PRICE OF MILK IS UNCERTAIN

Dairyman Say They Will Try to Avoid Increase.

Dry Season Causes Shortage in the Wholesale Supply, Which May Affect Consumer.

"It is our intention to keep the retail price of milk down to the present figure, and every effort will be made to that end at our meeting in Washington September 14," said W. A. Hartranft, president of the Dairyman's Association of the District of Columbia, Maryland, and Virginia, last night.

Announcement recently made that next month the retail price of milk would probably advance to 9 cents has caused a storm of protests from the consumers of Washington, Virginia, and Maryland.

A shortage in the wholesale supply has been given by dairyman as a reason for the proposed advance.

Dairyman say they are now paying 13 1/2 to 14 cents a gallon, and shippers are demanding an increase. Farmers say that the dry season has stunted the grass and they are forced to buy fodder for cattle, leaving no profit at present prices.

Watch for a City at Randle Highlands. Delegate Must Pay Own Way. Any one interested in the American Mining Congress to be held in Los Angeles, September 25 to October 1, will have an opportunity to represent the District, according to a statement issued by the Commissioners. The appointment does not carry with it any expense account or transportation.

Rites for James E. Bright. Funeral services for James E. Bright, who died Wednesday at the Sibley Hospital, will be held to-morrow afternoon at 3 o'clock, at the Trinity M. E. Church, Rev. Dr. France, pastor of the church, officiating. Interment will be in Congressional Cemetery.

CLAIM IS TOO TRIVIAL.

Soldier's Bill of 55 Cents Disallowed by Treasury.

Uncle Sam does not deal in small figures.

According to the Comptroller of the Treasury a bill of 55 cents is too trivial a matter for the government to consider. Such a decision was made by the Comptroller in the case of George W. Lambert, a discharged private of the Twenty-sixth United States Infantry.

On his discharge from the army in 1904, Lambert claimed the government was short 55 cents in his pay. The claim was disallowed on the ground that, in accordance with the published practice of the government, the amount is too small to warrant a settlement.

This Commuter Means Business. Nelson D. Stillwell, of Warwick, N. Y., yesterday filed complaint with the Interstate Commerce Commission against the Lehigh and Hudson River Railway Company and the Erie Railroad, the object apparently being to compel the carriers to return to him the sum of \$170. He says that he purchased a sixty-trip commutation book entitling him to ride between Warwick and New York City, and was compelled to pay the sum of \$13.20, while that prior to June 23 the rate was \$13.60.

Gude's Admirable Floral Work. Is the result of the artistic arrangement of the choice flowers. 1214 F.

Modern Woodmen Initiate. Columbia Camp, Modern Woodmen of the World, initiated two members at Pythian Temple last night. Twelve applications were received and favorably acted upon. Councilor Reppert made a short address.

China's Delegates on Way. China's delegates to the international prison congress, which meets here September 28, have sailed from Shanghai on the Pacific Mail Steamer Manchuria. The delegates are Chien Shao-cheng, Cheng-yung, and Li Pang Ahlo. Two students are also in the party.
