

# The Saks Stores' News of a Big Shoe Sale.

4,964 Pairs of Men's, Women's and Children's Shoes—and every pair made for this season's wear. That's a good many pairs of Shoes. More than most shoe stores carry in their entire stocks. But with all the reports of leather advancing—with every mail bringing word from this manufacturer, and that, of ten, twenty per cent per pair increase on all future orders—we felt you'd appreciate a chance to buy at LESS EVEN THAN THE OLD PRICES. Economy suggests that you get more than one pair—get a year's supply. No telling when the shoe boom will end. What helps some has hurt others. Scarce materials have made a very strict market—and so many shoe manufacturers work on margins—and futures. They are really compelled to shut down. The stock on hand must be sold out—in a lump. The money must follow at once the receipt of the shoes. All these conditions suited us—the shoes suited our shoe man's judgment. The prices suited—because they permitted our naming "specials" for you.

It's a line through and through—good Shoes—better Shoes—best Shoes—in all sizes and widths—in variety of stylish shapes and assorted leathers and kids. Suppose you save half a dollar— isn't it worth saving? Maybe you'll save a dollar—or more—they are that close-marked.

Big quantity—but come tomorrow for a choice. In later days the sizes are not going to be complete—the best styles will be gone. They'll all be here tomorrow.

Those that will fit the boys 16, 17 and 19 years are lined with fancy wool, and have the military-out shoulder; short and nobby. They are worth \$7.50. But there are only four of them—and they shall go at—

**\$6**

Fourth Floor, West, Elevators.

**Odd Lots of Dinner and Tea Sets.**

With all the special selling there has been going on here this week—with crowds that have been handling the Dinner pieces—it is only natural there should have been a little damage done. Very little, considering—affecting only four Services. One Limoges Dinner Set, one Haviland Tea Set, one American Porcelain Dinner Set, one Carlsbad Tea Set.

The Limoges is a delicate Green decorated China, and includes soup tureen, new shape and richly finished with Roman gold bands. The few pieces that are missing are really unimportant. The perfect Service was worth \$20.50.

We have marked it—

**\$17.50.**

The Haviland China is a Tea Set, of which one of the fruit saucers is broken. It has the Haviland shape and daintiness and clouded gold finish. When complete, worth \$14.98. We have marked it—

**\$8.98.**

You won't miss the saucer that's gone, and you will be glad to save the difference we have made in the price. Who is going to get it?

The American Porcelain is a dinner service; gold traced and hand-painted decorated with flowers; a few pieces missing, but usable without them. When complete worth \$8.98. We have marked it now—

**\$4.00.**

The Carlsbad China Tea Set is a beauty; delicately decorated, plentifully touched with gold; handsome shape; five missing pieces. When complete worth \$6.95. We have marked it now—

**\$3.95.**

Fifth Floor, West, Elevators.

**Dress Goods.**

Both Black and Colored.

Whatever length the end of the piece may be, it is taken from the regular stock and held for "remnant day." Tomorrow you will get the accumulations of the week—special prices for the pieces.

3/4 yards of Blue and Black Checked Chevot, worth \$3.36—

**\$2 for Piece.**

3 3/4 yards of Black and Brown Checked Suiting, all wool, and stylish; worth \$2.51—

**\$1.50 for Piece.**

**29c. a Yard.**

Second Floor, West, Elevators.

**Odd Pairs Lace Curtains.**

Before we talk about the Curtains let us point out ten 3-yard lengths of Embroidered Sash Muslin—worth 38c., for

**24c. for Piece.**

Now the Curtains—

One pair American-made Lace Curtains, in Brus-aels pattern; worth \$3 for—

**\$2.25**

Two pairs of Soutache Lace Curtains, of heavily wrought designs. They are not so spandy clean as they should be. That condition costs us \$3 a pair—for instead of \$7 a pair we shall offer them \$4.—

Two pairs Imported Irish Point Curtains, with heavy borders and handsomely designed centers; 3 1/2 yards long and 50 inches wide. Worth \$6 a pair—Remnant price—

**\$5.00**

Third Floor, West, Elevators.

**Ladies' Underwear.**

Broken lots at 25c. a garment for the choice. There are three or four different styles and weights included in the lot, but they are all values far in excess of the remnant price. Therefore bargains.

Ladies' Ribbed and Extra Heavy Flannel Vests and Pants.

Ladies' Light and Medium-weight Ribbed Vests and Pants with high neck and long or short sleeves.

Ladies' Ribbed Vests and Pants, heavy weight, that are made on the union pattern.

**Choice, 25c. Each.**

First Floor, West, Rear.

**Boys' Reefers.**

Fashion is just wavering between the Reefer and the Overcoat this season. The Reefers have as many friends as the Coats—and they have made holes in some of the lots.

A lot of Black Chinchilla Reefers, that have our guarantee for being both all wool and fast color, lined with double-warp Italian cloth and sewed all through with silk—are all gone but size 7, 9, 13 and 15-year sizes. If either one of these will fit your boy you can save \$2.50 and get one of the best of Reefers. Special remnant price—

**\$5.00.**

These are four Tan Covert Cloth Reefers, with imported velvet collars and large pearl buttons, lined with Italian cloth, that are worth \$6.50. The sizes are 5, 6 and 7 years. There are two of the 7's. Remnant price—

**\$5**

Fourth Floor, West, Elevators.

**Toilet Sets.**

A tiny chip on the pitcher of one set, and a slightly imperfect mug of another, sends two Toilet Sets into the remnant sale to be sold at very nearly half price.

What a deal of damage is necessary to make useless—and what a little flaw will make a big hole in the price! But if you buy an imperfect thing here you do it with your eyes wide opened to the fact—and at a big discount from the worth.

The set with the chipped pitcher has bright decorations, and is a full 10-piece set. Worth \$5—for

**\$2.98.**

The other set has green decorations, is of one of the new shapes, and worth \$5 also—for

**\$2.98.**

Fifth Floor, West, Elevators.

**Ladies' Gloves.**

Sizes in the dollar line of Ladies' Kid Gloves do not continue complete very long. And every Friday you get the privilege of buying the remaining broken sizes at very low prices—sometimes less than they really cost us.

For tomorrow there will be about 15 dozen of these odds and ends; some sizes in one color are missing in another, and so they run; but as they are all fashionable shades and fine Kid Gloves (2-clasp), you won't be so particular about the color, if you can be fitted at all—for the special price is only—

**79c. a Pair.**

What are left of these Imported Samples of Ladies' 25c. to 50c. Cashmere Gloves, Jersey fitting, four-button and clasp style; also a few pairs of Children's—all to go tomorrow at

Hand-embroidered and Hemstitched, Morning Borders; Swiss Embroidered and Hemstitched, Scalloped and Initial—all

**Choice, 12 1/2c. Each.**

First Floor, West Section.

**Boys' Short Pants Suits.**

These weekly clearings-out of small lots keeps us with a constantly complete stock. That's a big advantage, and we count the loss entailed in the pushing prices more than compensated for. For your part you get some of the best values at very small cost. All depends upon size.

Six Boys' Double-breasted Knee Pants Suits, all-wool Chevot, in neat Gray patterns; sizes 7, 9, 10, 12 and 15 years; worth \$2.50, for—

**Boys' Hats.**

This has been the busiest week of the season in Boys' Hats. The remnants prove it. It's that we don't want odds and ends—not that they are undesirable—that we dig into the prices as we do. We give no promise of sizes in these broken lots. But we do promise the fitted head a bargain.
