Doctors Stand Amazed at Power Of Bon-Opto to Make Weak Eyes Strong—According to Dr. Lewis

Guaranteed to Strengthen Eyesight 50% In One Week's Time in Many Instances

A Free Prescription You Can Have Filled and Use at Home. Philadelphia, Pa.—Victims of eye-strain and other eye weaknesses, and those who wear glasses, will be glad to know that according to Dr. Lewis there is real hope and help for them. Many whose eyes were failing say they have had their eyes restored by this remarkable prescription and many who once wore glasses say they have thrown them away. One man says, after using it: "I was almost blind. Could not see to read at all. Now I can read everything without my glasses and my eyes do not hurt any more. At night they would pain dreadfully. Now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for 15 days everything seems clear. I can read even fine print without glasses." Another who used it says: "I was bothered with eye-strain caused by overworked, tired eyes which induced fierce headaches. I have worn glasses for several years both for distance and work, and without them I could not read my own name on an envelope or the typewriting on the machine before me. I can do both now and have discarded my long distance glasses altogether. I can count the fluttering on the trees across the street now, which for several years have looked like a dim green blur to me. I cannot express my joy at what it has done for me."

It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as to

700-YEAR-OLD TREE REGAINS ITS HEALTH

Diablo, April 28.—El Padre is doing very nicely, thank you. El Padre is the 700-year-old oak tree on sentinel duty before the main entrance of the club inn at the Mount Diablo Park Club. The tree got sick and its life was despaired of. A tree doctor was called in, and after amputations, a tonic was given and El Padre was put on a diet. From the present indications, the tree, which has played a part in legends and history, will soon regain its old splendor.

WHEAT SHORT, MILLS CLOSE

Georgetown, Del., April 28.—With the local supply of wheat exhausted and a scarcity of the Western output, coupled with high freight rates, four large mills in Sussex county have closed temporarily. The demand for flour, despite the high cost, has been so great that most mills long ago have exceeded the amount of wheat they used in former years. Flour has advanced to seventy-five cents for a sack of twelve pounds.
