ANAWAY FROM THE SUBSORIBER, ON THE Side by was about twenty-one years of age when he left, and weighed about '40 or 150 pounds. He is dark complected, round faced, full juried, slightly how-legged, round shouldered, leans forward when he walks, and is very intelligent. He has a near on the inside of one thigh, caused by a wound received in a full from a tree. I have reason to believe that he has been in the counties of Johnston, Harnett, Cumberland and Bladen, and in the towns of Averasboro' and Sayetterille, where he passed for a free man, under the histories was sames of Joseph Jacobs, John G. Williams and William Caldwell, and at times thilewed the occupation of a ditcher. I have also been informed that he left Raleigh in a buggy with an Irishman, probably under a promise of being taken to a free State.

I will pay a reward of \$100 for his apprehension and delivery to me, or for his confinement in any juit so that I get him; if taken within this State; \$200 if taken out of the State; and also \$100 for proof sufficient to convict any white person with having harbored him, whether in or out of this State; and also \$100 for proof sufficient to convict any white person with having harbored him, whether in or out of this State.
