

HAD CATARRH THIRTY YEARS.

EX-Congressman Meekison Gives Praise To Pe-ru-na For His Relief From Catarrh.

EX-CONGRESSMAN MEEKISON COMMENDS PE-RU-NA.

"I have used several bottles of Peru-na and I feel greatly benefited thereby from my catarrh of the head. I feel encouraged to believe that if I use it a short time longer I will be fully able to eradicate the disease of thirty years' standing."—David Meekison.

OTHER REMARKABLE CASES.

Mr. Jacob L. Davis, Galena, Stone county, Mo., writes: "I have been in bad health thirty years, and after taking twelve bottles of your Peru-na I am cured." Mr. C. N. Peterson, 132 South Main St., Council Bluffs, Iowa, writes: "I cannot tell you how much good Peru-na has done me. Constant confinement in my store began to tell on my health, and I felt that I was gradually breaking down. I tried several remedies, but obtained no permanent relief until I took Peru-na. I felt better immediately, and five bottles restored me to complete health."

A SINCERE RECOMMENDATION.

Mr. D. C. Prosser, Bravo, Allegan Co., Mich., writes: "Two years ago I was badly afflicted with catarrh of the stomach. I had had a run of typhoid fever, was very debilitated. I could eat nothing without causing distress and sour stomach. Finally I came to the conclusion that I had catarrh of the stomach, and seeing Peru-na advertised, began to take it. It helped me soon, and after taking three or four bottles I was entirely cured of stomach trouble, and can now eat anything."

QUESTIONS AND ANSWERS

Garfield, Utah, March 25. Please answer your Sunday paper the following question: Is a man exempt from paying poll tax who has lost one eye? A READER.

Reed, Nev., March 22. Please answer in question and answer column where can I get any information concerning a petition with the government on the isthmus of Panama? I am not an engineer. A SUBSCRIBER.

Salt Lake, March 26. Will you kindly answer this question in your special column for such queries: At any time in the history of this country, was foreign exchange ever 100 per cent—that is, if one desired to send \$50 to an European country, it would necessarily cost \$100? By answering you will greatly oblige. AN OLD PATRON.

It was so during the war, counted from the basis of the legal tender currency; even more than that at one time when that currency fell below 50 cents on the dollar on the gold basis.

Salt Lake City, March 22. You were recently so kind as to answer a question that I asked concerning financial conditions in Cuba that I am presuming upon your good will again. Can you answer the following: Has the government any plan for taxing ships that pass through the Panama canal when it is completed? If so, will you kindly explain just what this plan is? Thanking you for your favor in answering before, I remain. A SUBSCRIBER.

There is no such plan at present, and probably will not be until the time approaches for the opening of the canal.

Knight, Wyo., March 3. Will you please answer in your questions and answers column if an author, Winston Churchill, is any relation to Lord Churchill of England? G. W. T.

He is not.

Tippett, Nev., March 19. Would you confer a favor through your columns in deciding the following: A board of county commissioners award a franchise to an individual for the purpose of building a road and a grade for a railroad, the right of way through a canyon through which passes a trail of convenience to the public.

The franchise conveys the right to the road builders to levy a toll for travel over and through this road.

The trail mentioned crosses the road in question.

(1) Does the franchise (in so far as the trail intercepts the road) or the public crossing the road in traveling the trail, or must toll be paid to the builder?

(2) Legally, can the commissioners confer the right to establish a toll on public domain in the sense herein stated?

(3) Legally, can public right of way be absorbed in and by private enterprise, and be employed by private enterprise as a means of revenue to itself against the use of that right of way by the public? WILL HILL, J. P.

Probably the franchise would be held good, for the absorption of public rights in private or corporate franchises is

PRISON DOORS OPEN FOR E. F. MARSHALL

Several Commutations and Parole Also Granted by Board of Pardons.

Although there were more than a dozen applications, but one pardon was granted by the state board of pardons at its regular monthly meeting at the state prison Saturday afternoon. The convict who was pardoned was E. F. Marshall, who was serving one year in the state prison for forgery. He was convicted in the Third District court and sentenced January 8, 1909.

Philip Veiser, convicted of forgery in the Fourth District court of Utah county and sentenced June 9, 1908, to fifteen months in the state prison, was granted a commutation of sentence. The board commuted the sentence of Robert W. Mallock, convicted of burglary in the second degree, in the Second District court of Weber county and sentenced to one year in the state prison, to expire March 29.

The sentence of A. Brown, serving two years in the state prison for burglary, was commuted to expire April 10 next. He was convicted in the Fifth District court of Box Elder county and sentenced July 6, 1908, to two years in the state prison.

The applications for pardon of W. D. Penlock, serving one year for burglary, and Lewis M. Lockhart, serving eighteen months for grand larceny, were denied. The application for pardon of Albert Whitaker, serving two years for assault with intent to commit murder, was continued six days. A parole was granted Leo Camp, convicted of a statutory crime, in the Second District court of Weber county and sentenced June 11, 1907, to three years in the state prison.

The following applications of sentence were denied: James O'Connell, serving three years for grand larceny; F. H. Stone, serving two years for burglary; Charles E. Davis, serving eighteen months for burglary; J. H. Winslow, serving six years for a statutory offense; A. R. Alston, serving three years for forgery.

NOTES OF "U"

At a meeting of the senior mining students, who are going to take the long trip through Colorado, Arizona and Nevada during the month of May, it was decided to charter a private car to live in during the entire journey. While the expense will be somewhat greater than if the regular cars were used, it is thought that the additional convenience and the saving of time will make the more costly plan worth while. The boys, who are to be accompanied by Professors G. A. Ovestrom and H. H. Bradford, will leave Salt Lake on May 1, in order to be able to make several stops before purchasing tickets in Denver or Colorado Springs for the remainder of the trip on May 6.

The associated student body at the University of Utah is in receipt of a letter from a student committee of Colorado college asking for information in regard to the student organization here. It seems that the Colorado Springs students are planning to organize, and they are getting pointers from the various schools in the country which already have organizations. President Joseph Barlow will attend to the matter of giving the desired information, and will do everything in his power to make the task of the Colorado people as light as possible.

General Secretary Dillon of the Y. M. C. A. work in Colorado has written to President Kingsbury asking that, if possible, delegates be sent from the University of Utah to a convention of college men which is to be held in Denver some time in May. The plan seems to be to promote Y. M. C. A. work among the undergraduates in the various intermountain colleges. Utah will not be represented, however, unless the convention happens to come while the senior engineers are in Denver, according to the decision of the president. If this

McDONALD'S SOLUBLE COCOA

"Best in the World"

Absolute purity, strength and delightful flavor make McDONALD'S SOLUBLE COCOA the ideal drink. Strongly nutritive and easily digested. Use half as much. Your Grocer Sells It.

When you buy chocolates say "McDonalds"—always

SMALLPOX AND SCARLET FEVER ON THE INCREASE

Both smallpox and scarlet fever show a decided increase in the weekly health report of the board of health. Smallpox jumped from 9 cases for the previous week to 20 for the week ending Saturday and scarlet fever from 20 for the week before to 26.

The report for the week ending Saturday shows 53 cases as against only 46 for the previous seven days, distributed as follows: Smallpox, 20; scarlet fever, 26; diphtheria, 5; measles, 1; whooping cough, 1.

Fifty-four houses are left under quarantine on account of scarlet fever, 10 on account of diphtheria and 50 on account of smallpox. Nine cases of smallpox remain at the isolation hospital, as against the same number for the previous week. Births again handsomely outnumbered deaths. There were 33 births, as compared to 29 deaths. Of the births 19 were boys and the same number girls; of the deaths, 15 were males and 14 females. Five bodies were shipped here for burial.

Free to All. It is a disease, not a habit, when any one is unable to control their water during the night or day. My harmless remedy will cure it. 25c pkg. free. C. H. Rowan, dept. 298, London, Canada.

NEW VOLUMES ADDED TO PUBLIC LIBRARY

The following fifty-three volumes will be added to the public library Monday morning, March 29, 1909: Miscellaneous—Commercial Club Traffic bureau, Salt Lake City, petition (reference); Dallenbaugh, A. Canyon Voyage; Dresser, Living by the Spirit; Duncan, Story of Minstrelsy; Harted, American Nation, 27 vol.; Hasell, Tasso; Judson, Road Preservation and Dust Prevention; King, Seeming Unreality of Spiritual Life; Lucas, ed., Ladies' Pageant; Mill, System of Logic; Comynre, Montague and Education of the Judgment; Scott, Texts of the Peace Conferences at the Hague, 1889 and 1907; Webster, Primitive Secret Societies. Fiction—Palmer, The Big Fellow; Roberts, David Bran; Sedwick, Amabel Channice; Woods, Sappho in Boston.

SOUVENIR BOOK FOR SALT LAKE FIREMEN

The Salt Lake fire department has made a contract with a number of local newspaper men for the compilation, publication and production of a souvenir book setting forth the history of the department from the "bucket brigade" days, when each of the old fire fighters was required to be equipped with a wooden pail and a suit of "duck" clothes, down to the present day, when the Zion fire department is recognized as one of the best in the country.

The boys say they are going to make a pretty book and the indications are that they will do so. The funds to be derived from the work, after the payment of necessary expenses, are to be turned into the firemen's fund and used, under the direction of Chief Glore, for the benefit of the men who fight the fires of Salt Lake City and

those who have fought them in days gone by.

Messrs. E. A. Phillips, H. G. Hite, C. H. Keith and John A. Salisbury are in charge of the work.

Vaccination to be Discussed.

The topic for discussion in the parents' classes of the Ensign stake this morning will be "vaccination." The public is invited to be present at these classes and take part in the discussions. The following local physicians will speak at the various schools: Eleventh ward, Dr. Middleton. Twelfth-Thirteenth ward, Dr. Hardington. Twenty-first ward, Dr. Hanson. Twenty-seventh ward, Dr. Allen. At the Twentieth ward State Superintendent A. C. Nelson will deliver an educational address, while Dean Lucy Van Cott speaks at the Eighteenth ward on the science of cooking.

As Advertised.

I purchased a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and found it to be all claimed for it in the advertisements. Three of the family have used it with good results in summer complaint.—H. E. Howe, publisher of the Press, Highland, Wis. For sale by all druggists.

Fine Clubhouse Burns.

NEWARK, N. J., March 27.—The Baltusol Golf clubhouse, three miles from Summit, burned to the ground early today, half a dozen club members and the servants escaping scantily clothed. The clubhouse was a two and a half-story building, costing about \$100,000.

A private safe may be rented in the fire and burglar-proof vaults of the Salt Lake Security and Trust company, 32-34 Main street, \$5.00 per year. Opening ball Saltair, Friday, April 2.
