Termination of Fight at Reno Causes Trouble at New Orleans, Clarksville, Va., and Many Other Places—Knives, Razors, and Pistols Figure—Troops May Be Called Out.

New Orleans, July 5.—As was expected, the Johnson-Jeffries prize fight, especially its termination, caused a great deal of racial friction here, several riots and some loss of life. The negroes generally kept to themselves during the day, and the bulletins were not given out to mixed audiences.

Ellis Washington, a negro, was badly beaten by a number of white men, who were angry over the defeat of Johnson Hudson, a white boy, who was badly slashed by a negro for shouting for Jeffries, and a dozen negroes were locked up for disorderly conduct, growing out of the prize fight.

Two Men Killed. In a fight between whites and negroes at Alsatia and Enoka, in Madison parish, L. E. Roberts, a white man, and Henry Anderson, a negro, were killed, and two other negroes mortally wounded.

Most of the negro churches were open last night, so that Johnson's victory soon reached the colored population, which was very enthusiastic over the result. At all the stations on the railroad out of New Orleans great crowds of negroes were waiting to hear the news of the fight, and there was much jubilation over the result.

At the State Capitol at Baton Rouge, the result of the fight is said to have had a painful effect. Some of the legislators deserted the session to go to Reno. The others wanted to see the films displayed in the hall of representatives, but the governor forbade that.

May Call Out Militia. Wheeling, W. Va., July 5.—Rioting between whites and blacks was renewed at Clarksville, W. Va., and all day long there were encounters between a mob of several hundred white men and large numbers of negroes.

Philadelphia, July 5.—Edward A. Vallette, who was stabbed in a Johnson-Jeffries race riot at Woodside Park, is dying. As a result of a series of outbursts along Lombard and South streets, thirty negroes were arrested this morning. Each was sentenced to ten days in the county prison, or \$125 fine. A majority paid their fines out of their winnings on Johnson.

Negroes in Riot. Tyler, Tex., July 5.—A crowd of negroes engaged in a general fight following the accusation by one side that the other had favored Jeffries, and as a result, George Luck is dead from a pistol shot. Among the negroes wounded are Frank Sobratto, Luke Ranney, and Benjamin Harrison Moss. A posse of officials quelled the riot.

Alexandria, Va., July 5.—A motion for a new trial in the case of McMenamin against the Southern Railway Company was overruled to-day in the Circuit Court for this city, Judge J. B. T. Thornton presiding.

Judgment was entered for the plaintiff in the sum of \$100,000, plus interest. The case was taken to the Court of Appeals. This suit was recently heard in the foregoing court, the object being to recover damages in the sum of \$7,000 for injuries alleged to have been done to the complainant's home by smoke and soot from the engines and chimneys of the defendant company. A jury gave the plaintiff damages in the sum of \$2,250. Judge J. K. M. Norton represented the plaintiff and Col. F. L. Smith, the defendant company.

Argument on the demurrer to the declaration was heard and case submitted in the case of W. E. Sisson's administrator against the Southern Railway Company. The object of the suit is to recover damages to the property of the defendant, the death of William E. Sisson, who was struck and instantly killed by a train of the defendant company, west of this city, January 10 last. The railroad company's attorney, Lewis H. Moore, Harbour & Keith, and the plaintiffs by Attorneys Robinson Moncreux and Lewis B. Machen.

Police-men Sampson and Talbot have recovered about 13 pounds of brass supposed to have been stolen from the Southern Railway Company. The brass was found by them in a sack on Columbus street, between Wolfe and Wilkes streets, several evenings ago. It is now at police headquarters.

"What does all this mean," said John Jones, a negro early last night, when he saw an impromptu parade of negro children in the northeastern section of the city. "Johnson wins," was the quick statement of another. "Thank God for that," said Jones. Hardly had the words been spoken than he was arrested by Policeman Knight, a charge of disorderly conduct having been preferred by the officer.

George W. Hyde, a well-known paver, died last night at his home, 622 South Patrick street. He was about sixty-six years old, and besides his wife is survived by one daughter. The deceased was a native of Germany. He had, however, lived here nearly all of his life.

Hyde was a member of the Friendship Veterans' Fire Association. His funeral will take place at 2 o'clock Thursday afternoon from Wheatley's undertaking chapel.

A stranger, giving his name as John Emery, was arrested shortly before 9 o'clock to-night by Policemen Roberts and Garvey on South Washington street on a charge of disorderly conduct. Emery's actions attracted a resident of the neighborhood, who notified the police. Emery will be given a hearing in the Police Court to-morrow.

The July term of the United States Circuit Court for the Eastern district of Virginia, Judge Edmund Waddill presiding, will convene in this city at 11 o'clock to-morrow morning. A number of civil and criminal cases will be considered at this term. Only a petit jury has been summoned.

James J. Kelley will sail from New York to Ireland to-morrow, where he will spend several weeks.

Give the Sign. From the Detroit News-Tribune. It was during the late Spanish-American War. A wealthy merchant, who had left his business to offer his services to his country, was picking up and down on picket duty one dark night. Suddenly he detected sounds of approaching footsteps, and quickly brings his run into position, commanded in a sonorous voice: "Give the countersign!"

The person challenged proved to be an enlisted dry-goods clerk formerly employed by the merchant before the war broke out. As their eyes met a smile played around the corners of the clerk's mouth and he answered in a low whisper: "Cash!"

Then the merchant, bringing his piece to a right shoulder, let him pass and resumed his pacing.

Other Comets This Year. Halley's comet will not enjoy solitary glory. At least four other comets are due to cross the path of the earth this year. The first is known as the Temple's second period comet, discovered in 1873, July 3, at Milan. Its period is about five and one-half years, and it was rediscovered in 1878, 1884, 1890, and 1897. It is making the perihelion passage on the last occasion in November. It should therefore return this coming spring.

D'Arrest's comet, discovered in 1851, is the second comet, and is due to return during the summer of this year. Its period is about sixty-one to sixty-two years, and it was rediscovered at its return in 1857, 1859, 1860, and 1867. But it escaped observation, being unfavorably placed in 1902.

Forethought. From Stray Stories. "Mr. Grimes," said the rector to the vestryman, "we had better take up the collection before the sermon this morning."

"Indeed?" "Yes, sir, going to preach on the subject of economy."

Stalled Him. From the St. Louis Times. "The Wise Guy," Jones is making all kinds of money these days. The Wise Guy—Oh, why, he's been working in the mint for some time.
