**ASK YOUR PHYSICIAN**

Every physician in Washington has been invited to visit our plant and laboratory, where our milk is treated and bottled. Over one hundred responded to this invitation on February 22, and about the same number last Saturday. We wanted them to see for themselves how perfect are our facilities for furnishing absolutely pure milk to the people of Washington. Ask any one of these physicians what he thinks of our milk.

**COUNTRY BOTTLED MILK**

Of all the dairies in Washington we alone treat and bottle our milk in the country, while it is perfectly fresh, we alone ship our milk to Washington in refrigerator cars and we alone deliver our milk to our customers direct from the cans. Our milk is fresh and sweet every day in the year—WE DO NOT DELIVER SOUR MILK.

**WHITE CROSS MILK**

Is sold under a positive guarantee that it is fresh, clean, and absolutely free from disease germs, not merely ordinarily, but EVERY DAY IN THE YEAR. Delivered daily at 8c.
