Princeton May Build New Stadium. Princeton, N. J., Dec. 2.—The Athletic Association at Princeton is discussing the necessity for a new stadium, and it is expected that soon something definite in that direction will have been done. The Alumni Weekly suggests a plan by which the required funds might be obtained. It is proposed that the university build the stadium on the condition that the Athletic Association pay into the general treasury 5 per cent annually of the funds invested, the association to have the privilege of paying off the principal from time to time, as they are able. Thus the stadium would belong to the Athletic Association, and its cost would go to the university as an endowment to be reinvested.

EASTERN TEAM FETED

Capitol Hill Eleven Honored by the School.

WEAVER IS 1911 LEADER

Enjoyable Spread, Speeches, and Songs Mark Wind-up of One of Most Successful Seasons in History of School—Coach Charley Donnelly Rewarded for His Work.

Eastern High School's football team was the guest of the faculty and alumni at a "spread" held in the Capitol Hill school last night.

After the dinner it was announced that Weaver, the stocky full back, had been elected captain for 1911. The choice was a popular one, and he is counted upon to maintain the reputation Eastern established this season.

The Eastern football team has finished one of the most successful seasons in the history of the school. The team suffered only one defeat, that by Central, in the opening game.

Charley Donnelly, the old Holy Cross star, coached the eleven, and to his untiring efforts success was due. In appreciation of his services to the school the school gave him a handsome watch fob.

The men at the table were ex-Capt. Parker, Capt.-elect Weaver, McCaffery, Defendorf, Wright, Williams, Pope, Wilson, Whitman, Sanderson, Smith, Chase, Evans, Baker, McGiffin, Wells, Crisp, Unger, Hughes, Rapaport, McCoy, Fitzhugh, Duval, Cobill, Swartz, J. Donnelly, and C. Donnelly, who coached the team this year and to whom all the credit was given in the after-dinner speeches that were made by Mr. Wallis, Coach Donnelly, ex-Capt. Parker, Defendorf, Evans, Capt.-elect Weaver, McCaffery, Simpson, Mr. Field, and Dr. Small.

The men at the table were ex-Capt. Parker, Capt.-elect Weaver, McCaffery, Defendorf, Wright, Williams, Pope, Wilson, Whitman, Sanderson, Smith, Chase, Evans, Baker, McGiffin, Wells, Crisp, Unger, Hughes, Rapaport, McCoy, Fitzhugh, Duval, Cobill, Swartz, J. Donnelly, and C. Donnelly, who coached the team this year and to whom all the credit was given in the after-dinner speeches that were made by Mr. Wallis, Coach Donnelly, ex-Capt. Parker, Defendorf, Evans, Capt.-elect Weaver, McCaffery, Simpson, Mr. Field, and Dr. Small.

Next on the programme came a parody by the whole school about the team. The song of the boys was "It Looks Like a Big Night to-night." It looks like a Big Night to-night.

Coach Donnelly was next to speak, and talked on school sports, and also pointed out that Eastern's success was due to the faithful manner in which the team trained.

Manager Defendorf then took the stand and gave the record of the past season. The record follows: Gallaudet 6, Eastern 0; Rockville 0, Eastern 29; St. James 0, Eastern 32; Gonzaga 0, Eastern 12; Central 20, Eastern 0; Western 0, Eastern 5; Business 0, Eastern 6; Technical 0, Eastern 0; Cathedral School 3, Eastern 6.

A parody followed, taken from "Come Along, My Mandy." Evans, who was announced as a loyal substitute, took the stand and said the reason he thought such a fine showing was made was due to having the best quarter back, the best coach, and that the faculty took an interest in the team, something that they have not done in years.

Weaver, the captain-elect, spoke next, and talked on behalf of the team. He thanked the members for electing him captain, and retired gratefully to the back of the room.

McCaffery gave the credit for the great showing of the team to the coaching of Donnelly and stated that they would carry off the championship next year.

Cheer Leader Simpson Talks. Simpson, who led the cheers at the Interhigh school contests, then took the stand, and he was given a rousing cheer. He spoke on the great coaching that Donnelly gave the team and said that it had not been the Central game was played early the team would have given them a harder run.

A song followed, by the girls of the school, to the tune of "Any Little Girl is a Nice Little Girl." The girls sang a feature speech of the evening came next, when Mr. Field, father of Jack Field, who played half back on the Yale team, took the stand and was cheered by the whole school. He boosted the game along and said that it taught the boys a good lesson. He said that a man who went into life with the spirit that the Eastern boys showed in their games was bound to succeed, but the only fault that he could find with the game was that the girls could not participate. In the Northwest part of this country, he went on to say, when you pass a schoolhouse you can always see the girls out in front playing basket-ball and the boys are rooting. It may seem funny to some people to see a girl in basket-ball bloomers, but is not as bad as seeing them in a hobble skirt. This made a decided hit with the whole assembly.

Dr. Small was the last one to take the stand, and stated that the showing this year made by the team was due to the fact that the boys had proper training, and the coaching that they received was of the best in the city. He stated during his speech that the physical laws of life would not allow a man to smoke constantly or stay up until 12 at night and then expect to play the game of football as it should be played.

The last event on the programme was the presentation of the letters to the members of the football team that participated in two full halves. Twelve men received the coveted letter. They were Parker, Weaver, Wright, Williams, Pope, Whitman, Sanderson, McCaffery, Defendorf, Smith, Chase, and Evans. Dr. Small gave each member a short talk when he presented the letters.

While Pittsburg baseball officials laugh at the idea of trading their great shortstop, Hans Wagner, to Cincinnati, they don't deny that the big fellow's usefulness to the Pirates is at an end.

Managers of boxing clubs in New York are not so sure that they want a boxing law. They suggest a mass meeting of club owners to talk it over.

Johnny Evans' intense desire to coach the Middies died out after he talked with Charlie Murphy. The conversation cost the Cubs' manager the price of an airship.

Lajoie boosted his batting average more than fifty points by resigning as manager. Now he is going to quit as captain. Lajoie figures that he will beat out Cobb next year, even if he has to cut two syllables off his name.

Yale Favors New Football. New Haven, Dec. 2.—Seventeen Yale football men, who got their "Y's" fall, gave their views to-day to the Yale News on the new football rules. Their general opinion is that the game is more interesting both from the players' and the spectators' standpoint. There is less danger attached to the present game, and they all think that a man has to use his head more than ever before.

The bout was marred by clinching tactics on the part of the sailor, who, however, did not quit under fire and put up a better fight than usual.
