IN ONE LESSON

THE QUICK WAY

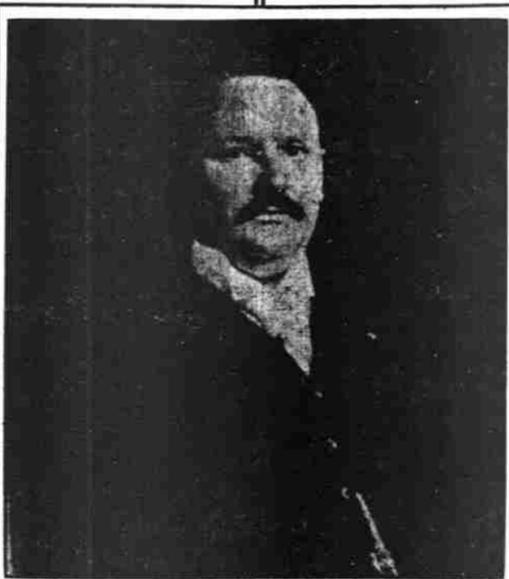

The Easy Way---The Best Way

THE ONLY WAY

By Prof. Bungart's Wonderful Demonstrative Conversation Method than you can learn by any other method, or in any other school, in three or four lessons---

And We Can Prove It

You will be astonished after taking one lesson how easy it is to learn any of the above languages by this wonderful method. You may not believe it if we tell you that you can speak German--some German, French, Italian, or Spanish--after one lesson. But it is really so, and we want to convince you by a trial lesson without cost to you.

PROF. BUNGART, PRINCIPAL.

To learn a language thoroughly--to understand and to be understood. Our method of instruction is based on years of active experience. We employ only superior

Native Teachers

All languages taught as spoken in the native land. We guarantee to teach students to speak, read, and write any of the above languages in a very short

time. Open from 9 a. m to 9 p. m. Private and Class lessons. The school remains open all the year. Arrangements for lessons may be made for any hour. Special attention to beginners. Terms very reasonable.
