two-milers had never done better than 10:20. In spite of this Gaines of California won the annual track and field games of the athletic association received a telegram from the athletic authorities of Stanford university today, stating that ten or twelve athletes will be sent here to represent the Pacific coast school in the annual track and field games of the association June 6. The news was especially gratifying to the association managers who will now endeavor to persuade the University of Pennsylvania and Cornell universities to accept the invitations to compete, sent to them several days ago. The one-mile relay race is to be made a special feature of this year's contests and it is thought that the Eastern schools may decide to send their fast quartettes here for the event.

Stanford Undecided.

STANFORD UNIVERSITY, Cal., April 18.—The matter of sending a track team to Chicago is not yet decided. It will depend on the funds received and the condition of the men after the meet today, as well as the showing made. The outlook is not especially favorable as Reed's injury today may prevent him from competing again this year. The question will not be decided in a few days.
