

# The Saks Stores' Special Saturday News

News as is news--that brings you and the things you most need in closest touch. There hasn't been such a page of genuine bargains printed in Washington before. Not merely small prices--but big qualities at small prices.

### Toys!

Are you going to bring the children to see them tomorrow?

Do! We want you to. Surprising how the reserves are growing. Lots of folks have taken our hint--and made their selections already. We are holding them for delivery later.

Good idea--you get the choice of the entire stock.

But we don't wonder if you think fore-selection is not necessary from the stock that's displayed. Does seem enough to supply every child in Washington. Seems larger when you come here from looking somewhere else. 'Tis the biggest. But that isn't the pride-point with us. That it's the best assortment of newest novelties is what we must boast of a little. Yet it is the advantage of being in the Toy business twelve months in the year instead of four or five weeks. It's making it a business instead of a holiday catch-penny.

What's the use of naming items? You wouldn't have patience to read a page of them--and less space wouldn't suffice. But you would like an idea or two of how the prices run--

- Dolls' Brass Beds, with soft coverings in all colors--25c.
- Dolls' Parlor Furniture, full suites--25c.

All three lines are positively guaranteed.

## Boys' Clothing--Some Special Selling Follows Some Special Buying.

It's a queer condition that exists. Woolens are higher than they have been for years. Clothing makers foresaw the advance and bought heavily to save the increase. And now these two months of mild weather have "knocked their calculations into a cocked hat." The retail outlet is sluggish. There stand great piles of Suits and Overcoats and Reefers, waiting for the duplicate orders that do not come.

So it's not strange we found a listening ear to the jingle of a cash offer for quantities. And it's natural that these concessions should be passed right along to you.

Wouldn't wonder if this would be banner Saturday of the season. There's enough importance in the offerings to make it so.

## Wind-Up of Ladies' Jacket Sale.

The sale at LESS THAN MAKER'S COST.

There won't be enough left after tomorrow night to bear talking about. In all three lots--there are not over 160 Jackets. We've run through them--and they're well assorted in styles, colors and sizes.

Just a week ago tomorrow the sale began--with a thousand strong. Must strike everybody as a remarkable offering to sell 840 Jackets in five days--of such weather as we've been having.

But thank the weather. It was that which made such a sale possible.

As a reminder.

They are Blue, Black, Brown, Tan and Castor Kerseys, Meltons, Broadcloths, Boucles and Unfinished Worsteds--most of them lined throughout with silk--and all of them carefully tailor-made. Cut in the VERY LATEST styles.

**Choice of Jackets in Lot I--worth up to \$6.50--for \$3.95.**

**Choice of Jackets in Lot II--worth up to \$8.75--for \$4.95.**

### Men's Clothing.

Bargain or regular price--you don't get the satisfaction in other makes of Clothing that you must in ours--or we refund the money.

Saks-made Suits and Overcoats are for Saks-selling--but they are for best value-giving. They are for least price-asking. If you pay \$50 or \$60 for a Suit or an Overcoat you expect it to fit and to be in style. We want you to expect just as much of ours at \$7.50. Of course, materials won't be as fine--but the making is the same.

For tomorrow we shall have on sale a lot of these Gray Herringbone Overcoats, with velvet collars. They are very swell. Tailors are making them up at all sorts of prices. This particular lot will be

**\$7.50.**

Also three more lots of those \$10 Worsteds Suits. We say \$10--they are really \$12.50 and \$15 values. Nobby stripes--Single and Double-breasted cut, with Single and Double-breasted Vests. It's a special effort to sell them at

**\$1.69.**

135 in this lot--stylish and attractive patterns.

Third Floor, East, Elevators.

### Men's Furnishings.

You shall say whether or not these items are price cheap. And whether they are or not all depends on the qualities. So we ask you to see rather than surmise.

In our opinion you haven't bought to such cash and satisfaction advantage before--surely not this season.

### Dollar a Head for Men's Hats.

Another maker has sent us his sample line of Derbys and Fedoras. 102 dozen--in all the latest shapes and shades.

This maker's \$2, \$2.50 and \$3 Hats are famous. In fact, one or two of the agency Hats--the 5-dollar sellers--are made in his factory. Same style, much the same material in these.

The second day of these sales it's "Hobson's choice." Tomorrow you can pick as you please. Any Hat in the lot

Extra heavy Floated-lined Ribbed Vests and Pants, and some medium weights that are also ribbed. If it has the thorough making that good Underwear gets and that cheap Underwear never gets. Choice.....**25c. each.**

35c. and 48c. qualities for 25c. ought to interest the parents for the boys and children.

### The Shoe Sale.

Talk about rain out of a sunlit sky--this offering of Shoes is a surprise.

You've heard nothing for the last two months but that Shoes are going up--Shoes are going up. HERE ARE SOME SHOES THAT HAVE COME DOWN. They're good Shoes, just as good as can be made. Stylish Shoes just off the lasts. And Shoes for every foot--in shapes for every taste.

4,964 pairs of Shoes. That's a stock in itself. But we're not going to be many days disposing of them. Mustn't be--who will pay regular prices while regular values are to be had at special prices?

So there's hurry in the sale prices--same as there's the utmost satisfaction in the Shoes that are in the sale.

When the maker was making he little thought all his careful selection of stock--and careful work would go for next to naught.

But hopes are corks on the sea of business--pushed hither and thither by conditions.

The Women's Shoes go like this: \$2.00 values for \$1.48 a pair. \$3.00 values for \$1.98 a pair. \$3.50 values for \$2.48 a pair. \$5.00 values for \$3.48 a pair.

The Men's Shoes like this: \$1.75 values for \$1.23 a pair. \$2.50 values for \$1.98 a pair. \$3.50 values for \$2.48 a pair. \$4.00 values for \$2.98 a pair.

### Horse-Show Millinery.

Representatives from our work rooms have been in attendance upon the Horse Show in Madison Square Garden, New York. It's really a Fashion Show. All world's fashion show.

There were some of our Hats there--and they looked at home. Our folks saw, too, some very attractive effects--and have copied them. Not literally--that would not be fair to the originals--but closely enough to bring out leading features.

Those originals cost \$50, \$60, \$75--\$100 perhaps. They couldn't possibly be intrinsically worth it.

Our copies are sensibly made--priced within reason. Tomorrow you shall have four lots of these Hats to try on and select from--

**First lot at \$5.00.**

**Second lot at \$9.00.**

**Third lot at \$12.00.**

**Fourth lot at \$15.00.**

There are both street and evening styles--and they are made up with best of materials--and would easily sell at double the prices asked.

Third Floor, West, Elevators.

### White Porcelain Tableware.

Knowles, Taylor & Knowles' pottery is getting ready to shut down for another overhauling. Twice a year this occurs--and twice a year we get the stock on hand. Sometimes it is a big stock. Sometimes a small stock. But always at a special price, because we clear the kilns.

This time there are 15,000 pieces--Plates, Platters, Covered and Uncovered Vegetable Dishes, Fruit Saucers, Butter Plates, Pitchers, Cups and Saucers, etc.

Of all White Ware makers K., T. & K. have the best reputation. They keep up to date in their designs. There's always such a refined, clear appearance to their porcelain. Decorates a table almost equal to china--and is just about double as durable. This isn't true of all porcelain. But it is of Knowles, Taylor & Knowles'.

This is, of course, all of this season's make, in this season's styles. And we save you about half the regular prices.
