## Century Dictionary & Cyclopaedia & Atlas

It is "in a class by itself" because it takes the place of so many other works. It is the great question-answer and time-saver. That's why it is so supremely useful. That's why it is always in active service while other reference books gather dust upon the shelves. There are more than 2,500 "Century" owners in Washington alone, and the list is growing every day through our great distribution. Do you own a set? If not, it may be YOURS JUST NOW AT LITTLE COST AND ON CONVENIENT TERMS.
