Free Footwear For Men, Women and Children

If the BERBERICH'S Balloon you capture has a ticket attached, bring it direct to either of our two stores. If it calls for footwear, the bearer will be given a pair of our high-grade, trade-marked shoes. If it calls for a watch, you get one of the regulation Buster Brown timepieces.

Buster Brown Shoes FOR BOYS AND GIRLS

BUSTER BROWN SHOES are styled as correctly and constructed as carefully as the highest priced men's and women's footwear. They are made of the kind of leather that will withstand the hard knocks that only a child can give a shoe. And they are "put together" in a manner that insures the longest possible service from the material. Kiddies rave over their snappy lines and clever leather combinations. The sensible shapes, with room for all five toes, and all-around durability make a hit with the parents who pay the shoe bills.

MORE FREE WATCHES

With the purchase of every pair of BUSTER BROWN SHOES Monday we will give one regulation \$1.00 timekeeper BUSTER BROWN WATCH. A handsome timepiece and a good timekeeper.
