"There is another letter that makes me proud," said Mrs. Southcott. "The letter would rather than a thousand dollars."  
"Money isn't everything in this world," she said. "I know it because I get similar letters almost every day from people who have used my ointment for old sores, eczema and piles. It is it wonder I am happy."  
"I was an untold sufferer from an old ulcer and a sore throat. I had tried almost everything without relief from pain. A friend told me of your wonderful ointment and the first box took away the pain that had not left me in years, and after using nine dollars worth of the ointment I am cured. The ulcer was 9 inches by 6 inches, in all healed and no more pain. I will be without Peter's ointment again."  
"You may use this to recommend your ointment if you wish. I cannot say enough to praise it." Yours truly, Mrs. Albert Southcott, Medina, N. Y. Mail orders filled by Peter's Ointment Co., Inc., Buffalo, N. Y.

## Vet of '61 Buried With Nephew Who Was in World War

FROSTBURG, Md., July 13.--Double funeral services for William Newell, civil war veteran, and his nephew, David Hannon, world war veteran, were held yesterday at Dickerson Run, with full military honors.

The double funeral had not been previously planned and the meeting of the two processions at the cemetery was a coincidence. The military ritual at the grave of the civil war veteran was nearing completion when the body of the young hero arrived. When taps were sounded for Newell, the bugler of Emory L. Pratt Post, American Legion, in charge of the Hannon funeral, echoed the bugle from the opposite side of the cemetery. The two processions formed the largest funeral held in the community in recent years.

Newell was a member of the Grand Army of the Republic.

**STEAL MOTORCYCLE IN OWNER'S SIGHT**  
Two Daring Thieves Ride Off On Machine While L. W. Harris Stands Watching.

In sight of the owner, two daring thieves mounted a "U-Tell" Harrier motorcycle, while it was parked in front of his home, 129 Maryland avenue northeast, shortly after 9 o'clock Tuesday evening and rode away.

Harris was standing on his porch preparing for a ride, when he heard the clugging of the motorcycle and turned around to see the machine being driven swiftly away. A good description of the thieves was furnished to the Ninth precinct police.

George C. Chiconas, 721 Eighth street southeast, reported to the Fifth precinct police the loss of \$150 from his store. He told police the money was left on a shelf in the rear, and he believed it was taken by a customer.

Thieves ransacked the "U-Tell" Camp on the Virginia side of the Potomac River and escaped with clothing, dishes and two army coats, according to Clark W. Grossman, Falls Church, Va.

**Widow Gets Shepard Estate.**  
Seth Shepard, Jr., son of Seth Shepard, late Chief Justice of the Court of Appeals of the District, died July 7 last, leaving his estate to his widow, Mrs. Grace E. Shepard, according to the will filed for probate Tuesday.

## GOUGH EXPERTS PLAN TO REFORM SHIPPING BOARD

See Present Operators as Future Owners, Say Appointees.

NEW YORK, July 13.--"We believe that the present operator of a Shipping Board vessel is its future owner. And the problem presented for making such ownership possible will be of immediate importance."

So said J. Barstow Smull, newly appointed vice-president of the Shipping Board, Tuesday as he and William J. Love, who was made a vice president at the same time, were about to go to Washington.

They are experienced shipping men and will have charge of the operations of the government-owned fleet of 1,440 ships, of which 600 now are idle.

Mr. Smull said difficulties are presented by the present high prices of shipping and the fact that American labor receives about twice as much in wages as does foreign labor. Price of shipping now is \$200 per ton, but should be about \$100.

"The question of labor is of vital importance and may be the determining factor in the fate of the American-owned ships," he added. "If no way is discovered to get around the snag, it may be necessary to sell or charter the Shipping Board vessels to foreign governments, or to individuals operating under foreign flags."

"We make an appeal to the public for support and confidence," Mr. Smull said. "The Shipping Board is in a terrible straits, but we believe that it is possible to build up an American merchant marine. Already shippers, who have been using foreign bottoms, have been in touch with us and have assured us of their support."

**Will Seek Subsidies.**  
"Our first task will be organization of the Emergency Fleet Corporation and an attempt to get business for the ships. Statements that the emergency fleet is largely inefficient, I believe not grounded on fact. At least 80 per cent of the 5,000,000 tons is efficient, though it may be necessary to replace some old engines with the American Diesel type. This oil burner is now in practical use in Philadelphia."

## JOY RIDERS WRECK HENDRICKS' AUTO

Three Arrested When Car Crashes Into Fence.

A fence on Rhode Island avenue near Seventh street northwest halted an alleged joyriding party in former District Commissioner Hendricks' automobile Tuesday night, when the car, occupied by two couples, crashed into it.

E. R. Robinson, automobile mechanic, is alleged to have been the driver and is thought to have driven the car from in front of 361 Thirtieth street northwest where he had been working on Robinson's car, following the crash.

Policemen Skinner and Faulkner of the Eighth precinct observed the crash and arrested three of the occupants who were the Irish Republic, 22 years old, of 1761 Euclid street northwest; Roselli A. Ginglelle, 20 years old, same address; and Lawrence G. Chapin, 23 years old, of 3535 Fourteenth street northwest. The first was charged with disorderly conduct and the latter two with intoxication.

## DROWNING OF BOYS CAUSES INQUIRY

Funeral Services Yesterday For Myer and Louis Kolker.

Funeral services over the bodies of Myer Kolker, 9 years old, and Louis Kolker, 5 years old, the brothers who drowned Monday afternoon in the city sewers after being swept from an open aqueduct on the Soldiers' Home Grounds, were held yesterday at the residence of the parents, Mr. and Mrs. Samuel Kolker, 1523 Eighth street northwest.

Dr. Moses A. Horwitz, rabbi of the Talmud Torah Synagogue, conducted the services, which were brief owing to the serious condition of the parents, who have been under the care of a physician since being informed of the untimely death of their children. The bodies were buried in adjoining graves in the Hebrew Cemetery on Bladensburg road.

**Will Screen Sewers.**  
While the funeral services were being conducted, two investigations were being instituted to devise means for the prevention of similar happenings in the future--one by the officials of the Soldiers' Home and another by the officials of the District sewer department.
