TO TEST LIGHT LAW

Vehicle Owners Will Fight Ordinance in Court.

HOLD BULGING UNNECESSARY

Also Contend It to Be Without Legal Foundation and Decide to Answer Commissioners' Failure to Grant Extension of Time by Testing Regulation in Police Court.

A test case in Police Court will decide the legality of the new regulation placed into effect by the Commissioners prescribing that horse-drawn vehicles must carry tall lights after dark.

The only action taken by the Commissioners yesterday was to reply to the petitioners, stating that their request would be considered.

Point Out Fire Risks.

The protests of the teamsters and transfer interests embrace several points. In their communication to the Commissioners, they declare the regulation to be without necessity or legal foundation.

Some of the palm trees, used lavishly in the interior of the lobby, are in the way of the traffic.

MISS GOURLY A BRIDE

Wedding Celebrated in Picturesque Calvert County Home.

The old Colonial home of Mr. and Mrs. Thomas Blasco Gourley, at Holland Point, on the picturesque Patuxent River, in Calvert County, Md., was the scene of a beautiful wedding Friday morning.

At that meeting of the Chamber of Commerce it was decided to appoint a committee, and its selection was left to the president, W. F. Gude, who has just made his appointments.

Glenn Brown, in his excellent illustrated lecture before the Chamber of Commerce in December, made such an impression on the business men of Washington that the Chamber was prompted to co-operate with the American Institute of Architects in carrying out the plans of the park commission to beautify the city.

The bride came down the wide staircase escorted by her father, who gave her in marriage to the groom.

The maid of honor, Miss Henrietta Ashcom Gourley, sister of the bride, wore rose satin trimmed with bands of silver and carried a bouquet of Marshall Niel roses.
