HOROSCOPE.

Thursday, June 15, 1916.

(Copyright, 1916.)
Astrologers read in the map of the full Moon for this date sinister signs. Mars is in a place denoting heavy mortality on the battlefields of Europe and a reflected depression in Canada and the United

States. As Saturn is setting there is little hope of peace anywhere.
Mexico comes under a sway that is believed to cause decisive occurrences. Treachery on the part of those who should be trusted will lead to trouble from a new source, the seers declare, but serious consequences will be averted.
California has a sign read as indicating some sort of a national sensation. The stars, which have encouraged all sorts of vagaries, in the feminine mind, now are believed to stimulate a love for

pets and a period when birds and animals will be in great demand among fashionable women is foreshadowed.
For this day the early hours are not fortunate. Mercury, Jupiter and Neptune are all adverse. Uranus is friendly.
It is a favorable rule for teaching any philosophy or for soliciting attention for occult phenomena.
Religious matter will be much discussed during the remainder of the year. A preacher will draw immense crowds, who will hear radical exhortations.

Again the growth of Socialism is prophesied. Its leaders will accomplish something unexpected in the fall elections the seers declare.
Painters should benefit from a new movement that has a strong commercial demand behind it.
A new novel by a woman will be well received early in the autumn.
New York has a sinister sign that presages ill for some of its inhabitants. This is interpreted to mean an accident from an outside cause.

Persons whose birthdate it is may have a year of great anxiety. They should safeguard their business affairs.
Children born on this day may meet with many obstacles in life. They should be taught to concentrate on one talent as they are likely to be too versatile.
A Vienna physician having discovered that a remedy for infectious intestinal disorders can be produced from red cabbage, a factory for its production is being built.

The Sale You Have Been Waiting For!

An event we inaugurated last year—and have spent months in preparation to outdo the wonderful values given then

Men's Genuine Palm Beach

Coat and Trousers Suits

\$5.00

There are lots of imitations of Palm Beach—but they are only imitations. There are hordes of genuine Palm Beach fabrics "spoiled in the making." But these are not only genuine in weave—but tailored with consummate care and skill—insuring that all-important feature of satisfaction—PERMANENT SHAPELINESS.

We have arranged for a three-day special sale, beginning this morning and continuing until Saturday night.

There isn't as many Palm Beach Suits in the combined shops of Washington at all prices—as we have prepared for your choice at FIVE DOLLARS.

No matter what size you require—even though it's 50 chest measure—it's here waiting for you at five dollars.

There are the Plain Gray and Tan Shades—Blue Stripes, Blue and White Stripes, Black and White Stripes.

There are the correctly-modeled Pinch-backs and English-cut for the young men. And Conservative-cut Single Breasted Sacks for you who prefer them.

They are in regular sizes and longs and stouts; and short stouts. There isn't a man who walks we cannot fit.

Every Suit is guaranteed. The Palm Beach label is in every coat; and the evidence of our careful, consistent and superior making shows in every line and seam.

It's the biggest event of the summer—for no matter who, nor where, nor when the price may be duplicated—the intrinsic value never will be.

You will want a couple of these Suits at least—to change when one is at the laundry—and don't be afraid to send them to be cleaned. There is no possible danger of their losing shape—because they are properly made.

We believe there are enough to meet any demand—but the value is great—and the price sensationally low—so to be on the safe side—come promptly, this morning if you can.

A White Shoe Special

A fit accompaniment to the Palm Beach Suit bargain. About 500 pairs of White Canvas, White Duck and Palm Beach Cloth Low Shoes—straight lace and blucher; English and conservative models; with leather or rubber soles; narrow, medium and round toes.

\$1.95

All sizes. SPECIAL.

A Big Special in Straw Hats

An offering that crowns the Suit and Shoe specials. Fine braids, even and perfect; in all the proper shapes—with varying widths of brim and heights of crown, to provide becoming proportions and meet the dictates of the season's prevailing fashions.
