His first speaking date is at Battle Creek, Mich., September 18. Other tentative points being considered are Minneapolis, Kansas City, Omaha and Louisville.

CASINO THEATER DRAWS LARGE, EAGER CROWDS

"First Run Picture" Policy, United With Merit, Proves Winner.

Following the new departure idea of local picture policies embodied in the announcement that Washington would be the only first run picture bearing the popular V. L. S. E. brand would be shown at the Casino Theater, and the further announcement that Anita Stewart, the starred member of the cast playing "The Combat" will place her at the helm of the picture, the Casino Theater has drawn a large and eager crowd.

The presentation of this film cannot but prophesy the fact that the Capital city is rapidly forging to the front as the center of film premieres and the decided step taken by the management of the Casino will place her at the head of the parade for those whose hobby is feature pictures.

In "The Combat" Miss Stewart was furnished by J. Stuart Blackton, of the Vitaphone Company, with a vehicle that will place her at the summit of her career. The character work made requisite by the role, together with the numerous opportunities given to present delicate light and shade touches, made her performance yesterday one of unqualified success.
