

### Free Your Baby's Picture

The mother who could not be given a sitting last Monday is invited to bring her baby tomorrow—with the assurance of success.

#### Mr. J. Thornley Seabrook Is Here

His studio opened here last Monday—in the northwest balcony of the Street Floor. An artist proof picture of your baby, 6x10 inches, without a cent of cost or any obligation, was considered the most effective method of quickly introducing Mr. Seabrook's artistic work to Palais Royal patrons. Again tomorrow—in northwest balcony studio—Street Floor.

# Palais Royal

### Suits Superior at the Price \$25

The New York makers—those famous for women's man-tailored suits—know that the Palais Royal buys and sells more \$25 suits than any other three establishments in Washington.

Success begets success—the makers know there is always a market for their suits here. Tomorrow's offering will be of 142 new models, mostly fur trimmed, sizes 36 to 51 bust for women, 14 to 20 years for girls.

Guarantee—better than usual \$30 suits at only \$25.

### Washington's Greatest-Ever Sale

## CUT GLASS

### Once-in-a-Lifetime Bargains

When before or again? The first coming of the war cloud cast a shadow, most depressing of a lifetime. The demand for things of luxury, such as diamonds and cut glass, fell to almost nothing. The coming sale—it begins tomorrow morning—was born of this war cloud. The Palais Royal proprietor saw the sunshine behind that cloud and anticipated the present clear sky.

## Cut Glass \$2.98 and \$1.98

Pieces Worth \$10, at \$2.98—Pieces Worth \$4.50, at \$1.98.

Two leading makers of America—the world's best cut glass is made in this country—were approached and a contract concluded to keep them busy when orders were being eagerly sought without any result. Thus we have today many thousands of pieces of best cut glass, guaranteed best cuttings and absolutely flawless, at less than the prices of inferior cuttings, "seconds" or otherwise inferior pieces.

### Cut Glass Every Connoisseur Will Pronounce Perfect

As with diamonds so with cut glass—it must be cut by experts and it must be free of flaws. The connoisseur condemns all other. The connoisseur's ideal—very large pieces, values to \$10.00—are here at \$2.98. Less large but equally superior pieces—values to \$4.50, at \$1.98.

### Invest in "Gems" for Your Own Home

Invest in Christmas Presents. Invest in Wedding Presents.

Literally the bargains of a lifetime. With the country today prosperous and with the full assurance of still greater prosperity just ahead, there is now no occasion for the makers or merchants to beg for trade. Bargains such as these cannot be repeated, evident in today's rapidly rising prices in the wholesale markets.
