Special Sale of Men's Clothing.

HAVING decided to discontinue certain lines of Men's Clothing, we place on sale to-day two lots at very special prices.

Lot 1—Comprises sixty suits, made in the latest and most popular styles, of fine all-wool worsteds and cassimeres. The patterns are the fashionable checks, stripes, and plaid effects. They are high-grade suits and splendid values.

Closing Price, \$17.75 each.

Former prices, \$20 to \$25

Lot 2—Comprises forty suits, made of all-wool fabrics, in this season's popular styles, and in patterns similar to the foregoing lot. A practical suit for business and general wear, and an excellent value.

Closing Price, \$14.75 each.

Former prices, \$18 and \$20

These two lots of suits are conveniently displayed in our Men's Clothing Department.

Continued Opening of Toys, Dolls, and Games.

MANY new Toys have been added to the stock this week and will be shown to-day. Our attempt to perfect this display has not been limited as to effort or expense.

The most celebrated factories of the Old World were visited, and the best of their productions have been brought to this country to make up this splendid stock.

It would be impossible to enumerate the multitude of playthings we have assembled, but we have chosen them to meet every child's idea of pleasure and every parent's idea of price.

The Toys are shown to best advantage in separate sections, under such perfect light that any defects are easily detected.

Exhibition of New Toys.

Exclusive novelties which were personally selected in Europe by our buyer, and which are controlled by us. Our representative spent many weeks abroad visiting all the great toy centers.

He was a generous buyer at the great Annual Fair which is held at Leipzig, Germany, and which brings together all the celebrated toy manufacturers of the world. This famous exhibition this year far exceeded any previous effort.

From this varied display of Toys from almost every country a special collection of novelty toys was added to our stock.

The Song Bird

Is one of our new toys, and one that will attract a great deal of attention. A very lifelike bird warbles tuneful lays. This toy was made by one of the foremost toy manufacturers in France, and is wonderfully natural.

Our W. & L. Dollar Doll

Was made expressly for us in Germany. It is not the largest doll we could get to sell for this popular price, but it is absolutely the best doll value obtainable in this country for one dollar. It measures 22 inches (actual measurement) in height, is full ball-jointed, has the finest quality bisque head, sewed curly wig of fine natural hair, moving eyes, exposed teeth, and beautiful lifelike face. You are requested to examine this doll carefully.

It Is the Best Obtainable at \$1.00.

Diabolo and Other New Games.

Diabolo is the latest fad. It was introduced in Paris last year and immediately became the rage. Our buyer was walking through one of the parks in Paris, and his attention was attracted to the many people who were playing some game—a game which he never saw before. He inquired what it was, and was told that it was Diabolo. He found the manufacturer and was the first to bring this new game to this country.

Diabolo is now as popular in this country as it is in Paris, and we are pleased to announce a complete line of this fascinating game. We cordially invite the children, and the grown folks, too, to visit our Toy Department—the land of make-believe—and see all the new toys in the happiest Christmas-time surroundings.

Demonstration of Household Electricity.

SEVEN rooms, en suite, have been handsomely furnished and equipped with every electrical device that can be applied to house-keeping or housefurnishing. Two features of the electrical exhibition which have attracted universal attention are the Electric Coffee Percolator and the Electric Chafing Dish. The expert in charge of the Cooking Department says it is practically impossible to make a poor cup of coffee with the Electric Percolator—provided, of course, the coffee used is of a pretty fair quality.

This Electrical Exhibition is very interesting and is attracting many visitors. Special demonstration of Electric Cooking by an expert every day from 10:30 to 12:30 in the morning and 3 to 5 in the afternoon. You are cordially invited.

IN THE SOCIAL WORLD

Roller Skating Now Fad of the Smart Set.

JOLLY SUPPER PARTIES FOLLOW

German Naval Attache and Mme. Hebbinhaus Entertain at Dinner. Miss Ethel Roosevelt and Miss Henrietta Fitch Go to New Haven to Attend Big Football Game.

Capital society has taken up anew its fad of last season, and every week a merry crowd congregates at the Roller Skating Rink for an evening of fun, to be followed later by little supper parties. Last season, Wednesday night was the fashionable time to visit the rink, but this winter the evening has been changed, and Thursday is the appointed time in which to meet the smart set on rollers.

Of course, the younger set are the most frequent visitors. Some of those seen this last Thursday night were Paymaster Lawrence Heap, U. S. N., and his bride, Mrs. Heap, who was Mrs. Bloomer, and Miss Pansy Bloomer. Mrs. Victor Cordell, also, was there, chaperoning a party of young people. Some others were Mr. and Mrs. Randall Hagner, Mrs. Lawrence, the Misses Tresscott, Miss Mary Scott, the Misses Slack, Miss Alice Goodwin, Miss Katherine Leach, a debutante of this season; Miss Juliette Janin, and Messrs. Briton Brown, Charles Harris, Charles Nelson, and Melville Church. So popular was the sport last season that it led to the young amateur play-wright, Mr. Phelps Brown, writing for his musical play the catchy song, "The Roller Rink for Mine," to the accompaniment of which Miss Olga Converse, daughter of Rear Admiral Converse, danced and made the hit of the play.

The Naval Attache of the German Embassy and Madame Hebbinhaus were hosts last night at an informal dinner at their home in O street. Their guests were recruited mostly from the personnel of the German Embassy.

Miss Ethel Roosevelt, daughter of the President and Mrs. Roosevelt, accompanied by Miss Henrietta Fitch, debutante daughter of Chief Engineer Fitch, of the navy, left Washington yesterday under the chaperonage of Mrs. Charles Glover, for New Haven.

The young girls will attend the football game between Yale and Princeton as the guests of Mrs. Glover's son, Mr. Charles C. Glover, Jr., a Yale student. The party will stop at the New Haven House, where rooms have been reserved for them. The young ladies also have accepted invitations for the Junior Promenade later in the season.

The newly arrived Chilean Minister, Senor Anibal Cruz Diaz and Senora Diaz, who have been stopping at the Willard, since their arrival last Saturday, have taken 125 New Hampshire avenue, and are already ensconced there. Among their neighbors are Mrs. L. Z. Leiter, Mrs. Postlethwaite, Mr. and Mrs. Robert Patterson, Gen. and Mrs. Gillespie, and Capt. and Mrs. Richardson Glover.

The Second Secretary of the Brazilian Embassy and Madame Chermont have as their guest at their new home in Eighteenth street Mme. Chermont's sister, Miss Sloan, of Baltimore.

Mrs. Hobson, who spent the summer at Bar Harbor, has returned to town and opened her house in N street.

Mrs. O. T. Crosby and her daughter, Miss Miriam Crosby, who have leased their residence in Connecticut avenue, are now at Atlantic City, and will sail for Europe, where they will spend the winter, November 30.

Mr. Arthur Hayden, vice consul at Gibraltar, is in Washington and is visiting relatives in Connecticut avenue.

Capt. Cameron Winslow, U. S. N., and Mrs. Winslow are in Washington and are at the Willard, where they will remain until they obtain a house.

Mrs. Anne Lee Harrison has returned to Washington from Virginia, and is at the Portland, where she will remain some weeks, after which she will go to Europe for the winter.

The British Minister, Mr. Bryce, left Washington yesterday for Cleveland, where he will address the chamber of commerce.

The Russian Ambassador, Baron Rosen, and his house guest, Baron Schlippenbach, Russian Consul General to Chicago, are in New York to attend the concert given by the Russian Symphony Society.

Mr. Esme Howard, counselor of the British Embassy, is now in Trinidad, and will return to Washington the first part of next month. Lady Isabella Howard has opened her house in Massachusetts avenue.

Mr. Myron M. Parker and his daughter, Miss Ruth Parker, are among the Washingtonians who have gone to New Haven to attend the Yale-Princeton game.

The engagement of Miss Brownie Elizabeth Wyson, of Shepherdstown, W. Va., but now of Washington, to Mr. Irving Maxwell, of Philadelphia, has been recently announced.

Miss Wyson is well known, both here and in her home in West Virginia, her family being an old and well-known one there for many generations.

Her mother was Miss Gump, Maryland, of the well-known Gittings family of that name. Miss Wyson is a niece of Mr. J. J. Wyson, of New York. Mr. Maxwell is a well-to-do young business man of Philadelphia.

Mrs. John F. Wagaman has returned to her place near Annapolis, Md., from an extended trip to New Mexico and Omaha.

Mrs. John O. Evans, has returned from Long Island and is occupying her home in Sixteenth street.

Col. A. S. Nicholson and Mrs. Nicholson have returned to their home in Nineteenth street after spending several months at their summer place at Hamilton, Va.

Mrs. Brainbridge Huff is occupying her house in N street, Jefferson place, after a summer traveling.

Mrs. W. J. Cox was at home yesterday at her apartment at the Cordova, and will be receiving again to-day.

Wimodaughis and his friends gathered in goodly numbers Tuesday evening around the banquet table at "The Sign of the Fox" to mark the opening of the sixteenth year of that organization's work. With the advent of the coffee, the company resolved itself for the moment into a national convention and proceeded to consider suitable planks for a Presidential platform.

Mrs. E. H. Andrew presided and Miss Hortense Keables, acting as plank mistress, was particularly happy in her introduction both of suitable planks and the speakers who would advocate their adoption.

"Woman suffrage" was the first plank offered, and it was most ably discussed by Mrs. Jessie Wait Wright, president of the Suffrage Association. Mrs. Wright was followed by Mrs. Margaret C. Lohr on "Single tax." Mrs. Lohr has long been a prominent member of the local Single Tax League, and advocated the adoption of her theories in a most instructive manner. "Practical Socialism" was the next plank most eloquently offered by Miss Catherine Garst. "Tariff lifted on art" was cleverly discussed by Mrs. Lora Coope, who, in closing, digressed slightly and paid a beautiful tribute to that "larger mother bird which has yet found no expression in art, but whose spirit is so finely shown in the lives and labors of many of the women around her."

"Adequate child labor laws" was the plank most eloquently and instructively offered by Mrs. Ellen Spencer Mussey. Mrs. Mussey has done much to remedy the laws relating to women and children in the District and realization of her desires along this line is hoped for by all fair-minded people.

"Peace by arbitration" was the last plank offered, and its merits were cleverly set forth by Mrs. Belva Lockwood. Supplementary remarks were made by Mrs. Mary A. Van Ness and others, and the convention adjourned after adopting all planks offered.

The guests included Mrs. E. S. Mussey, Mrs. Jesse Wright, Mrs. Belva Lockwood, Mrs. Helen Tindall, Mrs. Thirsa McCordell, Mrs. I. Colford, Mrs. Josephine Rich, Mrs. S. L. Battles, Mrs. M. C. Lohr, Mrs. Lena Cooper, Mrs. Frazier, Mrs. Cranston, Mrs. Greene, Mrs. Smiley, Mrs. M. A. Van Ness, Mrs. M. Seway, Miss Hortense Keables, Miss E. Colford, Miss Ida Moyer, Mrs. Terry, Miss Garst, Miss Keough, Miss F. Colford, Miss E. Gillett, Miss Slater, Miss J. Slater, Mrs. Garland, Mrs. Andrew.

The board of lady visitors of the Washington Hospital for Foundlings will hold their annual Thanksgiving tea on Thursday, November 21, at 1115 Fifteenth street, from 3 until 6. Johnson, Mrs. J. C. Smith, Mrs. Richard Sylvester, Mrs. A. T. Britton, Mrs. Shirley W. Bows, Mrs. Joseph Jewell, Mrs. Carl Casper, Mrs. T. C. Jewell, Mrs. Anderson Lacey, Mrs. Joseph Whitney, Mrs. J. B. Kendall, Mrs. Carl Droop, and Mrs. W. C. Lewis, will welcome the friends of the hospital, assisted by a corps of young girls interested in the babies.

The Rev. W. M. Morgan-Jones and Mrs. Morgan-Jones have returned from abroad, after a twelve-months' absence, and are at their home in Rhode Island avenue.

Commissioner and Mrs. Macfarland have gone to West Point, as the guests of Col. and Mrs. Scott.

Announcement has been made of the engagement of Miss Martha Ziegler, daughter of Mr. James A. Ziegler, of Wilmington, Del., to Mr. Johannes Maria Glosztner, formerly of this city, but now of Milwaukee, in Washington, for the winter, in order to be near her son, Francis Brown Harrison, and his family, who will occupy Commander Kay's house in I street after Congress opens.
