Take Your Choice
$21.50 Values Up to $35
of the Finest Overcoats in Stock.

Not one best overcoat is to be reserved—all are superior garments only equalled by the best custom tailors, of finest imported and domestic overcoatings—Vicuñas, Meltons, Pobble Chevrons, Kerseys, made by such celebrated makers as A. B. Kirchebaum & Co., Philadelphia; Swenson's Cloths of Culture, New York, Levy Bros., Rochester.

Owing to many late deliveries and the necessarily high prices, we have too many of these high-grade overcoats in stock. And to carry out the Palais Royal policy of complete clearance—to keep the New Men's Shop ever fresh, we'll knock all these best overcoats at $21.50 for choice. In addition to regular sizes, 34 to 42, are specially made Black Silk-lined Melton Overcoats in "suitors," sizes 38 to 46.

It's not a question of whether an overcoat is the need of the moment—an investment is suggested that practically saves you many dollars. Supposing the consent you are wearing will last the winter through will it not be wise to save some for a future winter? As soon as the market is corrected, we will return to the Palais with a winter stock and a $15.00 overcoat is promised for only $21.50. With the present outlook each garment will be more than $35.00 the coming winter.
