FARMERS URGE SQUARE DEALING

Assembled in Convention, Agriculturists Are Patriotic in Grievances. (By the International News Service.) St. Paul, Sept. 20.—Stating that the government had set a price on the farmers' wheat that takes from 80 to 100 per cent of its profits, resolutions were read at the Non-Partisan League convention today, creating a powerful acquiescence in the sacrifice, but asking that other products necessary for the people's use and the carrying on of the war be placed on a similar basis. The resolutions were read by Sam R. Maxwell and opened with a pledge of "life, fortunes and sacred honor to our country and our flag in this our war."

German Airmen Pursue "Railroading" Sammies, Bombarding in Flight

Members of an American regiment of engineers that has taken over some of the first and best military railway had close escape one night this week when a squadron of German airplanes pursued a train in which they were riding. Bombs were cast each time the fire box was opened. The Americans finally stopped the train and managed to take refuge beneath the locomotive. The Germans shortly afterward departed. There were no casualties.

WILL EXHUME WOMAN'S BODY

Autopsy to Be Performed On Remains of Mrs. Robt. Bingham. Wilmington, N. C., Sept. 20.—Mrs. Robert W. Bingham's body is to be exhumed. It is understood that the county health department, Dr. Charles T. Nesbitt, superintendent who has charge of such matters, has issued the permit for the disinterment of the body. The application was made by relatives of the wealthy wife of former Judge Bingham, who inherited her great estate from her first husband, Henry M. Bingham. Mrs. Bingham died recently in Louisville, Ky., and was brought here for burial. It is understood the exhumation is for the purpose of ascertaining the exact cause of death.

SENATOR PERTURBED OVER NEW ALLY LOANS

Weeks of Massachusetts Shows Anxiety Over Expenditures. The Senate yesterday adopted the consent report upon the \$11,535,000,000 bond bill, which includes \$1,000,000,000 new loans to the allies. However, Senator Weeks of Massachusetts, showed much anxiety over the huge expenditures and the amount that would be required by the government. The Massachusetts Senator was the author of a resolution authorizing a joint committee on the conduct of the war. Although this plan was refused by Congress, the Senator feels that some supervision should be exercised.
