Special to The Washington Herald. Cleveland, May 20—Cleveland's winning streak was held to one consecutive victory, Washington winning today's game by the score of 3 to 2 in ten innings.

It was a case of "too much Johnson" all around, for the Idaho wonder not only held Cleveland to two runs but it was Washington the victor in the tenth inning. Johnson has never won any medals for his stick work, but this time he was able to deliver.

"Again it was the old hoodoo, Mr. B. B. (meaning base on balls), that worked to the everlasting discomfiture of the Naps. Addie Joss issued but one pass, but the recipient scored the winning run. 'Twas ever thus. Johnson also gave but one pass, but he had the wisdom to issue this gift when there were two out and Joss was next to bat. No danger in making presents under such conditions.

New Star Brought Out.

While Cleveland lost the contest, the struggle served to demonstrate that Cleveland really has a brilliant outfielder in Wilbur Goode. Wilbur's past achievements as a fielder have not been such that he has been causing the fans to compare him with James McAleer and Joe Birmingham, but what he did to-day will surely raise his stock far above par. It was he that caused the game to go extra innings, for in the seventh round he made two catches that robbed the Washingtons of two three-sackers and at least two runs. First, Milan hit the ball to the extreme right field corner. Goode had been stationed in the center of his territory and none expected him to come close to catching the ball, but nevertheless he did so, grabbing the leather right at the foul line, and then being forced to run against the fence before he could recover his balance.

TIGERS STOP ATHLETICS.

Detroit Captures Well-Played Game by 5-3 Score.

Detroit, May 20.—Detroit put a stop to the mad rush of the Athletics by beating them in a well-played game to-day. Plank was batted out of the box in the first inning, after Detroit had secured three hits and a base on balls off his delivery. Mullin kept the hits well scattered. Kierulff relieved Plank, and he in turn was derailed in favor of Dygert.

Naps Score First.

The Naps lost no time in scoring. Goode led off with an infield hit and Bradley sacrificed, Goode scoring on Turner's three base hit to right. Turner was out at the plate, however, when Lord tapped a grounder to McBride. The latter juggled the ball, but as Turner got a late start he nailed the Nap at home. Then Lajoie followed with a single to left that was wasted, as Stovall fanned.

St. Louis Gets Away with Close Game on Home Grounds. St. Louis, May 20.—A home run drive in the seventh inning by Stephens won today's game for St. Louis from New York. Score: New York, 5; Pittsburgh, 1.

NOTES OF THE NAPS GAME.

There were no more sales of Washington players to-day. Instead of being sold, Milan returned to center field and drove in Washington's second run with a nice two-bagger to center.

CONROY RECEIVED A LETTER FROM ROY WITHERUP.

Conroy recently received a letter from Roy Witherup in which the lanky pitcher said he was getting along nicely and hoped to be able to report in a month or so. He has been very sick, but is rapidly regaining his strength.

"Wild" Conroy is tickled to death. "I have struck my stride at the bat," he said to-night. "I remember going for eight games last year and never getting more than an occasional foul. During the last few days it has just been the other way. No matter what they fed me I generally hit the ball right on the nose. I don't always hit it safe, but the man that catches the ball or throws me out knows that he stopped something."

George Browne does not seem to be just right. He came to Cleveland touted as the speediest man in the league, but as yet he has not been able to show much along that line, and the Cleveland players are willing to back Wilbur Goode against him in a sprinting match.

The rain fell continuously through the game to-day, but despite that fact the pitchers showed great control, not a base on balls being issued until the seventh inning.

Although Jerry Freeman is still with the Nationals, it would occasion no surprise if he joined the Toledo club in a day or so. The deal has practically been completed, and according to the "dope," Washington will get some Toledo player in the fall if Cantillon wants any of the Mud Hens.

INFIELDER LELAND SUSPENDED

Marquette League Rivals Play Red-hot Game—Brilliant Fielding Saves the Winners—Waple Swats the Ball for Couple of Three Baggers. Somerville Strong in the Pinches.

The Congressional was a close game from the Bloomingdale Athletic Club, in the Marquette League, yesterday, 8 to 7.

The clubmen hit the ball hard, and only brilliant fielding on the part of the winners saved them from defeat.

In the fourth inning, with three on bases and one down, Somerville fanned the next two batters, and that ended it, as Bloomingdale never had a chance to win after that. Luck proved to be a big factor in the game, the winners getting their full share. To prove this assertion, a glance at the score is sufficient.

The Bloomingdale crew outbatted their opponents by nine hits to five, two of them being triples. The seven errors allotted to the losers were costly, unfortunately coming at a stage in the game when they could do the most damage. For instance, Leland's two errors at second base cost the club team five runs, while both of the winners' misplays amounted to wretched nothing.

To caple the slugging with two hits, both of which were triples, Weyrick and Kramer being the only other men to connect more than once.

Leland, second baseman for Bloomingdale, was indefinitely suspended after yesterday's game, having engaged in an altercation with the manager. Score: Congressional, 8; Bloomingdale, 7.
