Great Clearance Sale Begins Monday

The Walker Store Will Show What It Can do in VALUES

OUR GREAT PROBLEM in connection with Monday news has been how to tell it all fairly in the limit of this page—and we must admit that we haven't solved the problem.

Yet the contents of this page partly makes up, we believe, the best single offering in the way of low prices on good and wanted merchandise that was ever made by this store on a single day.

The Walker store is showing what it can do in the way of making the wise spending of money really a saving of money. It is giving concrete proof of the pretty widely known fact that very often THE GREATEST ECONOMIES ARE THOSE OFFERED BY THIS STORE.

We commend all of this big advertisement to your careful reading, urging you at the same time to remember that every single statement has been weighed, is conservative and at least as moderate as the fact.
