In the purchase of real estate the question of price is of great importance because of the amount involved.

The ads on this page present special offerings which the prospective buyer would do well to read—it may mean many dollars saved.

In the selling of real estate the owner, or agent, cannot afford to save the few pennies which an ad costs at the expense of losing a buyer.

The rates on short time ads in THE WASHINGTON HERALD are Per Word, 1 Cent Each Insertion.
