Pull vs. Push Only the sluggish needs a "PULL" in these days of efficient preparation. Men with the PROPER TRAINING are never long looking for a position. Instead, there are always positions searching for them, and it is an admitted fact that the fellow with ambition enough to qualify needs no pull to land a good position. All he needs is plenty of efficiency. You have the ambition, here's the place to study, and NOW'S THE TIME. Day and Night classes are starting tomorrow. Main 4304 W. C. POTEET, Principal
