

MALTBIE IS VICTOR

California Horse Wins the Empire City Handicap.

ALL PAST DOPE IS UPSET

Long Shot, Quoted at 20 to 1, Astonishes Big Crowd at Yonkers Track and Gets First Money in Feature Event—Alfred Noble Second, and King's Daughter Third.

New York, July 17.—Ten thousand persons were astonished when Maltbie, a California horse backed from 20 to 1 to 1, won the \$5,000 Empire City Handicap, one mile and a furlong, at Yonkers this afternoon from such high-class thoroughbreds as Alfred Noble, King's Daughter, and Fashion Plate.

Maltbie's victory came like a lightning bolt from a clear sky, and was such a startling form reversal that many wondered how the stewards could stand for it.

On the Coast last winter Maltbie ran some fine races. The great King James beat him a head on one occasion, when Maltbie carried 100 pounds. Maltbie made his first appearance in the East at Sheepshead Bay on July 1, when with 100 pounds he won in a gallop at a mile and a furlong.

He started again July 8, and was made a hot favorite. The distance was a mile, and Maltbie could not rally on. On the strength of this performance, therefore, form students did not believe that Maltbie had a chance to win to-day's big race. But the Western sharp who rarely bet at the wrong time knew enough to back Maltbie, and many of the layers who were willing to accept any or all wagers.

Meanwhile, Alfred Noble ruled the roost. When Starter Cassidy sent away King's Daughter rushed to the front, with Alfred Noble a length back, closely followed by Fashion Plate and Maltbie, with Arondel last. This order was maintained until three-quarters of a mile had been covered, when Page began to make his run with Maltbie.

In a jiffy the California horse got into his best stride and rushed up to King's Daughter and Alfred Noble on the far turn so swiftly that the crowd stood transfixed. The crowd then saw the head of the stretch, Page let his mount down, and it was all over, for Maltbie went along and breezed to the judge's stand with two lengths to spare. Alfred Noble got the place, with King's Daughter third.
