"Big Train's" Wallop Wins from Mackmen Johnson Comes Through with Timely Circuit Clout In Third Inning, Nationals Trimming League Leaders by 2 to 1 Count.

Special to The Washington Herald. Philadelphia, Pa., Aug. 14.—The manifold talents of Walter Johnson broke the winning streak of the Athletics today and gave the local club their first defeat since August 2.

Washington won by the narrow margin of 2 to 1 and not only did the big Kansan pitch wonderful ball, but he also made victory sure by bouncing a home run in the last half of the third inning. This titanic lick decided the game.

It is true that the Athletics touched up the star rather freely. He was planked for eleven safe drives, but was never better than when under fire. Johnson fanned six opponents, and in every case they checked batting rallies. In no fewer than five instances the strike-out route retired the side with men on bases. Nine Mackmen were left, which tells the story of the defeat in a pecan shell. It was a brilliant exhibition on the part of Johnson, who has not won many games at Shibe Park this year.

In the matter of hits, Bresler looked to have pitched better than Johnson, but he wasn't quite so strong in pinches. He was hit safely eight times, one of them being Johnson's round-trip wallop. The winning run was compiled in the sixth, with two men down. Gandil started a belated rally with a two-base drive, and Morgan batted him home with the knock-out run on a clean single.

Johnson had a score for a second or two in the ninth. With one out and nobody on, Schang was designated to bat for Bresler. This savage batsman thumped the first ball served against the left-field bleacher fence for the hardest hit made off Johnson during the game. It was a clean double, but Schang wasn't satisfied with this and tried for third. He was easily thrown out by released thrower, Morgan, cleverly handling the ball after McBride fumbled it.

In the first inning, with two out, Collins walked and flied second. Baker then dribbled a grounder to Morgan for the third out. The Mackmen again missed fire in the second. McInnes beat out a bouncer to Foster. On the hit-and-run McBride ran back to the plate he had just vacated and made a good stop of Strunk's single. Stuff had to stop at second.

Barry bunted four twice and then fanned. Lapp popped to Gandil. Bresler drove a long liner to left that was foul by inches and then struck out. Gandil and Shanks made singles in the second but as Chick was being pitched to steal second, nothing came of the swats. Johnson put his side in the way of victory by personally making the first run in the third when he lashed the ball into the bleachers and walked around.

Lapp's single was deflected by Johnson to McBride in the fifth trying to beat Bresler hit to Johnson, who nipped Lapp at second. Murphy shot a single to center. Oldring hit to Foster and Bresler was forced. Then Collins batted. Washington increased its lead in the sixth. There were two dead birds when Gandil stabbed a wicked double to left. Morgan was schorned to the plate. His single to left put Chick over with the winning run.

The Mackmen molded their only tally in the last half. After Johnson had pitched to Gandil, McInnes slashed a double to left. Johnson fanned Strunk, but Barry rammed a flaming single to center and McInnes made the only Mack visitation to the plate. Lapp drew a pass, but the rally ended when Bresler trickled out. Gandil to Johnson. Oldring reached second in the seventh on his single and an out. Baker could not

YANKEES BEATEN IN BIG DOUBLES

Australian Team of Brookes and Wilding Defeat McLaughlin and Bundy.

DAVIS CUP IS ROCKING

Americans Will Have to Make Uphill Fight Today to Retain Trophy.

Special to The Washington Herald. New York, Aug. 14.—The Davis Cup is rocking. It began to roll today when the Australian team of Brookes and Wilding, won the doubles from McLaughlin and Bundy by the straight tally of 6-3, 6-4, 5-1. The victory leaves the Americans in the lead, with two matches to one, and they need but one more match when Capt. Brookes will be at liberty to tuck the trophy under his arm and head for the country "down under."

It was not an overwhelming rout by any means, and perhaps the expert will say we should have won, and probably we would if McLaughlin was himself. True, he was in the match today in spots and flashes, but he was not the same McLaughlin that lowered the colors of Brookes on Thursday. The great Californian was listless, his smashing was inaccurate, his lob was weak, and his otherwise terrific service was without effect. With the exception of the first set, Bundy did well, and came in for a great ovation from the crowd. Still, McLaughlin and Bundy played their best and put up a much better battle than was generally expected.

As a team the Australians could have hardly played better. No such combination in doubles has ever been seen on this side of the water. Not once during the three hard hits did they clash, and in going after the ball they appeared to be in the right position every time. What was most surprising was that they could return all sorts of shots across the net, and although they exhibited some weakness in handling the lob of both McLaughlin and Bundy and in the majority of cases won out on the tossing rallies. It is agreed on all sides tonight that nothing short of a miracle tomorrow will save the cup. Two matches remain to be played and if by chance we should win both the trophy will stay. Williams is billed to play Williams in the first match, and McLaughlin will meet Wilding in the second.

PHILLIES WIN UPHILL GAME FROM DODGERS

Phillies Overcome a Five-run Lead and Beat the Brooklyn Club, 8 to 7.

Brooklyn, Aug. 14.—The five-run barrier established by the Brooklyn club in the early part of the game could not baffle the Phillies, who fought steadily uphill until at the end of the battle they found themselves one run to the good, winning by an 8 to 7 score. The game hung in the balance throughout.

Emerald tied up the series in Class A, one and one all, when they hammered two Eastern pitchers in an unmerciful manner yesterday at Central League Park, the Georgetown outfit landing the big end of a 10 to 5 score.

King Cole, who started the pitching for the Potomac Leaguers, was greeted with three successive blows in the opening and when the dust was settled Emerald had chalked four tallies up in the run column. Although wild in the second session Cole held the Georgetown crew safe, but in the third it was the same story as the first, and after two bingles and three runs had been scored off his delivery he was hoisted. Mitchell, who relieved Cole, fared but little better, and when the third inning was over, from which they were never headed.

"Meris" Mitchell was given his pounding in the fourth inning, when four hits netted the Georgetown outfit three more runs. After this session the Potomac League youngster allowed but one bingle, this coming in the sixth, when G. Rawlings secured his second swat of the evening. Eastern tallied its first run of the game in the fourth, when Fitzgerald hit to center and scored on Johnson's drive to left field fence. The Potomac Leaguers came back strong in the fifth session, and tallied four runs off two bases on balls and three hits. Scores:

Postoffice won its first game in the Section C series of past-season games yesterday when they buried Holy Name under an avalanche of hits and were aided to increase their score of 12 to 2 by the erratic work of the church boys. Nops started in the box against the Leaguers and was driven to cover after eleven men had crossed the plate, the climax coming in the sixth when Barnhart came up with the bases loaded and cleared them with a terrific drive over the left field fence, making the round of the circuit off Nops.
