18th Annual September Furniture Sale

When This Sale Opens Every Piece of Furniture in Stock Will Be Reduced in Price.
An Installment Account Can Be Opened at a Slight Advance on Prices.

Fumed Art Reed Furniture

These exquisite pieces in Art Reed are the remainder of our season's stock of the Heywood and Wakefield ware, and are to be sold just as they are, as odd pieces. They could not be duplicated for double the money, but we never carry over these summer goods—hence the big reductions.

The Reason Why

Washington is not regarded in the commercial world as one of the big marketing centers. And yet we can, and do, undersell the "big markets," for the simple reason that we can buy from the factories cheaper than they can.

Why is this? Because the factories cannot afford to demoralize the markets of the larger cities by flooding them with their "end of the season" output, which has to set the pace for bargains. We take advantage of this condition to stock up for this September Sale. The factories need the money, and we need the goods for our large and constantly growing patronage.

The merchant who underbuys the market is in the best position to undersell.

Fumed Oak Furniture

These fine Fumed Oak pieces are in the favorite light and dark shades, and in best designs.
