The Furniture Store

The 42,000 Square Feet of Additional Floor Space
--was planned and finished mainly because of the need of greater
departments for Furniture, Rugs and Draperies.

The Furniture Problem is a serious one to the head of the home—The high prices associated
with the best and the disappointments always firmly linked with the cheap leave the prospective
purchaser in a quandry.

**Card
Tables**
\$1.45

Folding Card Tables
of mahogany finish with
felt top—not exactly as
pictured, but very simi-
lar.

Best Furniture at Palais Royal Prices

At Least 10 Per Cent Less--And Often from 15 to 20 Per Cent
Less Than the Quotations of the Exclusive Furniture Stores

—has practically created a Greater Palais Royal. If not yet a patron, we will esteem it a favor if you will call in, "just to look
around." The entire fourth floor of the older and new buildings is devoted to Furniture, Rugs and Draperies. The largest
floor in Washington. There, too, is Mr. Young's office, who will be glad to see you regarding an account.

Confidence
We have confidence in you—and
you have confidence in us—also we
have great confidence in our fur-
niture values—so why not arrange
for an account at the Palais Royal
and invest in good furniture minus
credit prices, but with all credit
conveniences.

**This Four-inch Riser

**Handsome 4-Piece
William and Mary
LIBRARY SUITE**

A Matched Suite Consisting of:
1 Settee 1 Table
1 Arm Chair 1 Rocker

\$48.50

Period furniture is now the choice of nearly every one who is dis-
criminating in furnishing the home. The above "William and Mary" design
is one of the most desirable of the new period styles, and we would like to
have you compare it with others of very much greater price elsewhere. It
is made of solid oak, in a fumed oak finish, and shows expert workman-
ship—and is upholstered in a good durable tapestry.

**Solid Oak
Tabouret 79c**

This is a dainty appearing, but
strong, tabouret of solid oak, nicely
finished in fumed oak, mission
style. Choose from either round or
square tops.
