New Neckwear: The Finishing Touch For a Dainty Dress or Blouse

COLLAR AND CUFF SETS in soft, pretty materials. Voiles, organdies, lawns and swisses in a bewildering display of styles, some of them plain, with tiny cord edge, others hemstitched, many embroidered in some dainty fashion.

One style is in rolling effect embroidered in pretty pattern.

A plain-organdie collar and cuff set is hemstitched.

An embroidered Swiss set has short revers.

Another is of black organdie, for mourning.

Choice 50c.

SLEEVELESS NET GUIMPES in white and ecru, hand embroidered and lace trimmed effects, with high and low collars.

A very pretty style has lace on the sides of front and around collar.

A plain fashion which is quite attractive has high collar, and is untrimmed.

Very desirable is a style with high collar shirred in the new fashion; this has tiny, round pearl button trimming.

An ecru model is made with flat collar, lace trimmed, and lace down front.

Choice \$1.00.

PRETTY CREPE DE CHINE TIES to finish the costume. We have recently received some beautiful new colorings. They are in Dresden patterns and have silk slides and tassel ends. Priced at **25c each.**

Windsor Ties are much desired by the school girl, and our lines are very complete—they are in every color and shade one could wish, and in many novel effects which will delight those who seek something "different."

Choice 50c.

"No, no, my melodies will never die, While nurses sing, or babies cry."

FACTS ABOUT THE VOLLAND EDITION OF MOTHER GOOSE

The most authentic edition of Mother Goose since Mother Goose Melodies were published in Paris in the year 1677.

ONE HUNDRED AND EIGHT full-page illustrations, remarkably faithful reproductions of the famous paintings by Frederick Richardson. In design the illustrations are wholesome, and in color, simplicity, humor and imagination they are a most unusual delight. They are a rare adaptation of great art to the child's world.

In an authoritative foreword Eulalie Osgood Grover tells the true story of Mother Goose and her rhymes. These rhymes have power to arouse children to eagerness and attention; and they train the ear and stir the imagination as no other verses do. Many poets and writers trace their first inspiration and love of literary things to Mother Goose.

Every child, every parent, every teacher and every artist will find value and charm in the Volland edition of Mother Goose. The book is practical for hard, every-day use, strongly bound in blue denim. Boxed, **\$2.00 net.**
