## Everything Ready for Six-Day Race

### SIX-DAY RACE OPENS MONDAY

Prominent Bicycle Riders Will  
Contest in Long Grind to Be  
Held at Buffalo.

JACKIE CLARKE IS TEAMED  
WITH ERNIE PVE IN BATTLE

Keen Rivalry Resulting From  
Recent Affair at Madison  
Square Expected.

By Associated Press.  
BUFFALO, Jan. 7.—Everything is  
in readiness for the annual six-day  
bicycle race, which begins at the Broad-  
way arsenal Monday. Most of the  
country's prominent riders have been  
lined up by the management and a spir-  
ited grind is expected in view of the  
keen rivalry which has sprung up  
among the riders as a result of the sev-  
eral little unpleasantnesses following  
the New York race.

The official lineup of the teams for  
the six-day race was today announced  
as follows:  
Iver Lawson and Fred Hill.  
Eddie Klot and Joe Fogler.  
Alfred Kiebs and Floyd Thomas.  
Ernie Pve and Jackie Clarke.  
George Wiley and Worth Mitten.  
Floyd Krebs and Percy Lawrence.  
George Cameron and Gordon Walker.  
Frank Garvin and Oscar Schwab.  
Willie Fenn and Peter Brobach.  
Paddy Hehir and Alfred Goulette.

The bicycle carnival will be polished  
off with a ten-hour amateur race on  
the evening of January 15.  
Owing to the squabble which sprang  
out of the New York race, great things  
are expected when Clarke, Root, Fog-  
ler, Hehir and a few of the others again  
meet in a long grind.  
All the boys are in tiptop shape for  
the race. Iver Lawson of Salt Lake  
City stated today that he had driven  
away the "hoodoo" which has been  
pursuing him. He has trained faithfully  
and with the advantage of having as a  
partner Fred Hill, one of the gam-  
est and best riders in the country.  
Iver Lawson is figured as a one-two  
three choice.

### MOHLER WILL AGAIN CAPTAIN 'FRISCO TEAM

By Associated Press.  
SAN FRANCISCO, Jan. 7.—The first  
piece of good news Manager Danny Long  
passed out last night after returning from  
his trip through the land of sunshine and  
oranges was that he had signed Kid  
Moehler to the long haul. Moehler, his old  
captain was among the first to wish  
him a happy new year. After a pleasant  
chat Long began: "Well, do you want to  
go with me again next season?"  
Moehler blushed and after a slight hesi-  
tation remarked: "I hadn't thought of  
playing with any one else. There were  
times this season when things were not  
breaking right that I thought I would  
never handle a ball again, but they have  
been kind."

### DARTMOUTH FAVORS ANOTHER TRIAL FOR RULES

By Associated Press.  
NEW YORK, Jan. 7.—E. K. Hall,  
secretary of the intercollegiate associa-  
tion on football rules, has sent let-  
ters to the other thirteen members ask-  
ing them to select the most conven-  
ient time for the annual meeting, which  
will be held in this city the last week  
in January or the early part of Febru-  
ary. Mr. Hall of Dartmouth is in  
charge of giving the rules another sea-  
son's tryout.

### SERIES BETWEEN TORONTO AND LOUISVILLE PLANNED

By Associated Press.  
LOUISVILLE, Ky. Jan. 7.—Unless the  
present plans of Owner William Grayson  
of the colts go amiss the first series  
in several seasons between representa-  
tive teams of the American association  
and the Eastern league will be played  
next spring.  
Grayson has been in correspondence  
with President J. J. McCaffery of the  
Eastern league club, and has  
practically closed an engagement for a  
series of four games between the To-  
ronto club and the Louisville team at  
Cottage park here April 6, 7, 8 and 9.  
Four games, he thinks, will provide a  
pretty fair test of the playing strength  
of the two aggregations, and as Joe  
Lundy is assembling some of the most  
played players in the country for his  
club, local fans anticipate some  
warm doings when they clash.

FRANK GOTCH COMES  
OUT OF RETIREMENT

Positively Announced That He  
Will Be Seen on the Mat  
Once More.

By Associated Press.  
CHICAGO, Jan. 7.—Champion Frank  
Gotch has come out of retirement, and  
this time the news is official. There are  
no strings attached to the statement, and  
the Humboldt grappler will be seen in  
the ring with Zbyzsko, Mahmout and  
Hackenschmidt before the winter is over.  
It was not Gotch's influence or his ef-  
fort that lifted the ban that had the  
champion tied to retirement, but to  
H. Herk, manager of the Empire theater  
and treasurer of the Empire Athletic club,  
belongs the credit.

Wrestling fans throughout the country  
who delight in watching Gotch perform  
can give one big vote of thanks to the  
official of the Empire club.

By Associated Press.  
LOS ANGELES, Cal. Jan. 7.—At the  
second outlaw meeting at Ascot Park to-  
day Barney Oldfield, driving his Blitzen  
Benz, broke the Pacific coast one-mile  
track record, covering the distance in  
51.1-5 seconds. James J. Jeffries acted as  
Oldfield's mechanic.

There was a large crowd in attendance  
and many cars competed in the eight  
events. A feature of the meeting was  
the appearance of Jimmy Ryall, the cast-  
iron pilot, who thereby renounces his al-  
legiance to the American Automobile as-  
sociation Ryall won two events.  
Ed Malar, former official referee in  
this territory, for the American Auto-  
mobile association, and many other  
prominent automobilists formerly identi-  
fied with the association, officiated at the  
meet.

"VIC" WILLIS IS AWARDED  
TO CHICAGO NATIONALS

By Associated Press.  
CHICAGO, Jan. 7.—Pitcher "Vic"  
Willis of the St. Louis Nationals has  
been awarded to the Chicago Nationals.  
Word was received from President  
Lynch of the National league yester-  
day that the Chicago club had won  
Willis away from Cincinnati by lot.  
Manager Griffith of the Cincinnati  
baseball club refused to lay claim to  
the veteran pitcher when the St. Louis  
club sought to dispose of his services  
to the Baltimore Eastern league.  
Knowing that Manager Chance thought  
well of Willis, President Murphy of  
the Chicago Nationals also interposed  
a claim for him. That made it neces-  
sary to draw lots, and the luck of the  
draw was with Chicago.  
The pitcher was obtained by Chicago  
at the waiver price of \$1500.

BILL DAHLEN LEAVES FOR  
HIS TRAINING QUARTERS

By Associated Press.  
NEW YORK, Jan. 7.—"Bill" Dahlen,  
manager of the Brooklyn club, has  
been the first major league manager to  
leave for spring training quarters. He  
will leave for Hot Springs, Ark., on  
February 1. Pitchers George Bell and  
Nap Rucker will be on hand to meet  
him when he arrives and will begin  
work at once.  
The Brooklyn manager does not in-  
tend to play any ball himself, but be-  
lieves in setting a good example by de-  
voting himself to hard work at Ar-  
kansas' famous health resort. Later in  
February the other Brooklyn players  
will report to Dahlen at the springs.

Will Keep on Fighting.  
NEW YORK, Jan. 7.—It doesn't look  
as if racing men intend to give up the  
fight against the race track laws. The  
Jockey club is going to move from the  
Windsor Arcade building on Fifth ave-  
nue, which it has occupied for years.  
It has leased the entire fifth floor at  
6 and 8 East Forty-sixth street for a  
term of ten years. The Jockey club of-  
fices, as well as those of the National  
Hunt and Steeplechase association, the  
Waltchester, Saratoga and Coney Island  
associations will share the new quar-  
ters.

an Extended Absence

### BILLY PIERCE OF BOSTON WILL MANAGE JOHNSON

By Associated Press.  
BOSTON, Mass. Jan. 7.—Billy  
Pierce, matchmaker and director of the  
Armory A. A. of this city, has decided  
to sever his connection with that or-  
ganization within the next two months.  
It became known yesterday that he  
has other and more important plans,  
and about March 1 will in all proba-  
bility be on his way to England with  
Jack Johnson. Johnson for more than  
a year has been negotiating with Pierce  
to handle his business affairs, but  
Billy has been reluctant to do so.  
Johnson, despite the unwilling attitude  
of Billy Pierce to direct the pugilistic  
destinies of the champion, has been  
persistent in his efforts to have Pierce  
handle his affairs.  
If present negotiations are com-  
pleted I will sail for the other side  
about March 15, at any rate not later  
than March 15," said Pierce yester-  
day. "I have had a long, strenuous  
series of work and feel that I am en-  
titled to a rest.  
The proposition to manage Jack  
Johnson has been put up to me a num-  
ber of times, and I will accept it upon  
my own terms or not at all.  
I shall offer my interest in the  
Armory A. A. to the other directors,  
and if they do not see fit to purchase  
I will dispose of my holdings wherever  
I can to the best advantage."

### STICKERS CLUB BEATS BURLINGTON SECOND TEAM

In an exceedingly fast game of basket-  
ball the Y. M. C. A. Stickers club de-  
feated the Burlington second team at  
the new Burlington gymnasium Saturday  
evening by the score of 25 to 15.  
The Stickers team showed good form  
throughout the contest, bewildering their  
opponents at times with fast work and  
passing. The team work of Anshorman,  
Catto and Halton was excellent.

### Says Football Game Is Prize Fight Multiplied by Eleven

By Associated Press.  
NEW YORK, Jan. 7.—In a review  
of the football season of 1910, prepared  
for the New York medical society, Dr.  
M. J. Curman of this city declares  
that the "family tree of college ath-  
letics would be greatly benefited by the  
lopping off of one 'distorted and un-  
healthy branch, football."  
He finds that despite the vaunted  
new rules, there were nineteen deaths  
and 400 injuries during the last year,  
while "almost every man who played  
is physically weaker for the severe  
stress of the game."  
Dr. Curman advocates the adoption  
of sports which have less of violent  
exercise in them for a few picked men,  
but abundant exercise for all students  
of a college or university. He con-  
tinues:  
"Since 1905 there have been 113  
deaths from football and 900 serious  
injuries. What possible argument  
could be advanced in favor of football  
to offset these gruesome figures?  
"After all the attraction for foot-  
ball is exactly the same as that which  
the ancients had for the gladiatorial  
contests and which the Spaniards have  
for the bull fight. A football game is  
merely a prize fight multiplied by  
eleven.  
"There is tremendous fatigue con-  
nected with the playing of the game,  
and the severe physical strain de-  
velops various forms of disease. After  
the season is over, the hearts of the  
players, I find, having no longer such  
a severe stress upon them, undergo  
changes accompanied by fatty degener-  
ation in regard to the most heated part  
be advanced against several other  
sports, it pre-eminently applies to foot-  
ball."

### DISAGREES WITH MOTHER OVER HIS WHITE WIFE

By Associated Press.  
CHICAGO, Jan. 7.—The calm  
and serenity about the home of Champion  
Jack Johnson at 3341 Wabash avenue  
was unceremoniously blown up last  
week when the pugilist packed bag-  
and baggage and departed for parts  
unknown. The deserting act on the  
part of the heavy weight title holder  
followed a disagreement with his  
mother over his alleged white wife,  
Ella Duray, late of New York.  
Both grief and mystery shrouded  
the atmosphere at the home, and the  
report was given out by Jack's sister,  
Lucy, that the fighter had left the  
place for all time. The champion's  
devotion to the woman who is said to  
be his wife caused him to desert his  
aged mother and sisters.  
Following the tangled affairs which  
resulted from the close friendship of  
the champion and the champion's wife,  
Mrs. Tiny Johnson has thrown down  
the gauntlet to her son.  
Johnson refused to consent to his  
mother's wishes and immediately  
packed his grips, saying that the re-  
mainder of his belongings would be  
sent for. Just where the champion  
went is a mystery.  
The chauffeur over whom the entire  
fight started is resting in jail. He is  
being detained there as a result of  
an alleged threat on the life of his  
former employer and also for a "beat-  
ing up" which he administered to  
Johnson's wife in the absence of the  
champion. It was the outcome of his  
fight with Jack's wife to the hospital.  
It was said at the home that there  
had been little argument during the  
course of the mixup, but that Johnson  
simply deserted the place with but few  
words, and will now live separate with  
his wife. The home which he left  
belongs to Johnson, and, with the fur-  
nishings, is estimated at about \$10,000.

### Here After Title. By Associated Press. NEW YORK, Jan. 7.—On board the steamship "Corona" which arrived yesterday at quarantine from Liver- pool was "Digger" Stanley, the Eng- lish pugilist, who comes to this coun- try in quest of the bantamweight championship of the world. His first fight will be a ten-round with Frankie Day Smith, an Irish fighter, to be held here January 20.

### OLDFIELD BREAKS ONE-MILE RECORD

### BILL DAHLEN LEAVES FOR HIS TRAINING QUARTERS

By Associated Press.  
NEW YORK, Jan. 7.—"Bill" Dahlen,  
manager of the Brooklyn club, has  
been the first major league manager to  
leave for spring training quarters. He  
will leave for Hot Springs, Ark., on  
February 1. Pitchers George Bell and

### 'JEFF' DRUGGED, SAYS OLDFIELD

Champion Auto Racer Declares  
Big Jim Was Not Troubled  
by Nervousness.

REFUSES TO GIVE WORLD  
ALL OF INFORMATION

Defeated Heavy-Weight Says  
Facts Will Be Known in  
Year or Two.

By Associated Press.  
LOS ANGELES, Cal. Jan. 7.—That  
James J. Jeffries entered the ring with  
Jack Johnson at Reno, July 4, a drugged  
man, and not a man suffering from  
nervous collapse, is the pith of a signed  
article by Barney Oldfield, which will be  
published here tomorrow, and which has  
been authorized by the defeated cham-  
pion.  
According to Oldfield, Jeffries took him  
into his confidence during a recent  
hunting trip in the Sierras.  
"Oldfield's statement is in part as fol-  
lows:  
"Mental or nervous collapse, Jeffries  
explained, would not have affected him  
physically for weeks after the fight. The  
poison which was given him affected his  
stomach principally, and afterward and for  
a month he could scarcely retain solid  
food. His favorite dishes did not pos-  
sess any charm of taste and his whole  
body seemed as if stricken with rheuma-  
tism.

Begin to Recover.  
"When he began to get over the ef-  
fects of the drug, he felt like a conva-  
lescent from a spell of typhoid fever. He  
was positive he was no temporary mental  
or nervous trouble. I begged him to let  
me give to the world the information he  
possessed, but he refused, saying in prob-  
able rather he it come out from an-  
other source. He is firm in the belief  
that the details will all come out within  
a year or so.

Jeffries pledged me to secrecy about  
the details of the treachery and what  
he had been able to learn. He told me  
I was the only man who knew as much  
as he told me. I promised to aid him  
in getting himself out of the predicament  
in which he was. Jeffries's story to me ab-  
solved the members of his training camp  
from any blame—that much I must say  
in justice to the men who helped him  
with all their hearts.

Begin to Marvel.  
"It was after Jeffries told me his story  
that I began to marvel at his present  
physical condition. For the ten days  
we were in the mountains he performed  
stunts in endurance that I did not think  
possible for any man. Never once did  
he falter or refuse to accept any chal-  
lenge that opportunity to scale different  
peaks offered. To any man who has  
ever had a bit of experience in profes-  
sional athletics or possesses a whiff of  
knowledge gleaned around training  
camps, Jeffries's condition as he proved  
it day after day must come as a revela-  
tion."

### BILLY PAPKE'S DEFEAT WAS DUE TO ILLNESS

By Associated Press.  
SAN FRANCISCO, Jan. 7.—That  
Billy Papke was suffering from yellow  
jaundice on the day when he lost on a  
foul to Dave Smith in Australia is  
the information brought here yesterday  
by Rudolph ("Boer") Unholz, who ar-  
rived on the steamer Anzani after two  
years spent in the antipodes.  
Unholz left shortly before the match  
took place. Papke had already had to  
obtain a postponement and was still  
sick a few days before the fight.  
"He must have been pretty bad to  
have lost to Dave Smith," said Un-  
holz. "The latter is a young fellow  
and looks to have a good future, but  
he hasn't been long in the game."

### CAPITAL HANDICAP WON BY FAVORITE IN HARD RACE

JACKSONVILLE, Fla., Jan. 7.—The  
Capital handicap, worth \$1500, at Mon-

a neck. The credit:  
White Wool finished the surprise by  
defeating T. M. Green, the odds-on fa-  
vorite, in the third race, with the liberal  
price of 12 to 1 quoted against him. Only
