

Woodward & Lothrop, New York—WASHINGTON—Paris. Women's High-class Tailored Suits.

MANY ATTRACTIVE MATERIALS AND MODELS AT THESE THREE MODERATE PRICES—

\$18.75--\$25.00--\$35.00

OUR complete assemblage of Tailored Suits is an exhibition worthy of the highest commendation. The new and correct styles are clearly depicted and in a number of beautiful materials, the notable superiority of which speaks the highest degree of desirability in fashionable suits.

Unlimited attention has been given to our assortments at moderate prices—suits that are the acme of perfection, and that combine individuality with moderateness of prices.

There Is Style in the Fashioning, Attractiveness in the Materials, Correctness in the Tailoring.

At \$18.75—Men's Suiting Serge, in black and navy blue; Cheviot, in black, navy, and brown. New and smart style notes are seen in these suits, the equal of which is but seldom obtainable at the price.

At \$25.00—Cheviots, Mixtures, Shadow-striped Serges, Plain Serges, Twills, Basket Weaves, and Broadcloths. A wealth of fabrics and an equally attractive array of shades, including the new cream. Tailor-made coats, many trimmed effects; also wide-rever models. The skirts represent every style—panel fronts, with flying panel; side-plaited effects; braided panels, etc.

At \$35.00—Broadcloths, Cheviots, Two-toned Whipcords, U. S. Army and Navy Serges, Men's Suiting Mixtures. At first glance you can see that every popular note of fashion has been struck in these suits. Many of the patterns in materials are exclusive, and designs are copied from French models priced much higher.

Particularly worthy of mention are the great number of Suits in navy blue serge—a material and color always well liked, but more prominent this autumn than for some time past. Especially attractive are those of the U. S. Army and Navy Serge, shown here exclusively.

At \$50.00, \$55.00, \$60.00, and up to \$150.00—Suits that represent the most handsome and altogether the most elegant garments of their kind. Many diverse effects, more new designs and conceptions than we have ever shown.

BOOKS FOR BLIND GIFT OF COUNCIL

At last night's session of the full council of the general conference committee of Seventh-day Adventists at Takoma Park a special appropriation of \$6,000 was voted for the publication of papers and books for the blind, to be printed in the point system. It was voted to authorize the treasurer of the general conference to call a convention of the auditors of the different conferences in North America.

In order that the methods of book-keeping for the denomination may be systematized. Elder N. Z. Town, of Takoma Park, assistant secretary of the publishing department of the general conference, will leave this week for Mexico and Central America. Prof. Frederick Griggs, president of Union College, Lincoln, Neb., submitted an offer by the alumni of Union College to send to some mission field every year one of the members of the alumni and support him for one year, or to establish a school in the Orient and provide for its financial support permanently. The plan was adopted and a vote of appreciation taken.

ERLEBACHER'S Entire Stock of Suits, Coats, Gowns, Dresses, Waists, Skirts, and Furs, Amounting to \$50,000 MUST BE CLOSED OUT AT ONCE By Order of P. CURTIS KO EUNE, Fire Adjuster of Baltimore and Philadelphia. SALE NOW GOING ON The sale started yesterday morning and the store has been crowded ever since. The women appreciate that this is the greatest bargain event of years in women's apparel. You know Erlebacher's reputation for showing the most dependable and exclusive merchandise. They couldn't afford to keep one garment in stock that was here prior to this fire, even though it was faultless and not even smoked up. Their trade insists on the best of everything, and naturally there would be some doubt if they did not make a complete clearance and open with a new stock in each and every department. THAT IS WHY WE HAVE THEIR ENTIRE STOCK ON OUR HANDS. We want this sale to be brief as possible and have marked the articles at fractional prices. During this sale no goods C. O. D., exchanged nor taken back. A charge for alterations at cost. By order of P. CURTIS KO EUNE. Sale at Store, 1222 F Street.

Society

DE LACY'S ADVICE HEEDED. Parents of Two Boys Have Their Adenoids Removed. Believing in the advice of Judge William H. De Lacy, of the Juvenile Court, who is a strong advocate of the surgeon's knife in cases of adenoids, which he says tend to stunt a child's growth, mentally and physically, the parents of five-year-old Ernest, and three-year-old Mason Woodruff, of 1130 Fourteenth street northwest, took them to the Northern Dispensary and Emergency Hospital yesterday afternoon and had their tonsils and adenoids removed. Both children stood the operation in good shape. Both were given ether. Judge De Lacy contends that adenoids have oftentimes been responsible for criminal tendencies, and dullness in general.

RETURN FROM GERMANY. Gen. Wotherspoon and Garlington. New Kaiser's Army. Brig. Gen. Wotherspoon, head of the Army War College, and Brig. Gen. Garlington, Inspector General of the army, returned yesterday from Germany, where they witnessed the annual maneuvers of the German army. They made an informal report to Secretary Stimson and to Gen. Leonard Wood, Chief of Staff. These two officers declared they were greatly impressed by the magnificent work of the German soldiers.

Peeling the Face (From Modern Housekeeping) Women are beginning to realize how dangerous and how unnecessary is the painful and expensive surgical operation known as "face-peeling." Many clever society women noted for their exquisite beauty, accomplish the desired result themselves at home, with perfect safety and no pain, expense, or detention indoors. They simply use ordinary mercurochrome wax, which can be obtained at almost any drug store. It is applied at night like cold cream and washed off in the morning. The mercurochrome wax slowly absorbs the half-dead outer skin, causing it to flake off day by day in fine, almost imperceptible particles like snow. The fresh, vigorous, young skin underneath soon shows forth, blooming radiantly with health and beauty. The face begins to look years younger, though the use of the process absolutely defies detection by the closest observer. Naturally this process also removes all such minor facial blemishes as freckles, tan, moth patches, liver spots, fine wrinkles, pimples, etc.

ALIMONY NOT INCREASED. Wife Must Live on Manicure Fees and \$15 a Month. Chief Justice Claiborn, of the District Supreme Court, yesterday signed an order in the divorce suit of Agnes L. Alloworth, a manicurist, against Thomas P. Alloworth, continuing alimony at \$15 a month pending the outcome. Mrs. Alloworth recently asked the court to increase her alimony, saying that her husband received \$100 a month at the Bureau of Engraving and Printing, while she averages only \$7 a week. Alloworth contended that his wife earned \$12 a week, and asked the court to discontinue, instead of increase, the allowance.
