HIGH SCHOOL WINS THE CHAMPIONSHIP

Play Uphill Game Against the Granite, Score Being 16 to 6 at One Time.

RED AND BLACK TAKES GAME LAST MINUTE

One of the Best Contests Ever Played on Cummings Field.

In the final and deciding game for the state high school championship, Friday afternoon, the Salt Lake high school defeated the Granite high school by a score of 17 to 16, in one of the most exciting and sensational football games of the season. The high school won in the last few seconds of play. Gallacher recovering a fumbled punt, ran for fifty yards for a touchdown, the entire Granite team chasing him, but the high school end was too speedy.

Looked Hopeless.

At one time during the game the score stood 16 to 6 in favor of Granite, but by almost superhuman efforts the high school boys rallied and scored two touchdowns, one of them coming in the last minute of play.

Streak of Luck.

The opening of the second half was a big disappointment to the high school, for after several minutes of play Hamilton placed the ball between the goal posts from a place kick, running up the score 16 to 6. This seemed to argue that Granite came back strong and rushed the ball down the field for the second touchdown, and the half ended with the score standing 12 to 6 in Granite's favor.

The Lineup.

High School	Granite
Wartman	Sutherland
Martineau	Nielson
Kozak	Wib
Ekstein	Park
Veates	Bird
Gallacher	Rymerson
Fitzpatrick	Loys
Wheeler	Ashton
Romney	Hamilton
Karrick	Lastrone

BOULDER AND UTAH WILL PLAY TODAY

Intermountain Football Championship Hangs in the Balance.

Never before in Utah's football history has so much interest been displayed in a gridiron contest as is being shown in the scheduled game Saturday afternoon at 3 o'clock on Cummings field, between teams representing the universities of Utah and Colorado. The teams have been rivals for years. Last year the Colorado aggregation was the only school that stood between Utah and an undisputed title to the Rocky Mountain championship.

NEW YORK, Nov. 13.—Patrick Powers, president of the Eastern league, who, with J. J. O'Brien, president of the American association, withdrew from the meeting of the National Association of Minor League clubs in Chicago, returned from the west today.

ANTI-GAMBLING LEAGUE GETS BUSY IN RENO

RENO, Nev., Nov. 13.—Following the report that California horse races might be moved to Nevada if horse racing is stamped out by the California legislature, J. E. Monroe, vice-president of the Reno Anti-Gambling league, today said that the league would present a petition to the coming state legislature asking that these California promoters be refused a franchise to carry on racing in this state.

COLUMBIA STUDENTS PETITION FOR GAME

NEW YORK, Nov. 13.—Students of Columbia university, who have never become fully reconciled to the abolishment of football at that institution, have been unable to stand the strain of the present season any longer. They have broken forth with an appeal to President Butler for "such a game" this fall. To sign their appeal the students point out that a deficit was incurred by the "various crew last year, and that without receipts from a football game this could be wiped out. Sixty undergraduates, who have played in the interclass games, have affixed their signatures to the following appeal:

"We, the undersigned, all having played in interclass football games, hold this fall do hereby petition to be allowed to play one football game with a small college, which may be decided on later.

"We petition this fall, because we, of our own accord, wish to play, and second, because we believe the receipts of the proposed game when played, will actually assist the rowing club to pay off their present indebtedness.

"We have no desire to precipitate a baseball game, in fact, I have heard no one say anything about war except a few who have been shooting bombs in the west for the last year or two. We are contending a situation in our league which must be met sooner or later, and when the proper time comes we shall show what that situation is.
