Our Boys' Suits Are Designed and Tailored Especially for Them.

FREQUENTLY parents don't pay enough attention to the manner in which their Boys' Suits are designed and tailored. They purchase on a basis that does not consider these very important points. They should not be omitted, however. We don't omit them in having the suits made, neither do we treat them lightly, or any other feature of our suits. Our suits are produced so that serviceable worth, excellence of style, and economy of price are possessions of every garment—possessions that benefit the customer.

Many fine fabrics and new patterns are embraced in our complete fall-winter assortment now on display.

\$5.00 to \$15.00 each.

Reefers Are Needed for Wear Now.

Reefers are practically an immediate necessity, and our selections are comprehensive enough to permit the most satisfactory choice. Blue serges, fancy checked, and mixed patterns; all qualities are the best at their prices. Some have velvet collars, many with chevron on sleeve.

\$3.95 to \$8.50 each.

Hats and Caps in All New Styles.

Hats and Caps were never so numerous in style; the differences are not merely to gratify the makers' desires for variety, but are well thought out models that are becoming, smart, and comprise the points of style boys will admire.

Hats \$1.00 to \$6.00
