SOLDIER BLINDS T. R. CONDEMNS GERMANS

mit Roosevelt and myself. For opponents in other sports the President went further afield, but when he wished to don the gloves he chose Kermit or me. Fortescue may have opposed him occasionally, but I doubt it, and I don't think Phil Sheridan ever boxed with the President at all. That puts it squarely up to me.

"When you put on the gloves with President Roosevelt it was a case of fight all the way. No man in the ring with him had any chance to keep track of particular blows. A good fast referee might have known, but nobody else.

Col. Wanted Action.

"The Colonel wanted plenty of action, and he usually got it. He had no use for a quitter or one who gave ground. Nobody but a man who was willing to fight all the time, and all the way had any chance with him. That is my only excuse for the fact that I seriously injured him. There was no chance to be careful of the blow. He himself wouldn't have stood for it.

"I shall write the Colonel a letter expressing my regret at the serious results of the blow. I cannot do more, and I certainly won't do less."

Col. Moore looked today, after the lapse of a dozen years, as though he could give a very good account of himself in the ring with most boxers.

T. R. Is Silent.

Oyster Bay, N. Y., Oct. 25.—Col. Theodore Roosevelt refused to comment on the published reports that it was Col. D. T. Moore, of the 30th Field Artillery, stationed at Camp Meade, whose punch blinded his left eye.

"There is nothing more to say about the matter," the Colonel said.

Col. Roosevelt will celebrate his 29th birthday tomorrow. During today congratulatory letters and telegrams from all parts of the country were received.

WOMAN IS DEAD FROM INJURIES

Mrs. J. T. Klawans, Auto Victim, Succumbs in Garfield Hospital.

Another person is dead as the result of the many street accidents in Washington. The victim is Mrs. May Klawans, aged 26 years, of 2468 Ontario road northwest, who succumbed yesterday afternoon at the Garfield Hospital at 5:10 o'clock from a fractured skull.

Mrs. Klawans, who is the wife of Joseph T. Klawans, the proprietor of a men's furnishing store at 200 Eighteenth street northwest, was struck on the evening of October 19 at Sixteenth street and Columbia road northwest, by an automobile of the Power Efficiency Corporation, of Buffalo, N. Y.

With Mrs. Klawans was Mrs. Anna Rappaport, aged 44 years, of 1050 Fuller street northwest, who was also knocked down. Mrs. Rappaport was removed to her home where it was said that her injuries were not of a serious nature.

The driver of the machine, Beverly C. Hoffman, aged 17 years, of 3400 Dent place northwest, was arrested by police of the Tenth precinct and charged with assault, but was later released on the presentation of \$500 bond.

District Coroner J. Ramsey Nevitt held an inquest into the accident this afternoon at the District morgue. Mrs. Klawans' body was removed last night to the undertaking establishment of Frank Geier's Sons, 1113 Seventh street northwest.

Accidental Death.

At the coroner's inquest yesterday afternoon into the death of Joseph E. Hopkins, aged 74 years, of 712 A street northeast, who came to his death at the Casualty Hospital, October 23, as the result of being struck by an automobile on September 29, on Pennsylvania avenue, between Third and Fourth streets southeast, a verdict of accidental death was returned.

Elmer Glasco, colored, aged 22 years, of 2148 P street northwest, who was operating the machine which killed Hopkins, has been exonerated of the charge.

As an evidence that the Metropolitan Police Department is doing everything possible to make the "speed limit" obsolete in this city it was learned last night that many permits for operators of automobiles in the District are being declared invalid every day by the Commissioner.

Since the declaration of the safety first campaign there have been an average of five operators' permits revoked every day. Arrests of traffic violators are continuing at an unprecedented rate.

Sixteen-year-old Albert Kennedy, colored, of 229 Massachusetts avenue northwest, sustained many bad injuries about his head last night when he was struck while riding a bicycle on Connecticut avenue near Newark street northwest by an automobile operated by Dr. J. W. Hart, of 1155 street northwest. Kennedy was removed to the Emergency Hospital.

EVANGELIST WRITES HERALD'S SERMON

The Herald's special sermon this week will be written by the Rev. Dr. L. W. Munnhall, of Philadelphia, who is at present conducting an evangelistic campaign, at the Douglas M. E. Church, Eleventh and H streets northeast.

Dr. Munnhall, who is a veteran of the civil war, spent three years on the firing line, and took part in thirty-three different engagements. He is a member of the G. A. R., and in the review of that organization more than a year ago, rode at the head of the procession as aide-de-camp to the commander-in-chief.

Dr. Munnhall has spent much time in preaching at the training camps at Camp Dix, and the Officers' Training Camp, at Little Silver, N. J. He has preached to more people than any other living man, with the exception of the Rev. "Billy" Sunday.

Dr. Munnhall is a pleasing forceful speaker, and recognized by the many evangelistic denominations as one of the greatest exponents of the "Word of God."

Everywhere Kuppenheimer Clothes Lead in Smartness

Regardless of the occasion, for evening, business or sports wear, The House of Kuppenheimer models are selected by particular men—men who want nobby patterns, clever models and only the finest fabrics.

The young men of today favor the snuffing military Kuppenheimer models—and these with slash pockets and disappearing belts—and those with single and double-breasted effects.

BISHOPS DENOUNCE GERMANY'S COURSE

National Protest Against Violation of International Law.

Atlantic City, N. J., Oct. 26.—The board of bishops of the Methodist Episcopal Church today called for a national protest against inhumanities and violation of international law, as practiced by Germany.

The board expressed itself as "rejoicing in the manifest determination of America to keep the struggle up to the highest idealism." It called upon the government to sternly repress as outlawry all forms of vice which sap the soldiers' strength. Conviction was expressed that civilization depends upon the outcome of this war.

J. Henry Smythe, jr., of New York, son of a clergyman, appealed to the board for a more liberal view on the part of the church regarding amusements. He declared a strict paragraph in the church discipline is keeping young people out of the church. The paragraph referred to reads in part:

"Improper amusements and excessive indulgence in innocent amusements are serious barriers to the beginning of the religious life and fruitful causes of spiritual decline. Some amusements in common use are positively demoralizing and furnish the first easy steps to total loss of character."

The bishops appeared today to favor leaving the amusement question to the decision of individual members of the church.

Arrest Austrian with Data.

Plattsburg, N. Y., Oct. 25.—Arrested at Rouses Point with carefully compiled data on all leading munition plants in the United States in his possession, Henry Doran, an Austrian, is held in jail here tonight on a charge of espionage. He claims New York as his home, but refuses all other information.
