

NEW HALF-MILE TRACK IS OPENED

Gala Crowd Turns Out at Inaugural of Brightview Driving Park.

RACE CARD IS GOOD

Benton M. Ray's Dr. Ray Ramps Home First in Class A Trot.

Rain Halts Two Events.

Coleville, Md., Nov. 27.—Today was an epoch-making one for this part of old Montgomery County.

For this was the day set apart by Javina Brothers, John and Francis, of Washington, for the dedication of their new half-mile trotting track on their country estate near here, right at the Brightview, because of its superb view of every point of the compass as far as the eye can reach.

Contrary to expectation, the threatening weather early in the day did little to deter a large number of invited guests. Long before the noon hour they came on foot, on horseback, in carriages and motor cars, for the purpose of paying their personal tribute to the energy and enterprise of the men, who at great personal cost, have pioneered the way for the uplift of the American trotter in this section of the country.

Congratulate Owners.

Numerous were the felicitations and congratulations showered upon the masters of Brightview. Especially was this true, when they were escorted to the new track and inspected the first of the new country estate near here, right at the Brightview, because of its superb view of every point of the compass as far as the eye can reach.

Proceeding the racing sport of the afternoon was a huge oyster roast, free to all who wished to partake. And they partook, irrespective of race or previous condition of servitude. The black man rubbed elbows with the neighbor and the legend, "check your razors here," was conspicuously absent at the entrance of the dining hall. Long before the sport of the day began, and in fact, before the guests began to arrive, Mrs. John Javina, in a patriotic impulse, ordered a large American flag to be hoisted on the standard in front of the mansion as a welcome to all who might come.

The new track at Brightview is situated on a hillside, and the stretches of the track are of unusual length, a great advantage for speed making. The upper turn is broad and well thrown up, but owing to the conformation of the land and the fact that the first turn is the hardest to negotiate at extreme speed. During the newness of the course, and the rainfall during the afternoon, fast time would not be expected. The threatening rain, which a number of town horses did not arrive.

Give Handsome Prizes.

The prize in each event was a handsome silver cup to the winning horse. In the Class A trot for colts, Benton, Mr. Ray's Dr. Ray (aged), won rather decisively over the carm colt, Francis and John, the latter the winner of the Washington Herald two-year-old trotting stake.

The Class B trot for bays furnished a hot contest, which was won by Bob R., driven by Bernard Dougherty in a spic-and-span new green uniform. Even the sulky in which he sat was painted a rich emerald color, which made Barney the cynosure of all eyes. Frank Thomas piloted the veteran pacer, Dan T., and Charles Davis drove his famous pacer H. J. Bird. But when the returns began to come in it was found that Bob R. was the reliable trotting horse that he has ever been, and he put it on his competitors in two straight heats.

Rain Halts Card.

Rain prevented the Class B trot or pace from being fought to a finish. Franklin E., driven by Thomas, won the first and only heat that was run. The old Kushan making him stop a lively clip through the stretches.

The judges and timers were K. F. Hall, John M. Boyd, and Charles Lightbrown of Washington, and L. B. Sale acted as starter.
