RACE OF SUFFRAGIST BEING INVESTIGATED

Jockey C. Burlingame Suspended for Five Days for Rough Riding.

SHADRACH'S TIME FAST

Texas Colt Runs the Fastest Sprint of Season Over Three-Furlong Course.

Special to The Tribune.

EL PASO, Tex., Jan. 10.—Helen Barbee and Milton Street, both from the stable of R. J. Mackenzie, were the only winning favorites at the Juarez course today.

No less than thirteen maiden two-year-olds ran in the kindergarten scramble today and the winner turned up in Shadrach, a Texas-bred colt by Adkins, out of Omar Wood, owned by E. S. Wood.

The favorite, Dick Dodie, a son of Abe Frank, finished second, and Manganesa, by Lathro, ran third.

The winner ran the fastest three furlongs so far this season. In his only other start he ran second to Barney on January 5. C. Burlingame was suspended five days by the stewards for rough riding on Tallow Dip in the third race.

The stewards ordered Suffragist, the winner of the fifth race, turned over to veterinarians to examine after he cooled out. Suffragist's appearance as he came out the track suggested dops. A decision in the case will be rendered when the stewards receive the veterinarians' report tomorrow. J. Masterson is at present the owner and trainer of the son of Imp-Voter. Summary:

First race, three furlongs—Shadrach, 1:12 (Steele), 2 to 1, won; Dick Dodie, 1:12 (Gross), 9 to 5, second; Manganesa, 1:12 (Molesworth), 10 to 1, third. Time, 1:34 4-5.

Third race, six furlongs—Miss Jean, 1:05 (Hoffman), 2 to 1, won; Balronia, 1:05 (Hill), 7 to 2, second; Orba Smile, 1:05 (Cavanaugh), 11 to 5, third. Time, 1:14 2-5.

Sixth race, mile and one-sixteenth—Milton Street, 1:15 (Lottus), 13 to 10, won; Puck, 1:08 (Buxton), 13 to 5, second; Balchiff, 1:12 (Cavanaugh), 9 to 2, third. Time, 1:47 2-5.

Luther McCarty Arrives In Zion at Noon Today

Champion of White Heavyweights Will Stop Over Here on Way to Theatrical Engagement in Denver.

By International News Service.

LOS ANGELES, Jan. 10.—Accompanied by Manager Billy McCarty and "Young Al Kaufman," Heavyweight Champion Pugilist Luther McCarty boarded an observation car on the Salt Lake Route at 10:30 this morning and began a three months' tour of the country to give the hero worshiping populace a chance to gaze upon the comely features of the best heavyweight out of captivity.

A crowd of 300 admirers were at the station to bid the big fellow good-bye and good luck. Before McCarty returns to Los Angeles he will probably have had a couple of fights on his hands. He makes his initial bow to the Denver sports next Monday night in his first experience before the footlights.

A quick jump to Kansas City will be followed by big doings at Springfield, Mo., his home town. After a few stops in the middle west the championship party will hurry on to New York, arriving at the big town about February 1.

Fighter and manager were in rare humor at the train. "We came to town quietly, unknown and broke," said Manager McCarty. "Today we leave it with a world's championship and a bank roll that would choke a rhinoceros. We are glad we came, sorry to leave and hope to get back soon."

Promoter McCarty this morning received a telegram from Joe Lery, manager of Joe Rivers, accepting the match with Knockout Brown at Vernon on Washington's birthday. Manager Morgan has already accepted for Brown. The battle will be the regulation twenty-round affair. Brown and Rivers will be here about February 1. The castles will train at Doyle's camp, while Rivers will use his old quarters at Venice.

SCHOOL RIFLE TEAM IS AFTER U. S. TITLE

Youngsters Defeat Veterans and Stand Good Show for National Honors.

The public high school championship tournament of the National Rifle Association of America is on and the Salt Lake high school has a good chance for the title.

Last year Zion finished in fifth place, but two of the last matches were awarded on default because of delay in transit, although in both cases the Salt Lakers outshot their opponents. This season the youngsters are in fine form. In a recent meet for the city title they averaged 940 points for a five-man team, or eighteen points higher than the highest mark of last winter.

The national league is in two divisions of ten teams each, the winners of each set to meet for the title. All scores are made under the supervision of N. R. A. officers and the targets are mailed to Washington, D. C., for official count. A ten-man team shoots in each meet, but only the five high scores are counted. Salt Lake is scheduled to shoot against the following teams: "Tech," District of Columbia, January 11; Susquehanna, Pa., January 18; Sault Ste. Marie, Mich., January 25; Business high, Washington, D. C., February 15; Springfield, Mass., February 22; Portland, Me., and "Tech," St. Louis, March 1; Utica, N. Y., and Tucson, Ariz., March 8.

The high school rifle team won from the Salt Lake Rifle club last night at the high school range. It was the second of a series of contests to decide the city rifle championship. The school team won the first match two weeks ago by a fair margin, but last night it had a hundred-point margin.

The purpose of the shoot was the showing of McFarlane and Barrette, who were expected to pull down their team average, but who outshot the best men on the range. The next meet will be Friday, January 24, at the same range. The individual and team scores follow:

EL PASO, Tex., Jan. 10.—Efforts are being made to show the Madero administration through Pedro Lascurain just how serious are conditions in northern Mexico, especially to foreign investors.

The Mexican minister's foreign relations here today conferred with various American railroad, mining and ranch owners of the troubled district below Juarez. It is said also that some effort was made to show the Mexican minister how helpful to the interests of the Mexican government has been the cordon of United States troops retained along the frontier since the beginning of the first revolt against the Madero administration.

Mr. Griscom had conferred with the military authorities at Fort Bliss regarding Mexican conditions.

COUNSEL FOR ALLENS ASK FOR REHEARING

RICHMOND, Va., Jan. 10.—A petition for a rehearing by the county court of Wytheville, Va., was filed today in the court of appeals of Virginia by the counsel of Floyd and Claude Allen, sentenced to be electrocuted January 18, for the murder of official of the Hillsville. The petition was based on affidavits of Alpha Thomas, who states that Sheriff Foster of Hillsville, had asked him to kill Floyd Allen, and of G. W. McMillan, who states that Foster told him he expected to be hanged, and Sidney Allen. Other affidavits state that there was bad blood between the court and the Allens.

The court of appeals refused to hear oral argument.

Varsity Freshmen DEFEAT THE L. D. S.

The L. D. S. basketball team, last year's division champions, was defeated in a closely contested game yesterday by the university freshmen.

The freshmen quintette is composed for the most part of stars of last year's high school teams. During the first half it was not apparent which team was the stronger. Early in the second half the freshmen gained a big lead. Towards the end the Saints cut it down some, but were unable to overcome it.

For the L. D. S. Williams at forward and Clarke at guard played splendid ball. Clark at forward, McIntyre at center and Alred at guard were the best men for the freshmen. The lineup:

Varsity Basketball MEN DISPLAY CLASS

The university basketball quintette made their initial appearance in competition yesterday when they met the Salt Lake high school in the university gymnasium. The varsity men showed amazing speed. A cheer arose from the few high school rooters when on the second pass after the first jump Ward made a pretty shot and landed a basket.

This was followed very soon by another basket by Ward before the varsity had scored, and it looked as though Utah was pretty slow.

Soon, though, the varsity fellows got working and at the end of an hour's work Bennion's crew had succeeded in running up over 100 points, while high school had failed to pass the 15 mark.

The team work of the varsity was superb and the manner in which Bennion and Ott Romney threw baskets from the field was spectacular.

For the high school, Captain Ward was the best man. He played forward and when given anything like a chance took advantage of it. Sidorov at guard also played a good game for the Red and Black.

Ten Rounds to Draw.

LANSING, Mich., Jan. 10.—Jimmy Martin of Philadelphia and Art Ullinger of Milwaukee fought a ten-round draw before the Lansing Athletic club tonight.

Challenges 122 Pounds.

On behalf of Arthur McKim of Phoenix, Ariz., Charles Cheetham yesterday issued a challenge to any 122-pound boxer in Utah for any number of rounds.

STINGINESS OF BALL CLUB IS DENOUNCED

National Commission Will Provide Uniform Contracts to Insure Square Deals.

CINCINNATI, Jan. 10.—In reversing a decision of the National Board of Minor League here today the national baseball commission gave notice that at its annual meeting in Chicago next Thursday it would advocate the adoption of a uniform contract for both major and minor leagues.

The case today was an appeal by Player Manning from a decision of the national board. The latter had refused his claim for salary against the York, Pa., club of the Tri-State league from June 1 to the end of the Tri-State season. Manning was injured in a championship game, and after coming from the hospital, was suspended by the York club for disability.

A stipulation in his contract was that the club was bound only to pay him for one month following his release from the hospital.

The commission held that in case the club did not release the player outright at the expiration of a month it would be forced to pay him the salary, as it was against the letter and spirit of the national agreement to suspend a player for disability when that disability was sustained on the ball field.

Player Manning was declared a free agent unless the York club pays the player his demands within ten days.

The commission stated that uniform contracts alone would eliminate this evil.

INGERSOLL EASILY OUTCLASES BRAY

EUREKA, Jan. 10.—Before a crowd of 1000 fans, Barlow Bray, the local pugilist, suffered a crushing defeat at the hands of Ross Ingersoll, in the Odd Fellows hall tonight. Bray went down for the count under a right to the jaw, after less than two minutes' fighting.

Notwithstanding the shortness of the contest, the crowd seemed well satisfied and no complaint was heard. When the two men entered the ring it was apparent that Bray was outclassed. After sparring for little more than a minute, Ingersoll landed a vicious right on Bray's jaw, sending the local man down for the count. Each man weighed about 165 pounds, and was warned repeatedly.
