

CONGREGATE AT SALT LAKE, ELECT OFFICERS AND HAVE A GOOD TIME.

JOSEPH C. SHARP IS ELECTED PRESIDENT

Butte, Mont., Is Selected by the Officers as Next Meeting Place.

The Officers. Joseph C. Sharp, Salt Lake county, president. George T. Judd, Utah county, secretary and treasurer.

One hundred sheriffs of the intermountain region met Wednesday afternoon on the stage of the hippodrome at Salt Lake, within 100 feet of the ring in which "Blood" Collins and "Cyclone" Johnny Thompson battled a few hours later.

The meeting was the annual session of the Intermountain Association of Sheriffs, comprising Utah, Idaho, Montana, Wyoming, Nevada, Washington and Oregon.

In the absence of C. W. Dyer of Twin Falls, Idaho, who was president of the association last year, the convention called the meeting to order.

Following the naming of committees, arrangements and order of business, the convention adjourned for thirty minutes to give the committee chairmen a chance to formulate their reports.

After the reading of reports had been discussed and adopted, with a few amplifications, the session was adjourned by Governor Spry, who presided over the session.

As the musical programme came to an end Governor Spry, who presided over the session, was greeted with applause.

"You talk even as if you were the law," declared Governor Spry, "and I'm for the sheriffs and the police officers. We can't get along without you."

Afterwards, Governor Spry and Chief Special Agent Jones and his deputies were made honorary members of the association.

Invited to Montana. Sheriff O'Rourke, of Silver Bow county, Montana, extended the invitation to a cordial invitation to meet at Butte next year and to have the convention there.

On the recommendation of the committee on order of business, the sheriffs of the several counties of the different states are to get together between now and this afternoon and pick out a vice president of the association from each state for the convention to vote on this afternoon.

It must not be understood from all this that pleasure is to have no place in the convention. The visiting peace officers are going to have a jolly good time. In fact, they began the good time Wednesday night.

The real round of togetherness will begin this morning at 10 o'clock, when the sheriffs of the Oregon Short Line depot here at 10:00 o'clock Friday morning will follow which they will be whirled up into Ogden canyon for a night of the canyon and the Hermitage. The special will go back to Salt Lake City early in the evening.

Any business left over will be attended to Saturday morning and the convention then will adjourn until next year.

WILLIAM ALLEN, A BYSTANDER ON COMMERCIAL STREET, RECEIVES THE WAYWARD BULLET.

SON OF HAM IS OVERPOWERED BY OFFICERS

Mexican Takes a Hand in Fight, and Negro Lands in Jail.

Shooting William Allen, a bystander, through the groin and threatening to kill all who approached, Frank Woods, a cocaine-crazed negro, was overpowered by Patrolmen Egbert and Carlsburg and Motorcycle Patrolman Grundvig in the American house Wednesday forenoon.

Woods began his wild cavorting in Matt Rump's saloon, on the corner of East First South and Commercial streets. Maddened by overeating a white man named Jack Johnson, didn't have a chance with Jeffrey Woods, who later ran out on Commercial street.

A Colored Mixup. M. J. Dickson, a clerk in the employment agency underneath Rump's saloon was writing on his board outside the saloon when he was accosted by the negro, Dickson said.

When Patrolman Egbert arrived at the entrance of the American house, he had gathered and one man volunteered to assist the policeman. As the two entered the house, a bystander, D. Ford, was heard to exclaim: "Citizen for helping the police."

With a string of oaths, Woods pressed his way into the policeman's abdomen and attempted to get the handgun from falling on Egbert's thumb as he snatched the weapon from Woods. In the confusion, the revolver was emptied and dropped to the floor.

When the policeman's gun was examined, it was found to be empty. The negro's revolver was not discharged. After the investigation, Detective Curran arrested D. Ford, a white man, who is charged with the murder of the negro.

Physicians and surgeons are under a good sign. Science should benefit, and persons dealing with legal problems, whether financial or otherwise, are likely to feel unusual powers of discernment.

Over the household the conditions favor making anything connected with ducks or geese. The time is propitious, under these signs, for engaging the services of men and women in any capacity.

'GIMLET' HAS SEVERAL DAYS IN WHICH TO FRAME REPLY TO CHARGES.

COURT IS FEARFUL OF RESULT UPON THE JURY

Limited Circulation of the Sheet Appears to Mitigate in Its Favor.

On account of the unusual publicity, which would be given the case, Judge T. D. Lewis, of the district court, and District Attorney Looftrover, Wednesday, decided that no further steps would be taken in the contempt proceedings against the Herald-Republican until after a jury is secured to try the Riley case.

The publication of the confession by the "Gimlet" on the morning of June 14, while an attempt was being made to secure a jury to try Riley was considered by Judge Lewis and District Attorney Looftrover as an act of contempt of court and he instructed the district attorney to prepare the necessary papers to file with the owners of the Herald-Republican into court.

To Prevent Publicity. This would have been done Wednesday had it not been for fear of additional publicity given the case by reason of the fact that the Herald-Republican would not doubt have made it harder to secure a jury, hence nothing will be done until after the jury is secured.

Eleven Are Examined. Eleven jurors were examined on Wednesday and the jury was selected. The jury was selected on Wednesday.
