Nelson, the local grappler, who wrestles the trained bear at the Empress tonight. Second time in two weeks Nelson, the local heavyweight, will try to throw Big Jim, the bear at the Empress, at that place. It will be two matches, one after the other, and one closing performance. If Nelson is to receive \$100 for his feat of last Friday night, when Nelson threw the grizzly for the first time in his life, he will receive \$100 for his feat of last Friday night. Nelson is confident of success tonight, however, and last evening declared that he was certain he would throw Big Jim tonight, because the last match was over. Nelson is the only man in the world who has ever put the bear on its back with a legitimate wrestling hold. He used a half cross bar.

U' BASKETBALL TEAM WILL LEAVE TONIGHT

The first University of Utah basketball team that ever invaded Colorado camp will leave Salt Lake for Denver this evening at 6:30 o'clock over the Union Pacific. The east benches trimmed the University of Colorado for the Rocky Mountain conference championship last year and the Boulderites are eager to get back at the Utah boys this year. They feel confident that they can do it on their home floor and consequently have invited Coach Benton to bring his boys over there. The varsity men did not win the Utah state championship, but they put up a great fight and the Colorado champs say that they do not care whether Utah was the state champion or not. As a matter of fact, the Boulder team has not an undivided title to the Colorado championship. They are tied, as far as this season is concerned, with the Colorado Aggies, but inasmuch as they won the flag last year they maintain that they will keep it this year, since no team has been able to take it away from them. The varsity men have put in a hard season this winter and are in great shape physically. For fear they might be overtrained, Benton let them rest this week and there was no practice held until yesterday. They showed that they have not lost any speed during the week of rest and pitched the ball with as great concentration as they have ever shown during the season. The fellows will stop over in Laramie, Wyo., where they will play a game with the University of Wyoming. They will arrive at Boulder Thursday afternoon and will play the Boulder team beginning Thursday night and ending Saturday night. Those who will make the trip are Coach Benton and Ott, and the players, Skidmore, Red, Melroy, Belger, Van Pelt, Udy, Peterson, Abbott, Huggins and Paul.

CHAMP STRIKES HIS FIGHTING STRIDE

By SAM P. HALL. CHICAGO, March 9.—Willie Ritchie tried out his good right hand today and as a result he will be minus the services of his clever boxing aid, Willie Schaefer, in his final workout with the gloves tomorrow afternoon. Ritchie boxed five rounds today, three with Schaefer and two with Eddie Tamm. He made each session a war, one in the first minute of the third spasm with Schaefer he shot over a right that landed just above the Chicago fighter's left eye. It opened a wide cut and brought the blood in a stream. Schaefer finished out the round, but presented a gory spectacle which Larry Foley announced that he had had enough. Ritchie has struck his fighting stride after nine days of hard work and is punching as a champion should. Willie will go to it tomorrow afternoon. The weight is not going to bother him and he will be fit when he squares off. The champion said today: "I am in good trim and will have no excuse to make should I happen to lose. I am a straight puncher and Wolcott is a hooker and swinger, pure and simple. Then I have the champion's edge and some natural advantages besides. I won't lose unless the luck breaks terribly against me." Tom Andrews, the Milwaukee promoter of the big battle, was in Chicago for a few hours today. He collected money for a fight between Jones and Andrews promised to have them here by tomorrow morning. The Milwaukee sale by date is about \$20,000, and it looks now as though the receipts will be over \$25,000. However, that will be a great success for the fight.

SOX GREETED BY CHICAGO FANS

(Continued from Preceding Page.) A second baseman, also expected to sign with the club later. Ty Cobb is Signed. DETROIT, Mich., March 9.—When President Frank J. Navin of the Detroit baseball club, returned from New York today he found awaiting him the signed contract of Ty Cobb. Navin had given Cobb the right to make it for one or two seasons and the champion batsman made it a two-year contract. "The report that Ty Speaker's new contract calls for the highest salary in baseball is not true," said President Navin. "Cobb's contract calls for the biggest salary in the game." The figures were not made public, however. Cobb wrote he would join the Detroit team at New Orleans next Saturday. Dan Murphy is Federal.
