

CLEVELAND RAILROAD OFFICIAL A VISITOR

M. Duncan Sees Sights of
Salt Lake City; Has Praise
for D. & R. G. Road.

M. Duncan, receiver for the
Cleveland & Lake Erie railroad, with
quarters in Cleveland, O., accom-
panied by his wife and a few friends,
arrived in Salt Lake yesterday on their
trip to the Pacific coast. The party,
including Mr. Duncan's private car,
arrived in this city Tuesday
morning over the Denver & Rio Grande
road.

Mr. Duncan remained here until 3:45 o'clock
yesterday afternoon. The visitor spent
the day over the Oregon Short Line to
Salt Lake City, and from there took the South-
west Pacific for San Francisco. Mr.
Duncan, C. E. Sanders, attorney
for the Cleveland & Lake Erie, and
a number of other visitors, were
seen in his private car yesterday
morning Mr. Duncan said:

"We are on a vacation and expect
to be absent from Cleveland about
two weeks. So far we have had a
very pleasant trip. The scenery is
wonderful. I was greatly surprised at
the smoothness of the road. The
Golden State line has two good
trains. I have seen B. F. Bush
and E. L. Brown. They are going
to make a road out of the Denver
& Rio Grande that will be a credit
to the country. I have known Mr.
Bush for years and know him to be
a practical and one of the most ca-
pable railroad men in the country.
I have seen him here and he is
very busy and has seen some of
the important places of interest
at points out to tourists. They
have just completed a hotel
at Cleveland, which we are
going to see. It is a fine place
and I am much pleased with what I
have seen in Salt Lake City.
We are going to San Francisco
and then down the coast to San
Diego and Los Angeles. We will
go over the Sunset route by way
of New Orleans."

HARRIMAN AND UTAH.

Attention Made to Hang Railroad Mag-
istrate's Picture in State Capitol.

Railway and Marine News of Jan-
uary 22 contains an interesting article
on the subject of the hanging of
the picture of E. H. Harriman in
the Utah and Salt Lake City. It
is stated that the Harriman for-
mation has been placed in the cap-
itol building and suggested that it
be placed in the capitol building.
The article states that the picture
of Mr. Harriman was hung in the
capitol building.

SAFETY FIRST MEETINGS.

Light and Oregon Short Line Com-
mittees Have Short Sessions.

Safety first meetings were held
yesterday afternoon by the com-
mittees of the Oregon Short Line
and the Utah Light & Traction com-
panies. The meetings were held in
the committee rooms in the Harri-
man building and discussed the
subject of safety first. The com-
mittees of the two companies are
composed of representatives of the
two companies and are charged with
the duty of improving the safety
of the railroads. The meetings were
held in the committee rooms in the
Harman building.

REMOVING THE SNOW.

General Manager of Oregon
Short Line to Supervise Work.

Manion, assistant general man-
ager of the Oregon Short Line, went
last night on the Butte-Portland
train to take direct charge of the op-
eration of the line. The snow in the
upper Snake river valley has
always required much attention
and this year there is an unusually
early start in the Teton basin.
Leaving last night Mr. Manion
received a report tonight that snow

ONLY "CASCARETS" IF CONSTIPATED

Salts, Calomel and Cathar-
tic Pills Act on Bowels as
Pepper Acts in Nostrils.

Take a Cascaret tonight and thor-
oughly cleanse your Liver, Stomach
and Bowels, and you will surely feel
great by morning. You men and
women who have headaches, coated
tongue, can't sleep, are bilious, ner-
vous and upset, bothered with a sick,
gassy, disordered stomach, or have
backache and feel all worn out.

Are you keeping your bowels clean
with Cascarets—or merely forcing a
passageway every few days with
salts, cathartic pills or castor oil?
This is important.

Cascarets immediately cleanse and
regulate the stomach, remove the
sour, undigested and fermenting food
and foul gases; take the excess bile
from the liver and carry off the con-
stipated waste matter and poison
from the intestines and bowels.

Remember, a Cascaret tonight will
straighten you out by morning. A
10-cent box from your druggist means
healthy bowel action; a clear head
and cheerfulness for months. Don't
forget the children. (Advertisement.)

at Drummond on the Teton branch of
the road was twenty feet deep. The ro-
tary will cut through it, but the work is
slow, and it will take a long time to
do it. Today, the boys tell
me, they worked three hours on less
than a mile. All the rest of the line
are clear and today I had the big new
rotary taken to Ashton from the Wood
River branch to help clear the last of
the winter line. I had the big new
entire branch line opened up tomor-
row."

Excursion to Logan.
An excursion to Logan will be offered
by the Oregon Short Line February 1
for the benefit of those who wish to at-
tend the farmers' roundup to be held in
that city the first week of February. The
excursion is to be given at the request
of the Utah Power & Light company.

Melvin Is Visitor.
C. A. Melvin, traveling passenger agent
for the Nickel Plate lines, with head-
quarters in Denver, was a visitor in Salt
Lake City yesterday.

Railroad Notes.
R. W. Flannery, commercial agent for
the Denver & Rio Grande, went to St.
Mark's hospital yesterday where he will
submit to a minor operation.

AMUSEMENTS

ORPHEUM—Advanced vaudeville.
Performance every afternoon and
evening.

COLONIAL—William J. Kelly and
associated players in "The Fortune
Hunter," all week. Matinee Satur-
day.

EMPERESS—Vaudeville. Matinee ev-
ery afternoon and two perfor-
mances at night.

GARRICK—"Salt Lake to Paris,"
musical comedy, one week. Will
change on Saturday. Matinees
Wednesday, Saturday and Sun-
day.

LOTTE WILLIAMS, in the one-act
playlet, "On Stoney Ground," made a
decided hit at the Empress in the bill
that opened there yesterday afternoon.
Her mastery of slang is perfect, her
vocabulary seemingly without limit. And
she does good acting. Her part is fast
from start to finish and all the way
through she seems peculiarly fitted for it.
The tension of the audience when she
meets and recognizes her sister, who has
been raised far above her station, is car-
ried to the extreme.

Never did a dancier pair amuse the-
atgoers of this city than Queen Mab
and Casper Wells. Their appearance on
the stage in full dress brought generous
applause and each act was well received.
The pretty little country-tenor singer,
songs and dances and bright vivacious
manner won the heart of everyone pres-
ent, and her co-worker made up for any
deficiency in stage by his clever jokes and
dances. The part is closed with a lively
step-dance in which both take part.

Will and Claude, the country-tenor singer,
is an old favorite. His work seems bet-
ter than ever before and the varied songs
he sings please all. Selections that made
hits in the old days and such modern
songs as "Garland of Old-fashioned
Roses" are delivered in a happy manner
and meet with the approval of all pres-
ent.

Kind, who has been termed "Europe's
reigning sensation," was unable to put
on his entire act yesterday afternoon. On
account of an accident he could not carry
out some of his most difficult dances but
he gave his latest sensation, "The But-
terfly." Wearing a woman's evening dress,
the actor tripped lightly about the stage
and, when he removed his wig before
leaving the expressions of surprise at the
discovery that he is really a man were
numerous among the spectators.

The gymnastic feats performed by the
three Gerts during the few minutes they
were on the stage were difficult and grace-
fully carried out to the delight of all. The
strength and skill displayed by the actors
is much above the ordinary.

Carlton Max, the ventriloquist, and
Camille, Cameron, soprano, furnished
many laughs and their duet was good.
The show closed with motion pictures on
current events.

The present bill will be at the Empress
each afternoon and evening until Wed-
nesday of next week.

The following theater notices are
marked "advertisement" in order to
comply with a strict interpretation of
the new federal newspaper law. In
no sense are they the editor's adver-
tisements. They are items furnished by
the press agents of the various
theaters.

In presenting "The Girl From Tokio"
the management of the Salt Lake theater
has made a splendid selection. It is
a laughable farce that contains some
complications and numerous funny sit-
uations that evoke continuous laughter.
It is said that the production will stand
comparison with the best of the kind.
The principals are well selected and
make the most of every opportunity
offered for masterpieces of literature
purely legitimate lines. "The Girl From
Tokio" will be presented at the Salt
Lake theater for two nights and a matinee,
commencing tomorrow night.

The exquisitely beautiful production of
Maeterlinck's "The Blue Bird" from the
New York city, is to be
the Salt Lake theater attraction the first
half of next week. Seats go on sale to-
morrow. This piece has enjoyed extraor-
dinary popularity everywhere and the re-
cent engagements in San Francisco and
Los Angeles are ones long to be remem-
bered. The production itself is a
masterpiece of the art of the stage. It
is the same that was seen in New York
a little more than a year ago. In antici-
pation of the coming of the new produc-
tion of the year Manager George D.
Payer has made many changes back of
stage; in fact, the structural changes
are as great as for "Ben Hur" and the
use of mechanics, extra hands and nu-
merous is equally large. No effort is
being spared to give Salt Lake City the
best presentation that so delirious
New York, Chicago and San Francisco.
Only four local performances of "The
Blue Bird" are announced, including
Monday, Tuesday and Wednesday nights
and a special matinee Wednesday.

Interest is again centered on Friday
night at the Garrick and it is expected
that this Friday night will far surpass
the last for interesting and entertaining
specialties by the other girls of the
Allen Curtis Frolics company. This week
has seen the merriest and the biggest
crowds since the opening of the house
and a season of high-class musical com-
edy four weeks ago and with the new
faces that are to be added to the com-
pany there is undoubtedly a bright fu-
ture for the Garrick. Friday night will
witness the big contests and will also
be the last night afforded theater goers
to witness the production called "Salt
Lake to Paris."

Barnes and Crawford, presenting "The
Fiddler and the Lady," a laughable
comedy built solely upon personality and
magnetism are one of the laughing
hits of this week's bill at the Orpheum.
They are one of the few American per-
formers whose brand of humor has hit
the British public hard. They went over
to London for a brief vacation recently
and turned an honest penny in the form
of a two weeks' engagement at the Tivoli.
They were promptly offered two years'
bookings by the other girls, but could
not accept owing to their existing Amer-
ican contracts.

This is matinee day at the Colonial
and Mr. Kelly and his company will prob-
ably play to one of the largest midweek
houses of the season. "The Fortune
Hunter" is proving more and more popu-
lar as the week progresses, and Jane
Geiffith, the clever little actress who is
making good in a manner that is be-
coming gratifying to herself and her friends,
Miss Giffith, joining the company
after some flattering successes with Otis
Schnier, Richard Carlyle and other stars
who she has supported in recent years.
"The Fortune Hunter" will run at the Colonial
until Saturday and will be followed by
the first presentation here at popular
