A WASHINGTON MAN IS LIKE OLD SELF

"H" Street Resident Relates How Plant Juice Has Restored Him to Health.

When nature calls for assistance it is needed quickly, but it must be a remedy that leaves no bad effects; that builds up, not tears down. This is the logical effect of Plant Juice, the new herbal stomach remedy, as is attested by the

numerous testimonials of well-known local people who have regained their health by the use of this famous preparation.

For instance, Mr. Carey S. Mills, of No. 321 H Street northwest, a well-known resident of Washington, who has many friends and acquaintances, recently stated:

"For over a year I have suffered from an nervous breakdown, and my stomach was in such a weak condition that I could not digest my food; it fermented in my stomach and gas formed; I could not sleep at night and got in a very weak condition; I had headaches, and my liver was a perfect mass of constipation, and took everything I knew of in the shape of medicine, but did not get any real benefit, until I started to take your Plant Juice. I certainly never saw any medicine work on one system as Plant Juice does on mine; I am now able to eat my meals and enjoy them. I sleep at night and have no more trouble of any kind. I feel like my old self again, and am certainly glad to give this public endorsement for Plant Juice, as it has restored me to health."

Such words as these and those of many others which have been printed have wide influence, for they come from men of standing and integrity, who have been greatly benefited thereby.

The Plant Juice Man is at the People's Drug Store, corner of Seventh and E Streets, where he is daily meeting the vital public, and hastening and explaining the merits of this remedy.—Adv.

SHEETS AND PILLOW CASES

Some Timely and Sensible Advice Regarding Them

From the most reliable sources we are advised that the U. S. government will require vast quantities of Sheets and Pillow Cases, and naturally every manufacturer will give the government preference in filling orders as a patriotic duty.

This will very likely make goods of this character exceedingly scarce, if it does not affect prices materially.

We offer at the present time a very large stock at the prices prevailing for the past two months.

We strongly advise our customers to buy now.
