OUR ANNUAL SUMMER CLEARANCE OF LACE CURTAINS

Sharply Reduced Prices Bring the Greatest Values of the Year.

Many have found that these annual sales which we hold each season offer such choice for selection that it is exceedingly profitable to give consideration at this time to their winter household needs. Fully one-fourth to one-half regular prices can be saved by purchasing now. We use the occasion to bring immediate disposal to odd lots and incomplete assortments, patterns in one to six pairs of a kind, remaining on hand preparatory to the opening of the regular season. To these we have added a special purchase bought at a concession. The entire collection embraces Imported and Domestic Curtains of the highest character and design.

- Renaissance Curtains \$3.00 to \$20.00 pair
- Cluny Lace Curtains \$2.00 to \$8.00 pair
- Irish Point Curtains \$4.00 to \$8.00 pair

Averaging one-fourth to one-half less than regular prices.

SMART MOURNING DRESSES AT SPECIALLY LOW PRICES

With quite a larger display of Mourning Apparel this season than ever before, it is but natural that the end of the season finds our assortments greater than we desire them. We therefore offer the following much below regular prices.

Mourning Dresses, of crepe de chine, crepe meteor, and china silk. Most of them are simply fashioned, as becomes mourning apparel, with beautifully draped skirts, finished with buttons or cordings of silk. Some have high neck of black net. Each garment is handsomely made and of refined style, many of the models being exclusive with us.

The Crepe de Chine and Crepe Meteor Dresses are samples and are in sizes 36 and 38 only.

\$25.00 and \$29.50 each. Regularly \$35.00.

The China Silk Dresses are in all sizes, and are marked \$12.75 and \$25.00.

Regularly \$18.75 and \$35.00.

Third floor—G. S.

BLACK AND COLORED SILK DRESSES REDUCED FOR CLEARANCE.

\$29.50 to \$62.50.

Formerly \$45.00 to \$125.00.

As the above prices indicate, reductions averaging one-half have been made on our remaining stock of High-grade Black and Colored Silk Dresses. Excellent quality charmeuse, crepe meteor, and canton crepe, made in the newest and most modish styles of the season. Models of exquisite styling and design, some having the much favored jacket of tucked chiffon, while others have separate fancy coats of embroidered chiffon. Touches of color and dainty laces give them a distinction far from the commonplace. The skirts are gracefully draped in various ways. Garments of this character find much use far late into the season, and at the specially low prices are of interest to every woman.

Summer Hints to Mothers Who 'Care'

Seasonable Advice on the Health of Children in Hot Weather.

It is well that mothers be advised not to over-feed the children during the hot months. No one requires as much food in summer as in winter. Feed the children the lighter and more easily digested foods. See that the milk is cool and kept away from flies. Be careful that the fruit is ripe, and if the child begins to scratch the skin, indicating too much acid in the blood, deprive it of fruit for several days.

It is quite natural that under these conditions there will be some digestive disturbance, such as constipation, indigestion, or summer diarrhoea. It may be accompanied by a cold or by eruptions of the skin. The timely remedy, and one which you can rely on for results, is a small dose of Dr. Caldwell's Syrup Pepsin on retiring, and by morning the bowels will move and the trouble will vanish. The exceptional tonic ingredients in this remedy will tone the stomach and enrich the blood, and the child will feel its usual self again. Many families like that of Mr. William Weber, 23 Edwin Place, Buffalo, N. Y., who uses it for foul breath and constipation, and Mrs. John Wallace, Scottsville, Ky., who finds it valuable to herself as well as her children, are never without it, keeping it for just such emergencies. You also can obtain a bottle of Dr. Caldwell's Syrup Pepsin at fifty cents or one dollar of any druggist. Families which once use this pleasant-tasting laxative forever after discard cathartics, purgatives, salts, and pills. Families wishing to try a free sample bottle can obtain it, postpaid, by addressing Dr. W. R. Caldwell, 415 Washington St. Monticello, Ill.

WOMEN "PILGRIMS" MAKE GOOD PROGRESS

Suffragists on Way Here for Demonstration July 31 Speak at Open-Air Meetings.

Word was received yesterday at the local suffragist headquarters of the rapid progress made by the various bands of "pilgrims" on their way here for the constitutional amendment demonstration July 31.

The details of the demonstration are rapidly assuming definite form, and the official program will be announced in the next day or so. Word was received yesterday that a large delegation of suffragists from Baltimore would be on hand.

Miss Jeanette Rankin, who is making the trip from her home in Montana in an automobile, arrived in Pittsburgh yesterday. According to reports received here she has added thousands of names to the petitions to be presented to Congress for the constitutional amendment. The two parties of "pilgrims" on their way from Boston yesterday reached Springfield, Mass., where they held large open-air meetings. Miss Mabel Vernon, of New Jersey, who is leading a large delegation of women to this city, held a big meeting yesterday in Millville, N. J. Arrangements are being made at Hy-

attsville, Md., for the reception of the "pilgrims." They will be met in the Maryland suburb by a large delegation of Washington suffragists and escorted to the local headquarters, where an open-air meeting will be held.

Chevy Chase Lake. Mid-season finds Chevy Chase Lake as popular as ever, the nightly attendance growing larger, if anything, as the summer lengthens. Marine Band programs every evening and free dancing in the great pavilion are the lodestones that attract the crowds. The bandmaster appears to consider every taste in making up the programs, and those who enjoy classical selections as well as those who find pleasure in ragtime rhythm can hear their favorites rendered by the best players from the Marine Band. Dancing concludes the evening, the floor being free to all who respect the edict against "freak" dancing. Cool evenings, and they are the rule at the lake, find both bowling alley and shooting gallery well patronized, while the swings and merry-go-round are attractions that "draw" at all times.

License to Practice Pharmacy.

The District Board of Pharmacy yesterday announced that the following applicants have been licensed to practice: Jacob Waldman, Lawrence Butler Wiley, Albert Marian Kloczowski, George Robert Riddley, Gratton Emory Clair, Ralph White Feller, and Ralph Van Bickler Chamblin.
