BERBERICH'S want you to see their fall and winter showing of Fashionable Footwear SURE before you make any shoe purchases elsewhere. That, and the fact that they believe in lending their support to such a public enterprise as the Benning's Labor Day Auto Races, is the reason for these free tickets (two each) to every man or woman purchaser.

Visitors will find all previous efforts outdone in our present display, both from the standpoint of infinite variety and the extent to which each of the various models has been developed and refined. Last season was one of "millinery modes" predominating. This season finds the severely plain and the elaborately trimmed models rivaling one another for popularity---and both correct. BERBERICH'S will be found equally as well fortified with both style tendencies to meet the requirements of all.

Remember, when you buy any of the shoes BERBERICH'S sell you eliminate every element of risk from your shoe purchase---as guaranteed satisfaction is a part of every shoe purchase here.
