**CARTER'S SPANISH MIXTURE.** The Great Purifier of the Blood! Not a Particle of Mercury in It! An Invaluable Remedy for Scrofula, King's Evil, Pimples, Obsolete Cutaneous Eruptions, Pustules or Pusules on the Face, Blotches, Boils, Carbuncles, Sore Eyes, Ring Worms or Tetter, Scald Head, Eruptions on the Neck, Itch, Bores and Ulcers, Strabismus Uteri, Syphilitic Disorders, Lascivious Spleen Complaints, and all the diseases arising from an injudicious use of Mercury, Impurity of the Blood, or Impurity of the Blood.

THIS valuable medicine, which has become celebrated for the number of extraordinary cures effected through its agency, has induced the proprietors, at the urgent request of their friends, to offer it to the public, which they do with the utmost confidence in its virtues and wonderful curative powers. The following certificates, received from a large number, are, however, stronger testimony than the mere word of the proprietors; and are all from gentlemen well known in their localities, and of the highest respectability, many of them residing in the city of Richmond, Va.

**F. BODDEN, Esq.**, of the Exchange Hotel, Richmond, known everywhere as the "Red Head," the most famous case of Scrofula, administered in a few bottles of CARTER'S SPANISH MIXTURE, and in a few days was cured of the disease, and his hair grew again, and he was enabled to perform his usual duties, and he has since enjoyed the most healthy and happy life.

**AGUS AND SYVER—GRANT CURS.**—I hereby certify that for three years I had Agus and Syver of the most violent description. I had several fine spots, took large quantities of Quinine, mercury, and I believe of the most powerful cathartics, but all without permanent relief. At last I tried Carter's Spanish Mixture, two bottles of which effectually cured me, and I am happy to say I have had neither spots or fetid smells since. I consider it the best tonic in this world, and the only one that ever reached my case. JOHN LONGMAN, Havana Street, near Richmond, Va.

**C. B. LUCEY, Esq.**, now in the city of Richmond and for many years in the Post Office, has such confidence in the curative efficacy of Carter's Spanish Mixture, that he has bought up several bottles, which he has given away to the afflicted. Mr. Lucey says he has never known it to fail when taken according to directions.

**Dr. HENSON, a practicing Physician**, and formerly of the City of Richmond, says he has witnessed in a number of instances the curative efficacy of Carter's Spanish Mixture, which was most truly surprising. He says in a case of Consumption, dependent on the Liver, the good effects were wonderful.

**SAMUEL M. DRINKER**, of the firm of Drinker & Morris, Richmond, was once cured of Liver Complaint of three years standing, by the use of two bottles of Carter's Spanish Mixture.

**GRANT CURS OF SCROFULA.**—The Editors of the Richmond Dispatch, in a recent number, employed in their press room, a number of the afflicted with Scrofula, which had entirely disabled him from work. Two bottles of Carter's Spanish Mixture made a perfect cure of him, and the Editors of the Dispatch, say they cheerfully recommend it to all who are afflicted with any disease of the blood.

**STILL ANOTHER CURE OF SCROFULA.**—I had a very valuable cure of Scrofula by Carter's Spanish Mixture. I consider it truly a valuable medicine. J. K. M. TAYLOR, Conductor on the R. F. and P. R. R., Richmond, Va.

THE proprietor, in calling the attention of the public to this preparation, would state that it is the result of the most confident in its virtues and adaptation to the diseases for which it is recommended. It is a new and untried article, but one that has stood the test of a ten years' trial before the American public, and is now being sold in large quantities by any similar preparations extant. The testimony in its favor given by the most prominent and well-known Physicians and individuals, in all parts of the country is immense. The following from North Carolina is especially interesting, and is from a gentleman who may still doubt, to my "Memorial," of Practical Receipt Book for Farmers and Families, to be had gratis of all the Agents for the German Bitters, Philadelphia, Pa.

**TESTIMONY FROM NORTH CAROLINA.** Certificate of Dr. Wm. Smith, of Pine Hill, Richmond, Va. FIVE HILL, March 4th, 1854. Dr. C. M. JACKSON, Philad'a.—Dear Sir: I have been a subject of Dyspepsia, in its worst form, for the last five years. Such was my condition for twelve months that I was unable to do any thing but eat and drink. While in this condition, I was carried to the watering place in Virginia, Tennessee and North Carolina, but was not benefited by any of the waters which I took. While on my way home, I stopped a week at a watering place in small village in North Carolina, to try the effect of some Chalybeate water in that place. About the last of the week I went into a drug store to get some medicine for my dyspepsia. There were several of the village physicians in the store, and one of them seemed to take some interest in my case, and after asking me some questions, said he had been a dyspeptic, and had been greatly benefited by Dr. Hoofland's German Bitters, prepared by you, and he invited me to try the Bitters. He also called the next day at my room, and insisted so much that I would try them that I asked him to get me one bottle. He did it, and I commenced taking it at once, and in a few days I was more benefited by it than all the water and medicine I had ever taken.

After reaching home one of my neighbors came to me for a prescription and medicine, (he a dyspeptic) and I commenced taking it at once, and in a few days I was more benefited by it than all the water and medicine I had ever taken.

**PALMER'S PATENT LEG.** THIS AMERICAN INVENTION stands unequalled by any other in the world, and in Europe. It is worn by 1,000,000 persons, and with most astonishing success. In competition with 20 other substitutes of the best French, English, and German manufacture, it received the award of the GREAT MEDAL at the World's Exhibition in London, as the best artificial limb known. In this country it has been worn by all classes, and in competition with all others, at the annual Fair of the PATENT MEDICAL SOCIETY, and at the World's Fair, and has, in every instance, received the award of the highest or first premium. As a crowning honor, by the unanimous approval of an international council, the first Premium was awarded only Silver Medal given for Limbs—was awarded the inventor, at the New York Crystal Palace. Pamphlets giving full information, sent gratis to every applicant at the NEW YORK PATENT MEDICAL SOCIETY, 375 Chestnut street, Philadelphia. feb 23-3m

**MORE ABOUT LOCKS.** JOSEPH'S ROTATING PERMUTATION PLATE LOCK, now commonly called the WORLD'S FAIR LOCK, and the GUINNESS LOCK, is the Lock that secured the outer door of the Crystal Palace, and contained \$1,000 at the World's Fair, London, 1851, it being necessary to unlock this before other locks in the safe could be unlocked. All parties interested are referred to the following advertisement: THE WORLD'S FAIR LOCK. NOTICE. I have this day sold to Messrs. STEARNS & MARSH, Manufacturers of WILDER'S Patent Salamander SAFES, New York, the Patent right of my ROTATING PERMUTATION PLATE LOCK, commonly called JOSEPH'S AND THE GUINNESS LOCK, or "THE WORLD'S FAIR LOCK." The latter title was acquired in consequence of this Lock being placed in a Safe at the World's Fair, with \$1,000 in the Safe, to be the reward of any person who could open the Safe. The gold remained therein for a period of forty-five days, whilst the visitors got tired of turning the dial, with such poor prospect of success, the number of changes being 24,300 per cent. Bankers, and other merchants who desire to have these Locks upon their doors, can have them by applying to STEARNS & MARVIN, No. 146 Water street, who have the exclusive right to manufacture said Locks in the United States.
