THE proprietor, in calling the attention of the
public to this preparation, does so with a feeling
of the utmost confidence in its virtues and adap-
tation for the relief of the various ailments
to which it is so well adapted. It is a new and
entirely original preparation, but one that has
stood the test of a ten years' trial before the Ameri-
can people, and its reputation and sale is unrivalled
by any similar preparations extant. The testimony
in its favor given by the most prominent and well-
known Physicians and individuals, in all parts of
the country is immense. The following from North
Carolina is respectfully sub- mitted, referring us
to the receipt book for Farmers and Families, to be
had gratis, and all the Agents for the German Bitters.

TESTIMONY FROM NORTH CAROLINA.
Certificate of Dr. W. Smith, of Pine Hill, Rich-
mond County, N. C., First of March 4th, 1854.
Dr. C. M. JACKSON, Philad'a.—Dear Sir: I
have been a subject of Dyspepsia, in its worst form,
for the last five years. Such was my condition for
two years previous to the receipt of your medicine,
and I must die. While in this condition I was
carried to the watering place in Virginia, Tennessee
and North Carolina, but was not benefited by
any water to which I was taken. While on my
way home I stopped a week at Rutherfordton, a
small village in North Carolina, to try the effect of
some Chalybeate water in that place. About the
last of the week I went into a drug store to get
some medicine for my stomach and myself. There
was an event of the village physician in the store,
and one of them seemed to take some interest in my
case, and after asking me some questions, said he
had been a dyspeptic, and had been greatly bene-
fited by the medicine of Dr. C. M. Jackson, the
"German Bitters," prepared by you, and he insisted that I
should try the Bitters. He also called the next day at my
room, and insisted so much that I would try them
that I bought a bottle. I took the Bitters, and
I commenced taking it as directed, and I did so.
I was more benefited by it than all the water and
medicine I had ever taken.
After reaching home one of my neighbors came to
me, and presented to me a bottle of the "German
Bitters," and I gave him nearly all the Bitters I had left,
which effected much good in his case. He has often
called on me for more of the same kind of medi-
cine, and has said to me, "I have been benefited by
other medicine, but I have not been benefited by
any more for him or myself since; will you, there-
fore, please ship me a dozen or more as soon as pos-
sible. Respectfully yours, W. SMITH."

CERTIFICATE OF WM. J. ATWOOD.
HUNTSVILLE, YADKIN CO., N. C., Nov. 1st, 1853.
Dr. C. M. Jackson—Dear Sir: Allow me to ex-
press to you my sincere thanks for your discovery
of a medicine which, to say the least, has ef-
fected a cure that all other medicines, that I have
taken, have entirely failed to do. "Hoofland's Ger-
man Bitters" have cured me of the most stubborn
case of Dyspepsia, which, to say the least, has ef-
fected a cure that all other medicines, that I have
taken, have entirely failed to do. My case is not a
stranger in this community, as I am well known in this and
the surrounding counties, and can truly say that my
recovery is due to the use of the "German Bitters."
I had tried everything recommended, and nothing
did me any good until I was prevailed upon to try
the Bitters. You are at liberty to make any use of
this communication, for the benefit of the afflicted,
you may think proper. Truly
yours, WM. J. ATWOOD.

THIS AMERICAN INVENTION
is the only one of the kind

MORE ABOUT LOCKS.
JONES' ROTATING PERMUTATION PLATE
LOCK, now commonly called the "WORLD'S
FAIR LOCK, without key or key-hole, is the Lock
that secured the outer doors of the Herring Sale, that
contained \$1,000 at the World's Fair, London, 1851;
the Lock being broken by one of the thieves,
in the safe could be unlocked. All parties interested
are referred to the following notice:
THE WORLD'S FAIR LOCK.
NOTICE.
I have this day sold to Messrs. STEARNS &
MARVIN, Manufacturers of WILDER'S Patent
Salamander SAFES, New York, the Patent right of my
ROTATING PERMUTATION PLATE LOCK,
Commonly called
"JONES' ANTI-GUNPOWDER LOCK," or
"THE WORLD'S FAIR LOCK."
The latter was acquired in consequence of
the Lock being broken by one of the thieves at the
Fair, with \$1,000 in the safe, to be the reward of
the person who could open the door.
The gold remained therein for a period of forty-
five days, and the thief, not tired of turning the
dials, with such poor prospect of success, the num-
ber of changes being 24,300,000.
Bankers, Jewelers, and Merchants who desire to
have these Locks upon their doors, can have them
applied to their safes, by one of the agents, at
street, who have the exclusive right to manufacture
said Locks in the United States.
