Y. W. C. A. THANKFUL FOR HOUSE PROJECT

Special Service at St. Paul's Lutheran Church.

Notwithstanding \$1,300 more is needed for the vacation house project, the Y. W. C. A. held a special praise service yesterday afternoon at St. Paul's Lutheran Church, Eleventh and H streets, in appreciation of the fact that \$2,300 of the fund has been raised, and that the roof is over the building at Cherrydale, Va. A feature of the vacation house is an outdoor sleeping porch. It has been provided for business women, and the charge made to them for the two weeks' vacation accommodations, which is just of the building only grants each, is just enough to cover the cost of board.

No charge is made for the rental item, the financial basis of the project being one planned to afford vacations at the lowest practicable cost without drawing on the funds of the association. The house on the Great Falls line across the river has a capacity for thirty.

Active workers in the Y. W. C. A. conducted the praise service yesterday afternoon. Dr. Ada R. Thomas presided, and the program was as follows: Praise song, Miss Elizabeth Pierce read a scriptural selection, Miss Harriet Stratton Ellis offered prayer, and a cornet solo and a contralto solo were contributed to the programme, respectively, by Miss Grace Beelman and Miss Annie Brett.

Veteran Relief Corps Adopts Its Constitution.

SOCIETY JUST INCORPORATED

Will Enroll All Drilled and Educated Soldiers, Sailors, and Marines, In and Out of Service, Into One Grand Army—Benefit Fund Is Planned—Charter Sought.

The board of trustees and the council of administration of the Veteran Relief Corps of America held a meeting at the national headquarters of the society, in the Pacific Building, yesterday afternoon. The board of trustees is composed of Gen. A. S. Burt, Gen. George H. Hart, B. F. Chase, C. S. Wilder, Thacker E. Lee, Van A. Zahn, and John L. Smith. The members of the council of administration are Admiral George Dewey, Senator Thomas H. Carter, Rear Admiral Winfield Scott Schley, Senator Charles Dick, Representative Richmond P. Hobson, Senator Joseph M. Dixon, Senator Fernando De Soto Mingo, Representative J. Warren Keene, Representative Albert F. Dawson, and ex-Senator John M. Thurston.

Gen. Andrew S. Burt, U. S. A., retired, commander in chief of the organization, presided, and the important business transacted was the ratification of the constitution of the society. Gen. Burt has taken the initiative in the organization of this society, and it is the purpose to make every drilled man, in or out of the service, a member. The officers of the army and navy have been trying for years to formulate a plan to keep track of all veteran soldiers, sailors, and marines who have served and have left the service, as well as uniting those who are present in the military service of the United States, and it has been highly commended by many in authority for conceiving such an organization.

The organization aims to enroll all drilled and educated soldiers into one grand army, thereby forming a "Third line of defense—a national police," that can be called upon by the Chief Executive of the nation on a moment's notice to defend the country against all foes, foreign or domestic; to care for less fortunate comrades, the widows and orphans of those who have answered the last call, and to teach patriotism and love of country and flag to the rising generation.

Eligible for Membership. Those who are eligible for membership in the relief corps are all soldiers, sailors, and marines who are now serving or those who have been honorably discharged; also members of the National Guard who are serving or who have served honorably one year and have been honorably discharged. It is also provided that sons of veterans shall be eligible to the recruit class of the Veteran Relief Corps and into the corps of the company, and upon completing one year of active service therein shall become full members of the organization.

The constitution follows in the main the rules and regulations of the G. A. R. It is the aim of this organization to build an invincible relief fund, based upon the principle of brotherly love and comradeship, and the money for such a relief fund is to be raised as follows:

Fees and Dues. The unit of organization is to be a company, and the enrollment fee, payable at enrollment, not less than \$2. Annual dues are not to be less than \$3.25 for each member, payable in advance, quarterly. A certain portion of the fees and dues is carried to the credit of the relief fund, creating a reserve and insuring immediate payment to heirs of a deceased comrade, as follows: When the strength of the company shall have reached 100, the amount of the relief to be paid shall be \$100, and for a greater or less number a proportionate amount, as the company may decide.

The organization has been incorporated under the laws of the District of Columbia. This step was taken in order to secure a legal right to its name and give the incorporators authority to lay the foundation and begin the building up of this order, pending the enactment of legislation in Congress, which will give the association recognition under national laws.

A bill has been introduced in Congress by Senator Dixon, of Montana, providing for the issuance of a charter to the Veteran Relief Corps of America. The national officers of the organization are Gen. A. S. Burt, U. S. A., president; B. F. Chase, vice president; Thacker E. Lee, treasurer, and G. S. Livingston, secretary.

PRIESTS ON VACATION.

Fathers Russell and McGuigan to Camp in Newfoundland.

Rev. Dr. William T. Russell, pastor of St. Patrick's Church, and Rev. Thomas E. McGuigan, assistant, left the city last evening for their annual vacation, which will be spent mostly in Newfoundland. Dr. Russell will make a brief stay in Baltimore, where Rev. Louis O'Donovan, of the Cathedral, will join the party, which will proceed first to Boston, whence, in company with Rev. Dr. Tracy, of St. Columbkille's Church, they will make a pilgrimage to the Shrine of St. Anne de Beaupre, near the city of Quebec.

With two guides to carry tents, provisions, a fishing and hunting outfit, the party will camp out in the wilds of Newfoundland, about fifty miles from St. Johns, and out of reach of Uncle Sam's mail, where they will lead the simple life for a few weeks and renew their strength for the labors of next season.

HONOR THE HOLY EUCHARIST.

Impressive Ceremonies Celebrated by Dominican Priests.

The interior of St. Dominic's Church presented an impressive scene last night, when forty white-robed Dominican priests and novices from the Immaculate Conception College assembled in the spacious sanctuary before an altar ablaze with lights and fragrant with flowers, and intoned the office of Compline in Gregorian chant.

The occasion was a special demonstration in honor of the Holy Eucharist by the newly-organized Archeonfraternity of the Blessed Sacrament, under direction of Very Rev. J. R. Moscher, O. P., prior of St. Dominic's Church.

Following the chanting of the evening office the procession formed in the Holy Name chapel, while a quiet of strings rendered selections. The procession was headed by the cross bearer and two candle bearers, who were followed by 300 little girls, robed in white dresses and veils, 300 men of the Holy Name Society, seventy choir boys, thirty-three Dominican novices, fifteen Dominican priests, twenty girls strewn flowers, six boys in continental costume carrying grapes, and six girls carrying sheaves of wheat, emblematic of the Holy Eucharist. Sixteen members of the Holy Name Society formed the guard of honor, and

JAMES PAUL WATSON A PRIEST.

Renounced the Episcopalian Creed to Become a Catholic.

New York, June 18.—Rev. James Paul Watson, who has been pursuing theological studies at St. Joseph's Seminary, Dunwoody, since he renounced the Episcopalian creed and left the Episcopalian monastery at Graymont-on-the-Hudson, of which he was the head, was ordained to the Catholic priesthood by Archbishop Farley in the chapel of St. Joseph's Seminary, Dunwoody, yesterday.

Father Paul, as he is best known, received the order of diaconate on Trinity eve, and if the usual course were pursued he would not be ordained until December. But as he has thoroughly mastered the studies necessary for priesthood, the archbishop notified him a few days ago to get ready for ordination.
