

SCHOOLS REOPEN SEPTEMBER 13

Date Is Decided on Meeting of School Board in Alexandria.

WAR ON UNLICENSED DOGS

Police Shooting Canines That Apparently Have No Owners—Meeting Discusses Foreign Missions.

Alexandria, Va., Aug. 12.—Alexandria's public schools will reopen for studies the week beginning September 13. This date is the one fixed upon by the city school board at a meeting held tonight in Lee School building.

Work of issuing permits will be started by Harry D. Kirk, clerk of the school board, September 7, and on September 7 and 8 permits will be issued to white children and on September 9 to colored children.

All children living west of Hooffs Run, in the recently annexed territory, will obtain permits September 10, they to be given out at the West End School building.

The question of obtaining suitable quarters for the overflow pending the erection of the new high school building was discussed by the board, and the matter was referred to the committee on school houses and furniture.

This committee, it is expected, will arrange for quarters within a short time. It is stated that the board has several places under consideration. It will be necessary to obtain temporary quarters pending the erection of the new high school building. It is hardly thought that this structure will be completed and ready for occupancy before December 1.

At the last session of the schools the rear end of the Cameron apartment house was used by the school board, several hundred children in the primary departments being taught there. Whether the board will be able to secure this building again is not known.

A war against unlicensed dogs and their owners soon will be started by the police department. A list of those who have taken out dog licenses from Auditor E. F. Price today was furnished to the police, who are looking after delinquent owners of dogs. All of those who were not taken out the required license, which costs \$1.50, will be taken to the Police Court and will be subject to the imposition of a fine. The police are shooting dogs that apparently are without owners. Unlicensed dogs are roaming the streets and conveyed to the city pound to await claimants.

A mass meeting in the interest of foreign missions was held tonight in the First Baptist Church, under the auspices of the Potomac Baptist Association, which convened yesterday in the Del Ray Baptist Church. A number of prominent speakers made addresses. Rev. Dr. W. P. Watson, pastor, presided.

Among the matters discussed at today's session of the association were: Laymen's movement, temperance, ministers' relief, education and home missions. The association will conclude its sessions at noon tomorrow.

Thomas Syncox, 83 years old, died early this morning at his home near Occoquan, Va. He had been engaged in farming. Mr. Syncox's funeral will take place at 2 o'clock Friday afternoon from the home.

At the Alexandria Hospital tonight it was stated that the condition of Harvey Struder, who was found at the Potomac Railroad yards suffering from concussion of the brain and other injuries, thought to be slightly improved, although Struder is unconscious at times. Owing to Struder's condition it has been impossible to get a statement from him as to how he was injured.

The degree team of Potomac Lodge of Odd Fellows has completed arrangements for conferring the second degree of the order on a class of eight candidates Friday night.

John R. Edelen has returned from Richmond, where he visited his niece, Miss Clothilde Edelen.

The coaches were badly damaged and were badly damaged. TELLER ACCUSED OF THEFT.

Leon Perrin Arrested on \$10,000 Embezzlement Charge.

Cedar Rapids, Iowa, Aug. 12.—Leon Perrin, former paying teller of the Cedar Rapids National Bank, was arrested today on information sworn to by Kent C. Ferrin and Charles M. Averill, managers of the bank, charging the embezzlement of \$10,000.

Perrin's arrest came after he had made a second confession in which he admitted he had been stealing money for more than a year, but on the day before the supposed robbery he had stolen \$10,000, which he had hidden in the cellar at his home. Earlier in the day Perrin had repudiated the earlier confession.
