

CHEER BRYAN'S NAME

New England Democrats Can See No Other Candidate.

NOT JOHNSON, SAYS GORE

Blind Senator Declares Governor of Minnesota Has No Chance—Massachusetts League Uses Nebraska's Name—Will Insist Upon Instructed Delegates to Denver Convention.

Boston, Mass., Feb. 29.—"I don't think Johnson has a chance," said Senator Gore, of Oklahoma, this evening at Faneuil Hall, where the Bryan clans of all kinds had gathered to launch the Nebraska's candidacy in the East.

Similar sentiments were expressed by a majority of others present. Bryan's was the only name heard, the meeting being called for the express purpose of furthering his candidacy.

A proposition to change the name of the New England Democratic Progressive League to the New England Bryan League was turned down, mainly on account of the association's adhering to the old name.

The State branch of the organization, however, which was formed with George Fred Williams, Mr. Bryan's closest ally in this State, as president, called itself the Massachusetts Bryan League.

The attitude of Col. Alexander Trumbo, of New Haven, and others was decidedly truculent. While ready to extend the olive branch to those who bolted the ticket in 1896 and 1900, they will accept no compromise. It was Bryan or nothing.

At the dinner following the business meeting speeches were made by leading Bryan men from nearly every State in New England, and by a number of eminent outsiders.

The speakers included Benton McMillin, ex-governor and United States Senator from Tennessee; Charles G. Davis, of Rhode Island; Col. J. H. Donnelly, of Vermont; Senator Gore, of Oklahoma, and Col. P. H. Quinn, of Providence, R. I. The league voted to instruct all delegates to the Denver convention to vote for Bryan first, last, and all the time.

DISTRICT AFTER FORDNEY.

Michigan Leaders Fear Congressman's Fight on Taft.

Saginaw, Mich., Feb. 29.—Republican leaders here, many of them close personal friends of Congressman Fordney, are alarmed at the extremes to which the Congressman has gone in his opposition to Taft and the administration.

They are fearful lest the bitter hostility of Fordney will seriously weaken the district in Congress, and with the administration, to which it may have looked for favors, especially in river improvements, if Taft is elected, and have decided to take Fordney in hand.

He will be required to give assurances of his willingness to support Taft, provided the State convention or district indorses him, and if he persists in his attitude toward the Secretary, he will be asked to withdraw his candidacy for delegate.

If he declines, he will be ousted, both as district leader and as Congressman, they claim.

WILL WORK FOR CANNON.

Republicans of Fifteen States Organize Booster Club.

A party of about forty Republicans, representing fifteen States, formed a temporary organization, to be known as the Interstate Republican Club, in the parlors of the Riggs House last night, to further the cause of Joseph G. Cannon, Speaker of the House of Representatives, for the nomination for the Presidency.

Chapin Brown, a local financier, was elected chairman. After passing resolutions to work and talk for "Uncle Joe," the new organization adjourned until March 4.

TAFT WINS IN SKIRMISH.

Massachusetts Leaders Line Up for Convention on April 10.

Boston, Feb. 29.—The Taft men had everything their own way this afternoon at the meeting of the Republican State committee, appointing firm supporters of the Secretary of War to both positions commanding the conventions that will choose delegates to Chicago.

Postmaster General Meyers was named to preside over the State convention, and George E. Smith, of Everett, former president of the senate, was selected as chairman of the committee on resolutions.

The anti-Taft faction laid very low, and Senator Lodge's sway was undisputed. The Secretary's opponents are saving their strength for the district conventions, and for the State convention itself.

It was decided to hold the State convention at Boston April 10. The district caucuses for the election of delegates would be March 21.

LABOR TO LINE UP

New York Unionists Will Vote on New Party.

New York, Feb. 29.—New York labor leaders who are advocates of the plan of forming an independent labor party are not in the least disturbed by the declaration of Secretary Morrison, of the American Federation of Labor, in Washington to-day, that the federation does not favor the plan. The question is to come to a vote to-morrow before the Central Federated Union, unless present plans fail, and they think the project will then be indorsed.

Labor advocates here do not think Morrison is authorized to speak for the federation. The resolution pending before the Central Federated Union calls upon the American Federation to issue a call for a national labor convention to launch the proposed party. If the proposition is put up to the federation formally, backed by the union strength of New York, the local supporters say the executive committee will be forced to consider it.

Even if the federation union resolution is voted down to-morrow, leaders here are confident it will be only a temporary check.

The chief anxiety among labor leaders here is to get the proposed party launched so that it can take part in the present campaign. Indorsement by the American Federation of Labor would give great impetus to the movement, but even if the federation takes a stand against such a plan, it is predicted that an independent party will be the outcome of the convention it is proposed to call in Cleveland on July 4.

Refusal by the American Federation to indorse the plan, it is pointed out, would not mean that the independent party is opposed to the plan, but that its leaders think the political movement should be kept outside the federation, so as not to cause political cars to creep into its deliberations.

RICHMOND NEGROES TO BOLT.

"Remember Brownsville" is Slogan.

Richmond, Va., Feb. 29.—That the Republican party in Richmond is divided by internecine strife is apparent by the call for a mass meeting of the colored voters of the party, to be held Monday night.

The negroes, convinced that the color line had been closely drawn by the white leaders in the party, and that they had been practically debarred from participation in the councils of the party, have determined to solidify the black vote and to contend with the "Lily White" faction of the party for recognition by the national machine, as the real arm of the G. O. P. in this city and State.

The meeting Monday night will be marked by an open declaration of secession on the part of the negroes from the ranks organized under the banner of the Republican city committee, which is to elect delegates to the State convention in a short time.

"Remember Brownsville" is the slogan with which the announcement for the call is made, the stated object of the meeting being "to indorse the action of Senator Foraker in behalf of the negro soldiers discharged without honor, trial, or conviction, and to thank the Senator for introducing a bill in the United States Senate to reinstate them."

TAFT TO VISIT OLD HOME.

Secretary Will Be Received with Beating of Drums.

Worcester, Mass., Feb. 29.—Secretary of War W. H. Taft, will arrive at Millbury, his boyhood home, to-morrow, to visit his aunt, Miss Della Torrey.

On Monday, he is to be given his first public reception there. It will be in the town hall and presided over by officers of the meeting being "to indorse the action of Senator Foraker in behalf of the negro soldiers discharged without honor, trial, or conviction, and to thank the Senator for introducing a bill in the United States Senate to reinstate them."

Montana Voters to Have Voice.

Helena, Mont., Feb. 29.—Steps are making to submit to the voters of the State three proposed laws, the first to come under the provisions of the initiative and referendum measure passed by the recent legislature. First is the employers' liability act; second, the anti-injunction measure as regards labor organizations, and third, that voters may express their choice for United States Senators.

"BRYANISM AND DEFEAT."

The map of "Bryanism and Defeat," which the New York World has been printing almost every day, may impress people who know little about politics. But here are some maps that are quite as well worth studying.

The first map shows what the Democratic party did in the Congressional elections of 1894, with Cleveland and his small part of the party in power.

The second map shows how much of the country Bryan carried in 1896—with the Cleveland influence and that of the New York World against him.

The third shows the triumph of Judge Alton B. Parker, nominated and urged by the World.

In each map the black sections show Democratic States; the white, Republican.

WILLIS J. ABBOT.

CARY HAS LEARNED ROPES

Wisconsin Man "Gets Wise" to Congressional Methods.

Representative William F. Cary, of Wisconsin, may get in trouble with the House as a result of statements made by him against alleged practices of members of that body. Mr. Cary sent out a circular to his constituents in which he charged in substance that the House was corporation-ridden, and that it was practically impossible to get bills through "for the benefit of the people."

He is attacking the Congress, and in his pronouncement against Woodruff, Odell said:

"For the good of the Republican party, and in order to insure success in the Presidential campaign, I am firmly convinced there should be a change in the State chairmanship. I have the greatest admiration for Timothy Woodruff socially and as a business man, but I believe some one else should be chairman. He says this because I am seeking the office. I do not want it and would not take it."

Odell made his announcement at the Fifth Avenue Hotel, where he has established his headquarters. Half a dozen of his former lieutenants were with him.

HOWLAND IS RENOMINATED.

Ohio Man Tells Friends Payne and Dalzell Cannot Change Tariff.

Cleveland, Ohio, Feb. 29.—In a harmonious convention, the more remarkable because before Paul Howland's first nomination for Congress, two years ago, the district had been known for a score of years as the "fighting twelfth," the Republicans renominated Howland by acclamation here to-day.

Delegates to the national convention were selected without a fight, and were instructed to vote for Secretary Taft's nomination for the Presidency. The delegates are Herman C. Haehr and Ernest C. Cook, both of Cleveland.

Gen. J. S. Casement, of Lake County, was nominated Presidential elector.

Fears of Taft leaders that a fight might come in the district were dissipated when the Congressional committee permitted Howland to name the Cuyahoga delegates, which controls the district. Howland, when renominated, was compelled to explain why he had not obtained the lifting of the tariff on certain lumber as ordered by the convention two years ago.

"The bill is introduced, but is likely to stay in the Ways and Means Committee. Mr. Payne, New York, chairman, and Mr. Dalzell, Pennsylvania, are such intense stand-patters the doctrine is a religion with them," he said.

GUILD ONLY RECEPTIVE.

Massachusetts Governor Willing to Be Vice President, if Asked.

Buffalo, N. Y., Feb. 29.—"I am neither running after it or away from it," laughed Gov. Curtis Guild, of Massachusetts, who was interviewed to-day in regard to the use of his name as the Vice Presidential candidate with Secretary Taft, should the latter be nominated for President.

"The nomination for Vice President," said Gov. Guild, "hinges absolutely on the choice of President, and cannot be determined until the first place is settled."

"No man can be a candidate for Vice President. No candidate for President has attempted to make any deal with me, and I have dealt with none."

Asked as to how the Massachusetts delegation to Chicago would stand, Gov. Guild said:

"No one can tell at present just where the Massachusetts delegates will be. As they have had not obtained the Massachusetts people prefer Secretary Taft."

ASSAILS JEFF DAVIS

Opponent Invites Senator to Face Him in Meeting.

REPLIES TO CHARGE OF GRAFT

Prosecuting Attorney Rhoads Reads Letter Written in 1904 by the Then Governor Requesting Transportation to Refute Accusation of Free-booting in Arkansas State Capitol.

Little Rock, Ark., Feb. 29.—Prosecuting Attorney Lewis Rhoads addressed a large audience in the courthouse here to-night. Senator Jeff Davis, whom Rhoads had invited to be present, failed to respond.

Rhoads in his speech to-night referred to Senator Davis' charge in his printed speech that a band of free-booters and robbers had infested the Arkansas capitol, influenced and controlled State legislation for the last fifteen years, and that during his administration as governor he sought to uphold it. Rhoads said:

"Davis was subpoenaed before the Pulaski County grand jury and there given an opportunity of carrying out the work of driving forever the free-booters and robbers, as he calls them, from the State capitol. He did state that he had knowledge in his possession that would enable me, as prosecuting attorney, to bring suits against the St. Louis, Iron Mountain and Southern Railroad Company and against the Chicago, Rock Island and Pacific Railway Company, and recover penalties in unlimited amounts for their violation of that statute preventing railroad companies from giving transportation to officers of the State, and he promised in the presence of sixteen men to furnish me this information."

"I waited a few days for him to furnish it, and he not having done so, I then addressed him a letter, asking him to furnish me with the evidence in his possession, but received no reply."

Reads Letter to Railroad.

"Let us see if a good relation did not exist between the governor's office and the Iron Mountain Railroad. Let me read you:

Executive Chamber, State of Arkansas, Little Rock, Ark., Oct. 19, 1906. Jefferson Davis, Governor; Charles Jacobson, Secretary.

Dear Mr. Merriam: In that time assistant general counsel of the St. Louis, Iron Mountain and Southern Railroad Company and against the Chicago, Rock Island and Pacific Railway Company, and recover penalties in unlimited amounts for their violation of that statute preventing railroad companies from giving transportation to officers of the State, and he promised in the presence of sixteen men to furnish me this information."

"I waited a few days for him to furnish it, and he not having done so, I then addressed him a letter, asking him to furnish me with the evidence in his possession, but received no reply."

When asked what interests are behind the movement, Mr. Rhoads replied: "I am convinced that it is the interests representing the trusts and the railroads. They do not hope to prevent instructed delegations in the Mississippi Valley States, but they are trying to get a personal delegation of delegates who will be unfriendly to my nomination."

Raps Democrats.

Mr. Bryan's address to the members of the legislature was a repetition of subject matter dealt with in former addresses. The only new phase was his caustic reference to the four Democrats in the Kentucky legislature who cast their votes for the Republican Senator yesterday. He referred to them as "embezzlers of power," and declared that the embezzler of power is a worse malefactor than the man who embezzles money."

PROMOTED BY MR. MEYER.

Postmaster General Makes Mr. Bushnell Chief Clerk.

The Postmaster General issued an order yesterday promoting Elliptical T. Bushnell, of Connecticut, from the position of assistant superintendent, Division of Salaries and Allowances, to be chief clerk, office of the First Assistant Postmaster General, at a salary of \$3,500 per annum.

Mr. Bushnell takes the place vacated by Mr. Charles P. Grandfield, who has been appointed to the position of First Assistant Postmaster General.

Mr. George L. Wood, of Maryland, is promoted to the position left vacant by Mr. Bushnell, which pays a salary of \$2,500 per annum, and Mr. Bliss N. Davis, of New York, succeeds Mr. Wood, at a salary of \$2,500 per annum.

NEBRASKA ALL FOR TAFT.

Conventions Indicate Falling Off of Roosevelt Slide.

Omaha, Neb., Feb. 29.—Conventions were held in a number of counties throughout Nebraska to-day, and from returns received at Omaha at midnight every county instructed for Taft for President.

The slide for Roosevelt, which was threatened two weeks ago, seems to have been headed off by the Taft workers, and while Roosevelt received a number of votes in to-day's primaries, in no county did his vote anywhere near approximate that of Taft.

COLUMBIA DOWNS HARVARD.

Gymnast Teams Equally Balanced, Score Being 25 to 25.

Cambridge, Mass., Feb. 29.—The Columbia gymnast to-night defeated the Harvard gymnast team in a very close meet by the score of 25 to 25. The Harvard men were the more brilliant individually, while the Columbia team was the better balanced.

Yang, of Harvard, was the all around star of the meet. He took three firsts, in the parallel bar, the horizontal bar, and on tumbling.

Schoenmacher, of Columbia, was also high in evidence. The intercollegiate all around champion won the side horse and was second on horizontal bars.

BROWNLOW CONDEMNED.

First Tennessee District Has Rousing Meeting at Jonesboro.

Bristol, Tenn., Feb. 29.—Headed by ex-Congressman Alf Taylor, brother of Senator "Bob" Taylor, and Sam R. Sellis, chairman of the Republican executive committee of the First Congressional district of Tennessee, for national Republicans of Washington County held a mass convention at Jonesboro, the home of Congressman Brownlow, to-day, and passed resolutions condemning his methods, indorsing George N. Tillman, of Nashville, for governor; Congressman Nathan Hale, of Knoxville, for national committeeman, and Newell Sanders, of Chattanooga, for chairman of the State Republican executive committee.

THOMAS F. RYAN III.

New York, Feb. 29.—Suffering from a slight attack of the grip, Thomas Forney Ryan is confined to his Fifth avenue home to-night. The financier, however, expects to be able to get out of doors within a few days.

HEACOCK IS NOMINATED.

Illion Man Boomed by Sherman for Governor of New York.

Utica, N. Y., Feb. 29.—This afternoon at Little Falls, Seth G. Heacock, of Illion, was renominated for senator by the Republicans of the recently constructed Lewis-Pulton-Hamilton-Herkimer district. The nomination was made by acclamation.

A feature of the convention was the reading of a telegram from Congressman James S. Sherman boosting the boom of Senator Heacock for the gubernatorial nomination. This boomlet was launched several months ago by former Congressman Littauer.

BRYAN ON WARPATH

Flays Kentucky Democrats Who Voted for Bradley.

Called Embezzlers of Power.

Nebraska Declares Those Who Bolt Party Are Worse Than Those Who Stay—Explains Attempt to Influence Delegates.

Jackson, Miss., Feb. 29.—William J. Bryan arrived here to-day from Memphis, accompanied by several members of the legislative reception committee, and delivered an address before a joint session of the legislature at the Century Theatre. Hundreds of prominent Democrats were here from all parts of the State.

Mr. Bryan was asked concerning a paragraph in the current issue of the Commoner reading as follows: "Watch the personnel of the delegations to Denver. Money is being used in some of the States of the Mississippi Valley to secure delegations who will be obedient to the predatory interests. The Democratic masses must not be betrayed by representatives of that system."

Mr. Bryan said: "I wrote that paragraph myself and know what I am talking about. I have my information from a man who overheard a conversation on the subject."

When asked what interests are behind the movement, Mr. Bryan replied: "I am convinced that it is the interests representing the trusts and the railroads. They do not hope to prevent instructed delegations in the Mississippi Valley States, but they are trying to get a personal delegation of delegates who will be unfriendly to my nomination."

Raps Democrats.

Mr. Bryan's address to the members of the legislature was a repetition of subject matter dealt with in former addresses. The only new phase was his caustic reference to the four Democrats in the Kentucky legislature who cast their votes for the Republican Senator yesterday. He referred to them as "embezzlers of power," and declared that the embezzler of power is a worse malefactor than the man who embezzles money."

Mr. Bryan left to-night for Vicksburg, from which point he goes to Shaw, Miss., where he will spend Sunday with his sister. He will return to Lincoln on Monday morning.

MAY DEMAND RETRIAL.

Harrisburg Grant Trial Complicated by Humphrey's Charge.

Harrisburg, Feb. 29.—It is hinted to-night that the defense in the capital case may take advantage of the exploded jury-fixing incident to demand a retrial.

C. F. Humphrey, of Waterbury, Conn., who was arrested last night on suspicion of attempting to influence Juror Poist, was released this afternoon for lack of evidence.

Counsel for the defense claim that District Attorney John F. Weiss had a talk with Juror Poist, at which no agent of the defense was present, and that the whole proceedings of the arrest of Humphrey and the talk of the tampering with the jury has created an impression adverse to the interests of the defendants.

CAVIL AT YANKEE DRIVERS.

Italians File Charges Against American Racer.

Chicago, Feb. 29.—Two of the foreign cars in the New York-Paris automobile race resumed the contest to-day, when the French entrant and the Italian left the Chicago Automobile Club at 11:20 a. m. The departure was witnessed by thousands who jammed the streets. A guard of mounted police worked for an hour keeping the crowds back so that the cars could get out of the club garage.

The man in charge of the race announced that he had received the formal protest against the American car filed by the Italians. This protest will be forwarded to Paris. In general, the protest is based on the allegation that the American car was altered while in the factory at Buffalo; that it was towed two days without the motor running; that it was towed by a trolley car in Indiana; that it used the railroad tracks between Michigan City, Ind., and Chicago, and that it was put on sleds.

According to a dispatch from Wheaton, Ill., the Italian and French cars passed there at 2:30 p. m.

The German car and second French car reached Michigan City this afternoon. The American car reached Clarence, Iowa, four miles from Cedar Rapids to-night.

The French and Italian cars arrived at De Kalb, Ill., shortly after 6 o'clock, and left for Rochelle, in the midst of a sleet and rain storm. The roads are rough.

WARNING TO PARENTS.

The Milk Conference, appointed by the District Commissioners, in view of the MANY DANGERS OF RAW MILK, has recommended the home-pasteurizing of all raw milk by bringing it to the boiling point, then withdraw, cool, and keep cold until used.

The conference has thereby indorsed the advice given by this society for a number of years to

SCALD ALL MILK

Parents are particularly warned against the erroneous opinion held by some that pasteurizing affects either the digestibility or the nutritive value of the milk, or that, as a rule, it will produce any bad effects whatsoever.

SOCIETY FOR PREVENTION OF SICKNESS.

Breese Stevens, former manager for Elmendorf, the lecturer of Frederick Mosen, who will begin a series of five travel lectures in this city under Mr. Stevens' management, at the Belasco Theatre, March 24. The first subject of the series will be "Arizona." Subjects to follow are "Old Mexico," "New Mexico," "California," "Hopi Land."

KANSAS IS FOR TAFT

All Delegates to Chicago to Be Chosen This Week.

FAIRBANKS IS SECOND CHOICE

Will Go to Hughes After First Ballot if Indianian Is Not Showing Up Well—Stubs Leads Progressive Faction for La Follette, but Fears Defeat at Hands of Machine.

Topeka, Kans., Feb. 29.—Kansas will send a solid delegation to Chicago for Secretary Taft for President.

The first of the eight districts to elect, the third, yesterday declared for Taft. All the delegates were chosen next week, the State convention called here for Wednesday completing the work by the election of four delegates-at-large.

Without exception, all county conventions have declared for Taft. This is remarkable, in view of the fact that neither the machine element, backing Senator Long, nor the square dealers, headed by Stubbs, are at heart for Taft.

Stubbs and his square-deal or progressive faction of the Republican party have been fighting for a La Follette delegation, but fears defeat by the machine faction. Senator Long and his machine are for Fairbanks, but they dared not come out and fight in the open. They jumped on the Taft band wagon because it appeared to be the popular thing to do, and in doing it they took Kansas away from La Follette. They simply beat Stubbs and his progressive faction, and finally forced Stubbs to desert La Follette and come out for Taft.

The Kansas delegation of twenty will go to Chicago instructed for Taft, but if he does not win on the first ballot Kansas will switch for Hughes, if it is determined that Fairbanks' nomination is out of the question.

The Republican masses in Kansas are for Taft, but the men who run the conventions are for Fairbanks and La Follette.

PARENTS VISIT GIRL'S SLAYER.

Mr. and Mrs. Gillette Make Appeal for Executive Clemency.

Auburn, N. Y., Feb. 29.—With sturdy iron bars intervening, to prevent them from even shaking the hand of the son they had traveled so far to greet, and a portable screen practically shutting off all view of their loved one, Mr. and Mrs. Frank Gillette, of Monarch, Colo., paid a pathetic visit this afternoon to Chester E. Gillette, condemned to die during the week of March 30 for the murder of his sweetheart, "Billy" Brown.

On his conclusion, Mrs. Gillette, who is leading the fight for her son's freedom, announced that an appeal for executive clemency in Chester's behalf will be made.

Although the elder Gillette is in precarious health he insisted on making the trip from Colorado to visit his son and to add his feeble efforts to those of his heroic wife in seeking clemency for the condemned man.

Paul and Hazel Gillette, brother and sister of Chester, are expected to-morrow. As Lucile, another sister, is now here, the arrival of the brother and sister to-morrow will bring the entire Gillette family to Auburn.
