Mail Orders Promptly and Efficiently Filled.

## Editorial

After July 4 we will close our store on Saturday at 1 o'clock throughout the summer months.

An arrangement that has already keyed our loyal workers up to the highest pitch of enthusiasm.

Imagine their appreciation to receive this extra week-end respite from their duties during the dog days of summer.

Their happiness more than repays us for the few hours less of business activity each week, because all is not commercialism in "The Store of Greater Service."
